FORMOST INFOSYSTEM

Internship Completion Certificate

This is to certify that Sahil Shishangiya has successfully completed the internship as a Web Developer (Basic HTML, CSS, and JavaScript) at Formost Infosystem from 1st May 2024 to 22nd May 2024.

During this period, the intern demonstrated proficiency in front-end web development, specifically in HTML, CSS, and JavaScript, while working on various real-world projects. Contributions to our team were invaluable, showcasing a solid understanding of web development fundamentals, a strong work ethic, and the ability to collaborate effectively.

We commend the intern for the successful completion of this internship and for the high quality of work delivered throughout the period.

We wish the intern the best in future endeavors and are confident that the skills and experience gained during this internship will be instrumental in further professional growth.

Sincerely,
Jay Miyani
Company Manager

Subject: Application for Social Work Internship Completion at Gaushala.

This is certified that Mr. Rutvik Ramoliya, a student of Atmiya University Rajkot has successful completion of my 90-hour from date 04/04/2024 to date 22/04/2024 social work internship at the Gaushala. During this time, he has gained valuable insights and experiences that have significantly contributed as a social worker.

Throughout my internship, he has actively participated in various activities aimed at improving the living conditions of the animals residing at the Gaushala. These activities included feeding, cleaning, and providing medical assistance to the animals, as well as organizing and managing the resources available He has also been involved in community outreach programs to raise awareness about animal welfare and the importance of Gaushalas in our society.

In addition to these practical tasks, he has also gained a deeper understanding of the challenges faced by Gaushalas and the broader animal welfare sector. he has helped me develop a more holistic approach to social work, focusing on both the immediate needs of the animals and the long-term sustainability of the Gaushala.

We appreciate his work during internship. We wish a bright career

CERTIFICATE

This is to certify that Mr. Makadia Bhargav Ajaykumar, a student of B.Sc. Industrial Chemistry at Atmiya University, has successfully completed her internship in fulfillment for the course at Gujarat Pollution Control Board, Regional Office, Rajkot, Gujarat, under the mentorship of Mr. H. A. Rathod (S.O.) from 20th May 2023 to 5th June 2023.

As a part of the internship, she learned and developed skills to operate instruments (spectrophotometer, ammonia distillation assembly, digital balance, pH meter, conductivity meter, turbidity meter, oven and muffle furnace, BOD incubator, digital burettes, Flame photometer) used for the analysis of various Physico-chemical parameters of water & wastewater samples. The samples were obtained from several industries, dams, rivers, sea water, bore-wells etc. located in our city and several other neighboring cities. She also learned to analyze results for herself under my guidance. She is hard working and has ability to finish tasks on given time.
