Students Feedback Process

The feedback about curriculum will collect students input on all aspects of curriculum including the course content, learning resources, learning environment, quality of delivery and assessment. This feedback shall be collected from the students after completion courses at the end of semester/year as applicable.

Important Features of Students feedback:

- Completely online system with independent mechanism to generate feedback credentials- ID and Password, from ERP Department
- Students randomly select ID and Password through draw system from his/her teacher/mentor/feedback coordinator from the department.
- Student can give feedback anonymously through a dedicate feedback portal <http://feedback.atmiya.ac.in/>
- Students can give their feedback from either computer lab on the campus or his/her internet enabled personal electronic device such as mobile or laptop.

Procedure of Students feedback collection:

1. Finalize feedback schedule by the central feedback committee and deans of each faculties.
2. Coordinators / mentor / faculty members have to explain questionnaire of each per forma of feedback to the students before feedback schedule.
3. Details of the faculty handling course (Annexure IX) are filled by the feedback coordinators with the permission of head of each department and send it to ERP department through overall feedback coordinator.
4. Student's feedback ID and Password collect by the feedback coordinator of each department and anonymously share with the students.
5. Students can give their feedback from either computer lab or his/her internet enabled personal electronic device such as mobile or laptop through the feedback portal.
6. If student finds any query or problem, they can contact feedback coordinator or ERP Department.

The collected feedback will be downloaded by the central feedback committee and circulate to the Deans/Head of the respective department for analysis and necessary action at their end.
