Ability Enhancement Compulsory Course (AECC -1)

Introduction to Sustainable Development Goals

Offering Department: Interdisciplinary

Offered to: All Programmes

Mandatory Non-credit Course | Online

Course Description:

This course provides the definition of the concepts of sustainability and development, the development indices, evolution of UN SDG2030 agenda and its 17 Goals. The course further elaborates the interconnectedness and interdependence of the goals in terms of three dimensions- Social, economic and Environmental and also the 5 aspects namely People, Planet, Prosperity, Peace and Partnership.

Course Purpose:

The course has been designed to create awareness and sensitize the youth towards the aspects of Sustainability and Development by introducing the UN SDG 2030 agenda and its global and national relevance.

Course Outcomes: Upon completion of this course, the learner will be able to

Course Outcomes	CO Statement	Bloom's taxonomy Level (K1 to K6)
CO1	Define and relate to concepts of sustainability and development	K1, K2
CO2	Identify and interpret the SDGs	K1, K2
CO3	Recognize and Classify the SDGs into 5 Ps	K1, K2
CO4	Infer the importance of SDGs as Development Index	K1, K2
CO5	Summarize the interdependence and interconnectedness of SDGs in three dimensions – Social, Economical and Environmental	K2, K3

The great scientist and former President, Dr. APJ Abdul Kalam, wrote in the preface of his autobiography: "Each individual creature on this beautiful planet is created by God to fulfill a particular role." ATMIYA University bestows wisdom and knowledge upon the learner to recognize this particular role. Established on April 13, 2018, under the Gujarat Private University Act 11, 2018,
