## 2. Details of Sessions

- Faculty of Paramedical Sciences, School of Pharmaceutical Sciences has organised 6 days Student Induction Program(SIP) Phase – III, from 26th May to 2nd June, 2022, for the budding second semester B.Pharm Students. It was scheduled on campus during 2:00 PM to 4:00 PM at classroom no. 411, 4<sup>th</sup> Floor, Wing A.
- Student Induction Program was aimed to provide the guidance to the students regarding the necessary skills required for career development. Phase – III was especially conducted with emphasis on the topics that provide acceleration to the soft skills of students.
- During this third phase of SIP, various sessions were arranged. Sessions were regarding essential employability skills.
- All 5 days were started with the auspicious prayers and followed by the expert session. All the students attended, participated and interacted with enthusiasm in this program. At the end of each day, feedback was collected from the students regarding the sessions.
- Day – 1, was started with the session regarding detailed introduction of Soft Skills. Session was well conducted and in-depth insight was provided regarding the same by Mr. Niraj Vangani.
- Day – 2, A visit to historical place – Mahatma Gandhi Museum, Jubilee Chowk, Jawahar Rd, Lohana Para, Rajkot, Gujarat 360001 was organized from 4:00 to 6:00 PM. Mahatma Gandhi Museum is operated by the joint management of Rajkot Municipal Corporation (RMC) and Gujarat Tourism.
- Mahatma Gandhi Museum is a tribute to 'Father of the nation' Gandhiji who fought for freedom of our motherland with weapons like "Satya" (Truth) and "Ahimsa" (Non- Violence). The museum was a 2 storeys building in which 39 galleries were depicting the Mahatma Gandhi's life-events.

### Students Induction Programme\_Phase-III

- The mission of MGM is to present the journey of Gandhiji from "Mohandas" to "Mahatma" by various galleries showing life-events and 3D projection.
- Museum also gave students the idea about 11 vows were observed by Gandhiji as a core of all religions and showed a new path of life to the world. The ticket rates were nominal & one canteen named as "Charkha Eatery" was also there.
- Mahama Gandhi Museum provides various facilities for visitors to make a visit to the museum more comfortable like, Museum guide, Ticket counter & Cloakroom, Helpdesk, Library, Children Area, ATM, Parking, Garden.
- The visit was co-ordinated by Ms. Rachana Joshi, Mr. Vijay Chauhan, Ms. Hani jani; faculty members at School of Pharmaceutical Sciences, Atmiya University, Rajkot. The journey ended with a beautiful & fascinating 'Light & Sound' show about the life of Gandhiji.
- Day – 3, The session was started with the thorough introduction of Communication Skills. The session was conducted with all the required features in a detailed yet concise manner by Mr. Dhaval Thummar.
- According to Mr. Dhaval Thummar, Communication skills allow to understand others and be understood by others. These can include but are not limited to effectively communicating ideas to others, actively listening in conversations, giving and receiving critical feedback and public speaking.
- Day – 4, The session was started with the guidance of Aptitude. The session was conducted by Mr. Hiren Makwana.
- Take away from lecture concluded that an aptitude is a component of a competence to do a certain kind of work at a certain level. Outstanding aptitude can be considered "talent." An aptitude may be physical or mental. Aptitude is inborn potential to do certain kinds of work whether developed or undeveloped.
- Day – 5, The session was started with the guidance of Logical Reasoning. The session was conducted by Mr. Pallav Radia.

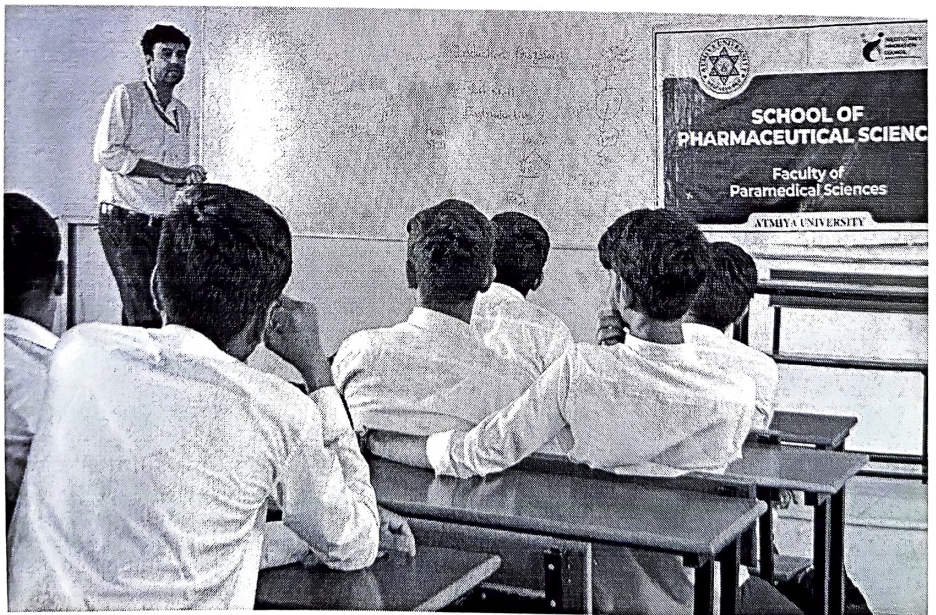

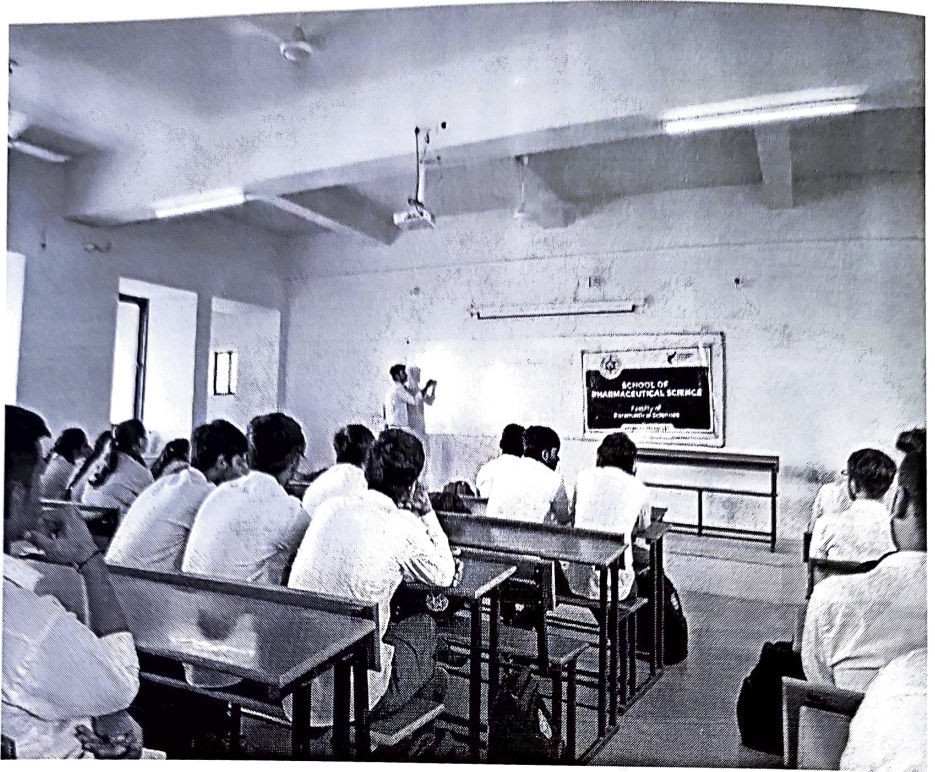

### Students Induction Programme\_Phase-III

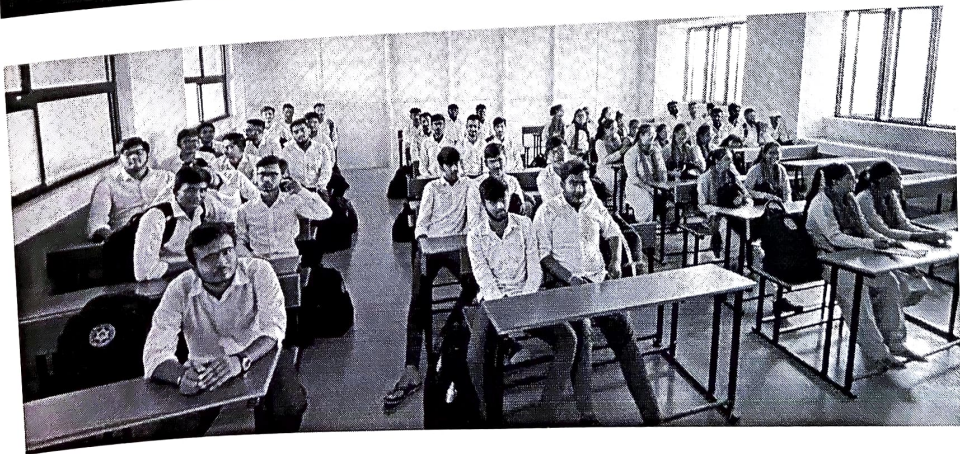

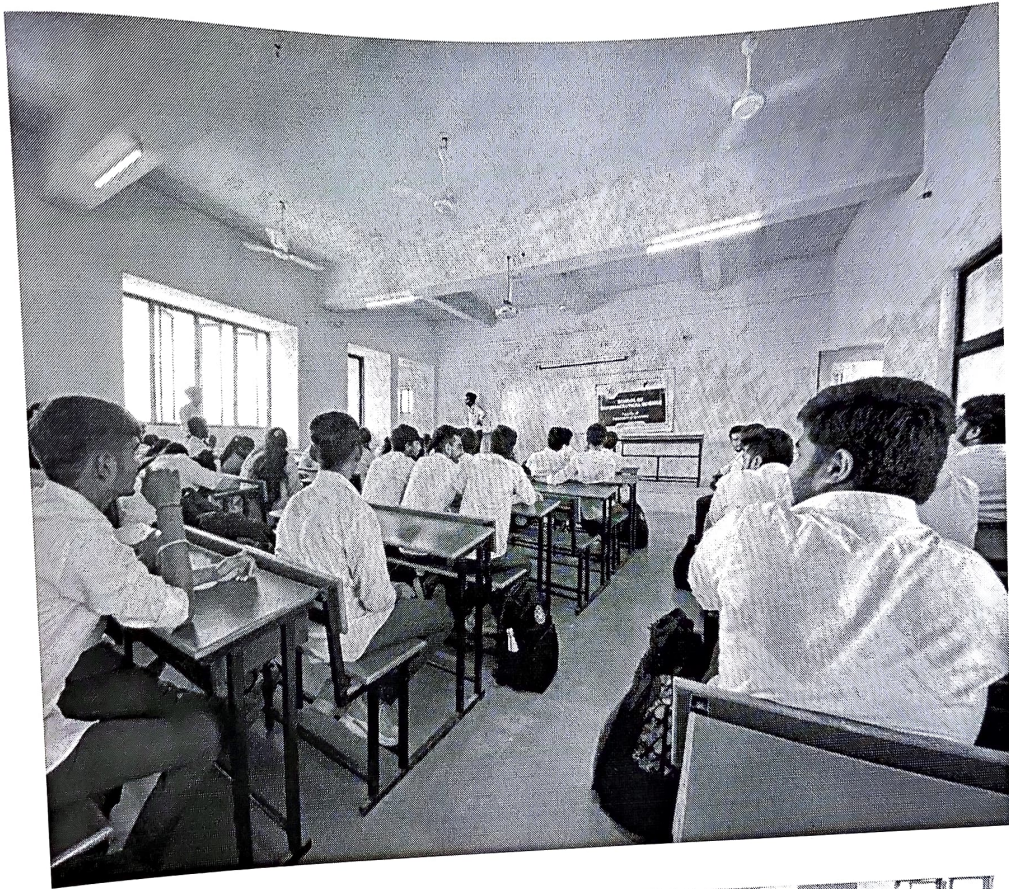

- The logical reasoning section is an important part of competitive exams. It contains different types of reasoning questions which are intended to judge analytical and logical reasoning skills of the candidate.
- The logical reasoning questions can be verbal or non-verbal: In verbal logical reasoning questions, the concepts and problems are expressed in words. The candidates are required to read and understand the given text or paragraph and according choose the right answer from the given options. In non-verbal logical reasoning questions, the concepts and problems are expressed in the form of figures, images or diagrams and the candidates are required to understand them before choosing the right answer out of the given options.
