Respected Sir/Madam,
Dr Abhijeet Joshi
Atmiya University, Rajkot

Congratulations!

Your proposal with ID DBT/CTEP/01/20230955633 has been approved by DBT. You have been granted financial assistance of Rs. 150000. Financial assistance would be released as per DBT-CTEP norms.

Below is the committee's remarks:
Recommended for Rs. 1,50,000/-

The grant would be released on submission of the following requisite documents at the earliest, subject to availability of funds:

1. Utilisation Certificate and Statement of Expenditure (UC and SE) as per the format available at CTEP Conference guidelines. The UC&SE should be duly signed and stamped by an independent Chartered Accountant in case the organisation is Non-Government.
2. A detailed report and photographs (soft copy) of the event along with the copy of publication(s)/proceedings clearly mentioning the number of participants (National & International).
3. Duly verified Bank details of your organisation (Name as per bank account, Bank Name, Branch and Address, Account No, Nature of account, IFSC code and MICR Code).

Note: Claims should be submitted within 3 months of the successful completion of the event. Any claim received beyond this period will not be considered for payment.

The recommendation is also available on our website.

Sincerely yours,

<https://mail.google.com/mail/u/1/?ik=791290b316&view=pt&search=all&permthid=thread-f:1784690464731477858&siml=msg-f:1784690464731477858> 1/2

About Central University of Gujarat

The Central University of Gujarat (CUG) was established by Parliament of India through the Central Universities Act (2009). The primary objectives of CUG are dissemination and advancement of knowledge by providing instructional and research facilities in various branches of learning, making special provisions for integrated courses in humanities, social sciences, science and technology in educational programmes, taking appropriate measures for promoting innovations in teaching-learning methods and interdisciplinary training and research, educating and training human resource for the country's development, establishing academic-industries partnership to promote advancements in science and technology, paying special attention to the improvement of social and economic conditions and welfare of the people, especially pertaining to their intellectual, academic and cultural development.

About School of Nano Sciences

School of Nano Sciences (SNS) was earlier established as Centre for Nano Sciences in 2012. Later, it was upgraded to School of Nano Sciences in 2016. The thrust area of research at SNS are energy storage devices, rechargeable batteries, glasses for energy applications, advanced nanomaterials for environmental applications, drug delivery and nanomedicines, nanomaterials for catalysis, water purification, biosensors.

About Central Instrumentation Facility (CIF)

The CUG has established CIF for catering research needs of all the School working towards sciences. It includes P-XRD, SC-XRD, AAS, CHNS/O, HPLC, GC, LCMS-QTOF, FTIR, BET, ICP-OES, Spectroscopic Ellipsometer, FT-NMR, DLS, SEM, SECM, AFM, ESCA, Ozonolysis, HR-TEM, TG/DTA, GPC, Potentiostat, UV-Visible Spectrophotometer, Porosimeter, Polarimeter, TOC, FACS, PCR RT-PCR, MALDI-TOF, Confocal Laser Scanning Microscope, Fluorescence microscope, DNA Sequencer, FPLC.

Overview of the program

The main theme of this workshop is to familiarize the participants with characterization techniques such as XRD, NMR, AFM, TG/DTA etc. The workshop includes theory lectures (hybrid mode) as well as demonstration/hands-on training session (offline mode).

General Instructions

This hands-on workshop is funded by DST. The registration is free. Faculties from state of Gujarat (only) can register. TA by public transport will be provided. Accommodation will be provided on first come first serve basis.

Edu High End Computing Workshop

Selection for EduHiPC 2023 Faculty Training Inbox x

NSM Nodal Center IIT Goa <hpcnc@iitgoa.ac.in>
to me

Mon, Oct 23, 2023, 3:14 PM ☆ ☺ ↶ ⋮

Dear Dr. Ripal Ranpara,

This is with regards to your interest in attending the EduHiPC training workshop being organized under the aegis of the National Supercomputing Mission(NSM) and CDER center (<https://tcpo.cs.gsu.edu/curriculum/>) in conjunction with HiPC2023 at Goa. The organizing committee is pleased to inform you that your request has been approved. The next steps to be followed are mentioned below:

This workshop will be conducted in hybrid mode. The initial sessions will be in online mode, followed by a one day in-person training program on Sunday the 17th December at Hotel Novotel, Goa, the venue of HiPC 2023 conference. The details about the conference are available at <https://www.hipc.org>.

NSM will be paying for your registration charges for you to attend the entire conference - including the EduHiPC workshop - scheduled from the next day, i.e, 18th to 21st December, with an aim that it will enrich your knowledge about HPC and help foster the HPC educational and research community.

Kindly note that you will be required to make your own travel and lodging arrangements for the duration mentioned above. NSM will be paying you a travel grant of Rs. 10,000/- (Rupees Ten Thousand Only). This will be paid to you during the conference when you attend in person.

Considering that seats are limited and that NSM is investing substantial amount to support your attendance and in organizing this workshop, and that we do not want any seats to remain vacant, a token refundable amount of Rs. 1500/- (Rupees One Thousand Five Hundred Only) will have to be paid by you while confirming your participation by filling in the form at the url mentioned below. This amount will be refunded to you and will be paid along with the travel grant. Those who do not attend the workshop and the conference after registering will have to forfeit this amount.

Form to be filled up: <https://iitgoa.ac.in/hpc-workshop-short-term-course/eduHiPC23/registration.php>

Please confirm your participation at the earliest, but not later than 28th of October 2023, failing which your seat will be offered to another participant. In case you do not wish to attend this training workshop, please let us know immediately. This will help us to offer your seat to another deserving participant.

Please acknowledge the receipt of this email.

About the Workshop

'KARYASHALA' is an effort to improve research productivity of promising PG and PhD students from universities and colleges through high-end workshops on specific themes. This program aims to provide opportunities to acquire specialized research skills. Following are the objectives of the current high-end workshop:

- The basics of AI/ML approaches and their implementation.
- Introduction to VLSI design and methodologies
- VLSI architectures and hardware for AI/ML algorithms
- Development of automated systems using AI/ML approaches and VLSI architectural designs
- Hands-on training using CAD tools such as Verilog, FPGA, SPICE for application oriented VLSI system design optimization and output performance parameter prediction using AI/ML
- AI/ML algorithms and FPGA implementation

Who can attend

The workshop is open to postgraduate students/research scholars from all Institutes and Universities. Preference will be given to the students having interest towards Electronics, VLSI, Embedded Systems, Artificial Intelligence and Machine Learning Applications, HDL – Verilog, FPGA implementation.

Total number of seats is limited to 25. The participants will be selected based on their academic/research credentials and first-come-first-serve basis. The selected applicants will be provided food & accommodation at DA-IICT. Also, the traveling expenses (3AC) will be reimbursed. There is no registration fees.

Dear Dr. Ripal,

We are pleased to inform you that you have been selected to attend the Karyashala - High End Workshop on AI/ML Algorithms and Applications in VLSI Design and Technology which is scheduled from 17th to 22nd July 2023 at DA-IICT, Gandhinagar.

In order to attend the workshop, you will be provided free accommodation at DA-IICT Hostel and fooding. Also, the traveling expenses (3 AC) will be reimbursed.

It is mandatory that you provide your confirmation for attending the workshop by 14th July 2023 via the reply mail.

Also, you are requested to bring your college I-card with you while you come to DA-IICT for attending the workshop.

Looking forward to seeing you in the workshop...!!!

About Gandhinagar

With the tag of the cleanest city in Asia, Gandhinagar is the administrative capital of the state of Gujarat, located on the western bank of Sabarmati river. Named after the father of Nation, Mahatma Gandhi, Gandhinagar is the second planned city of India, after Chandigarh. The city is divided into thirty organised sectors, each of them is pedestrian friendly and self-contained. It's more of a people-oriented city, with all the parks, monuments, gardens and grand civic buildings. During Rainy season, i.e., when the workshop is scheduled, it is pleasant climate with temperature ranging between 25 to 35 °C. It is advisable to bring umbrella with you.

7. CONFIDENTIALITY

- i. During the tenure of the Agreement, the Parties undertake to maintain strict confidentiality and refrain from disclosure thereof, of all or any part of the information and data exchanged/generated from the Project under this Agreement for any purpose other than in accordance with this Agreement. It shall be the responsibility of the Parties to ensure maintenance of such confidentiality in respect of their behalf and on behalf of their employees, representatives and associates involved in the Project.
- ii. The Parties shall not have any obligation of confidentiality with respect to any information that:
- a. is in the public domain by use and/or publication at the time of its disclosure by the disclosing party; or
 - b. was already in possession of the recipient prior to receipt from the disclosing party;
 - or
 - c. is properly obtained by the recipient from a third party with a valid right to disclose such information and such third party is not under confidentiality obligation to the disclosing party; or
 - d. was disclosed to any third party on a non-confidential basis prior to commencement

of the Project; or

e. is required by public authority, by law or decree.

8. FORECLOSURE:

- i. In case, during the tenure of the Project, it is found that the Project or any Project component is not likely to lead to successful completion, E-YUVA Centre may decide to foreclose the Project or the Project component as warranted. The decision of the E-YUVA Centre shall be final in all respects. The Mentor shall immediately refund any funds unutilized out of E-YUVA Centre's disbursements i.e. Annual Research Grant after deducting the legally committed expenses to third party vendors, to E-YUVA Centre etc., along with detailed accounts of funds received, utilized and unutilized within 30 days of such Foreclosure order. The entire outstanding amount as on the date of foreclosure will become due and payable immediately on issuance of the Foreclosure order by the E-YUVA Centre.

9. FORCE MAJEURE

The Parties shall not be held responsible for non-fulfillment of their respective obligations in successful completion of the Project under this Agreement due to the exigency of one or more of the force majeure events such as but not limited to acts of God, war, flood, earthquakes, strikes not confined to the premises of the Party, lockouts beyond the control of the Party claiming force majeure, epidemics, riots, civil commotion etc. lying beyond the reasonable control of and not brought about at the instance of the Party claiming to be affected by such event and which has caused the non-performance or delay in performance; provided on the occurrence and cessation of any such event the Party affected has given a notice in writing to the other Party within one month of such occurrence or cessation. If the force majeure conditions continue beyond six months, the Parties shall jointly decide about the future course of action on the Project. The validity of the claim of force majeure shall be determined by E-YUVA Centre after due enquiry and the decision in this regard shall be final.

10. DISPUTE RESOLUTION

In the event of any dispute or difference between the Parties hereto upon or in relation to or in connection with this Agreement, such dispute or difference shall be resolved amicably by mutual consultation or in presence of E-YUVA Centre. If the dispute is not resolved, then the same shall be referred to the Managing Director (MD), BIRAC for final resolution. Decision of MD BIRAC shall be final and binding on all parties.

11. EFFECTIVE DATE AND TENURE OF THE AGREEMENT

- i. The Agreement shall be valid for a period of 12 (twelve) months from the effective date. It can be extended if agreed to by both the Parties.
- ii. Original Agreement shall be signed by the Parties and one xerox copy each shall remain in the custody of each Party.

Title of Project Proposal: Designing smart solutions for automatizing agricultural activities using IoT based embedded system

Proposal Reference No: BT/EF0293/2.0/24

Team Details: Anand Trambadiya (Team Leader), Ravi Gehlot , Heer Chokshi, Dhruv Kachalia , Dhara Vaghela

Mentor: Dr. Ashish M. Kothari

Host Institution: Atmiya University, Rajkot

Background: Inefficiencies in traditional farming lead to wastage of resources, time, and labor. Manual errors and lack of real-time monitoring result in suboptimal crop yields. Late detection of crop diseases hampers agriculture productivity and sustainability.

Proposed Solution: Automation in agricultural activities with need based supply using concepts of AI & IoT. Sustainable agricultural activity and maintenance free work. Sustainable Development Goals addressed :

- SDG 7 - Affordable and Clean Energy
- SDG 12 - Responsible consumption and Production
- SDG 15 - Life on Land
- SDG 9 - Industry Innovation and Infrastructure

Innovation Concept: The solution is expected to work based on the integration of AI, IoT, and image processing technologies to automate and optimize agricultural processes, leading to improved efficiency and productivity.

Objectives:

Designing smart solutions for automatizing agricultural activities like irrigation, fertilization and crop monitoring using IoT based embedded system.

Work Plan/Milestones/Timelines:

Title of Project Proposal: Herbal Chocolate To Treat Menstrual Disorder

Proposal Reference No: BT/EF0299/2.0/24

Team Details: Sorathiya Ayushi Dhirubhai (Team Leader), Sorathiya Bhumi Pravinbhai, Ramani Meet Bhaveshbhai, Amrutiya Janki Narotambahi , Pan Mansi Karmshibhai.

Mentor: Kevinkumar Chandulal Garala

Host Institution: Atmiya University, Rajkot

Background: PCOD Polycystic Ovarian Disease is a medical condition in which the woman ovaries produce immature or partially mature eggs in large numbers and over the time these become cysts in ovaries. Due to this ovaries become large and secrete large amount of male hormones androgens causing infertility, irregular menstrual cycles, hair loss and abnormal weight gain.

Proposed Solution: We want to come with a product called as HERBAL MEDICATED CHOCOLATE which is used in PCOS, PCOD, Ingredients : Vitex, Cinnamon, Ashoka, Fennel.

Innovation Concept: Our hypothesis states that regular consumption of our herbal chocolate, which is crafted with 100 natural ingredients, blend to create a healthy yet tasty alternative to yield substantial improvements in Menstrual Disorders such as PCOS, PCOD, Menstrual Cramps, mood swings and also compatible with Vitamin Deficiency over Women of most age groups. Our product reduces pill burden, has better palatability with ease of use. Further, it has Psychological Benefits as consumption of chocolate releases Endorphins that are body's natural Feel Good Chemicals. Best part would be that it doesn't have addictive properties. Chocolate is an anhydrous medium and therefore prevents microbial growth and has greatest stability compared to aqueous form. Lastly, the Herbs that are blended in our product are all proven to have Pharmacological activity.

Objectives: To formulate medicated chocolate which treat menstrual disorders like PCOS and PCOD , amenorrhea menstrual cramps and this formulation have no/lesser side effect & no addiction property.
