Hello Velton! Evaluators,

Greetings from the New team of SIH-22!

We are reaching out to you in our times of need.

We are told that you have participated in previous editions of SIH as evaluators and have been bankable.

We started allocating the ideas to people who volunteered from the industry this year and the last date was 31st May for submission. To our surprise, many informed us after the deadline that they are not able to take it up.

And if a friend in need is a friend indeed stands true, we are turning towards you in our times of need with the hope you would bail us out.

We have allocated 25-30 ideas to you today, and each idea could take around ten min of your time for evaluation. We understand this is extremely short notice but we request you to finish these by Monday 6th June EOD. If you can finish by tomorrow then would be incredible.

Some PPTs may not open and might show you Error. Please read the description provided by the team and assess them on that basis.
