Welcome and Opening Remarks

Dr. Ashish Kothari, Deputy Registrar, welcomed Prof. Santhanakrishnan, Provost (Atmiya University), Dr. Datta Madamwar, (Research Advisor, AU), Dr. K. D. Ladva (Principal, MNVAC)

and all the members of URAB. The Provost informed the august body that as per the discussion in previous URAB meeting held on 22nd September, 2018, and the resolution passed in that meeting, the process for awarding research supervisorship to the applicant of AU faculties has been started and soon the list of eligible candidates will be released. He further stressed that together we should move in a direction to create the right culture for researchers to thrive. **Dr. Datta Madamwar** emphasized that reputations of any University is built on multiple factors and the standing and quality of research output is an important mainstay alongwith premium teaching and employability. Successful research drives our staff and students and is the funnel through which academia influences government, the public and private sectors, and popular consciousness.

Provost discussed the following Agenda point by point

Agenda 1. Predetermined strength of Ph.D scholars for the AY 2018-2019

It was resolved that based on the available eligible supervisor, the Head of Department will calculate the Predetermined strength of Ph.D. programme for the AY 2018-2019 and will inform the Chairman of URAB (Action: **Dr.Preetam Joshi**).

Agenda 2. Admission process: Website –advertisement- Last Date for the receipt of application form

It was resolved that the admission process for Ph.D. programme shall start during Dec,2018. Provost requested the Chairman URAB (Dr. Shivani Patel) to host the advertisement on website and invite the applications for above programmes.(Action: **Dr.Komal Borisagar, Dr.Mahesh Savant, Dr.Amit Rajdev, Dr.Preetam Joshi, Dr.Shivani Patel**) The work has to be completed on or before 10.12.2018.

Agenda 3. Dates for conducting the written test, Question paper pattern and Evaluation system

It was resolved that the Chairman URAB, in consultation with all Heads of Department will design syllabus, question paper pattern and evaluation norms for conducting written test. The same may be passed in next BoS.

Agenda 4. Dates for oral / Composition of Departmental Advisory committee /approval

It was resolved that Chairman URAB, in consultation with all Heads of Departments, will finalize the dates of interview for successful candidates in written examination. For this a Departmental Advisory Committee (DAC) at departmental level will be formulated. The URAB will recommend the names of members to the Hon. Provost for approval.

Agenda 5. Number of internal part time /proposal /getting approval from the Provost.

It was resolved that URAB will decide on an annual basis through their academic bodies a **predetermined** and manageable number of **internal** Ph.D. scholars to be permitted based on the work load and availability of Research Supervisors in AU, Facilities availability also be considered while fixing the predetermined strength of the Department. Internal Part –time scholars list will be approved by Provost based on their performance in the written and Oral test and recommendation of the HoD/or concerned Dean.

Agenda 6. Date of start

It was resolved that the calendar of events for Ph.D. programme shall be prepared well in advance and communicate to the Scholars and Faculties. Provost passed the instruction to Chairman URAB, Dr. Shivani Patel (*in absentia*) to prepare the calendar of events in consultation with members of URAB/HoD/Research Coordinators.

Agenda 7. Orientation day for fresher's

Provost proposed that an orientation day to welcome research scholars and to acquaint them with the faculty; its rules and regulations, staff (administrative and academic), etc. need to be organized. This will keep the research scholars to inform the newly framed Ph.D rules and regulations as well as facilities available in this university. It was unanimously accepted to offer a workshop on **Research Methodology** for two days. A nodal officer has to be identified for the same.

Agenda 8.. Other important issues discussed

- Registers to be maintained by Scholar and Research Supervisors need to be finalized. Provost instructed to identify the innovative research areas relevant to community. The research supervisors are requested to monitor the research scholars effectively and finish the programme in time. Approved fee structure for M.Phil and Ph.D may be communicate to the Finance Section .
- Courses to be taught in AY 2018-2019 are to be planned and discussed in the next meeting.
- Research coordinator for each department to be identified and communicate to the University.

Dr. Datta Madamwar stressed that to promote rigorous research in the campus and to respond to current social demands, and to contribute to the creation and development of scientific technologies with the aim of betterment of humanity, few important research areas should be identified and research should be initiated in that directions in a collaborative way. Industrial project / Interdisciplinary research projects have to be encouraged.

General comments by Experts: **Dr. Datta Madamwar** stressed that to receive direct Tax Deduction benefits while importing scientific instruments from foreign and to receive funding from government agencies, DSIR certificate and recognition of Atmiya University as Scientific and Industrial Research Organization (SIRO) from Department of Science and Industrial Research (DSIR) is essentially required. For that the process of online application is going on and it requires a lot of information to upload. **Dr. Madamwar** told that a notice will be soon circulated to all the HOD's to collect the information.

Dr. Ladva extends his all good wishes to the Atmiya University and exhilarate that both MNVSC and Atmiya University will move in a definite direction for mutual benefit to both the Institutes of higher education.

Adjournment

Dr. Shivani Patel, after having permission of **Honorable Provost**, adjourned the meeting. **Dr. Ashish Kothari** proposed the Vote of Thanks to all members.

Minutes of Meeting

Seventh Meeting of University Research Advisory Board (URAB)

Venue: Board Room

Date: 11/01/2020

Agenda 1: Introduction of the new course as directed by UGC

According to the UGC circular (UGC Do/No./F1-1/2018/(CARE), Annexure 1) published in December 2019, the UGC has approved a compulsory two-credit course titled "Research and Publication Ethics" for Ph.D. scholars. This course will be offered to all cohorts, including the January 2019 batch, the July 2019 batch, and all future batches.

The above was **approved** by all members and will be effective from students admitted to **January 2019** batch and onwards.

Agenda 2: Approval in the change of credit structure due to introduction of new course

With the addition of the 2-credit course "Research and Publication Ethics," the Ph.D. program's total credit requirement will increase from 10 to 12 credits. This adjustment follows the revised scheme of instructions and examinations.

Semester – I							
Course Code	Course	Hrs. of Instruction/ week	Exam Duration (Hrs.)	Maximum Marks			Credits
				CIA	SEE	Total	
	Course I - Research Methodology	4	3 Hr	30	70	100	4

Eleventh Meeting of University Research Advisory Board (URAB)

Venue: Board Room

Date: 03/09/2020

Agenda1: Procedure and Formats for Doctoral Progress Review Committee (DPC)

Given the current COVID-19 pandemic situation, the 1st DPC presentation for PhD Scholars of the January 2019 batch will be conducted through an online platform, following the outlined procedure:

1. Each scholar's DPC will be conducted individually between 15/9/2020 and 30/9/2020.
2. The Ph.D. supervisor will consult both DPC members to determine a suitable date and time for the online DPC review.
3. The Ph.D. supervisor will finalize the date and time of the presentation.
4. The Ph.D. supervisor will communicate the date and time to the scholar.
5. Either the scholar or the supervisor can create an online meeting on any suitable or allowed platform and share the details with both DPC members and the Departmental Research Committee.
6. The Ph.D. supervisor will complete the details of the presentation in Annexure 1 (DPC Meeting Details) and send it to dy.registrar@atmiyauni.ac.in before 15/09/2020.
7. The presentation will be conducted on the scheduled date and time, with the meeting recorded and snapshots taken during the online presentation.
8. After the presentation, the supervisor will send the following details to dy.registrar@atmiyauni.ac.in in both hard and soft copies:
 - a. Attendance Sheet in Annexure 2 (DPC Meeting Attendance) duly signed by the supervisor.
 - b. Filled DPC Review Card with comments by the supervisor (Annexure 3).
 - c. Filled DPC Review Card with comments by DPC members (Annexure 4).

Welcome and Opening Remarks

Dr. Shivani Patel, Chairman of the URAB welcomed Hon. Prochancellor madam and all the other Invited members and members of the URAB. Dr, Shivani Patel invited Hon. Prochancellor madam to address the members.

AGENDA: IMPLEMENTATION OF SEED MONEY FINANCIAL ASSISTANCE SCHEME AT ATMIYA UNIVERSITY

Hon. Prochancellor madam addressed the members and told that in a globalized world, the role of research in an academic institution is significant for its sustainability and development, and it is imperative to have knowledge-driven growth based on innovation. The quest for knowledge is the basic principle behind research. The quality of research work directly translates to the quality of teaching and learning in the classroom, thereby benefiting the students, the society and the country. The promotion of research in a huge and diverse country like India will help the nation evolve as a knowledge reservoir in the international arena.

She further added that being a new University it is quite difficult sometime that we get funding from outside funding agencies. So, we have to prove ourselves by producing some good quality research publications. Further to create an ecosystem of research at Atmiya University, the management may provide some initial financial support to the young faculties to carryout the

quality research. This scheme will be named as Atmiya University SEED MONEY Research Project scheme.

She instructed the URAB Members to constitute a draft of rules and regulations for this scheme and circulate the same to Academic Council for approval. **(Action assigned to Dr. Preetam Joshi)**

She also instructed to put the matter before Finance Committee for financial approval. **(Action assigned to Dy. Registrar)**

Dr. D. D. Vyas added that our education system faces a number of constraints and challenges— quality research is one of them. Barring few prestigious institutes, most display a dismal picture in terms of quality and quantity research. Not many institutes have mandatory research goals for individual faculty, and most do not have adequate systems or infrastructure for quality research. The lack of an encouraging academic environment, ill-equipped libraries, labs and equipment, inadequate infrastructure, lack of funds, faculty crunch, etc, are some of the factors contributing to the dismal picture of research in Indian academic institutions. In agreement with Hon. Prochancellor madam, he also supported that such scheme will definitely bring significant changes in our university.

It was resolved that the scheme will be launched in Phase wise manner and tentative dates for announcement and other activities **for phase I** will be as per following:

Date	Activity
Announcement	1st April 2021
Last Date for submission	15 th April 2021
Announcement of result	25 th April 2021
Implementation of project	1 st May 2021
Project Review committee meeting	30 th September 2021
Final Submission of project completion report and SE & UC	31 st March 2022

The above was **approved** by members.

Welcome and Opening Remarks

Dr. Shivani Patel, Chairman of the URAB welcomed by the members of the URAB. She Thanked and welcomed Invited members **Dr. Sheela Ramchandran (Hon. Pro-chancellor** Atmiya University) and **Dr. D.D. Vyas** (Dean Transformative Studies, Atmiya University) and confirmed the presence of quorum of the meeting. Then she took agenda one by one.

Agenda 1: To consider and approve the extension of SEED MONEY Research Project proposal and relaxation in the eligibility criteria of applicants

To create an ecosystem of research at Atmiya University by providing financial assistance to young faculties so that they can strengthen their research capabilities and publish their research findings in reputed journals, URAB of Atmiya University launched SEED MONEY Research Project scheme. Notice regarding the call of scheme was circulated to the faculty members of AU, but due to COVID pandemic and other reasons, limited number of applications were received. It was also observed that many interested faculties could not applied due to strict criteria of eligibility (i.e. the applicant must hold a Ph.D. Degree). Looking towards the current scenario of pandemic and less possibilities of accesibilities of infrastucture of AU, Fresh call is to be made with relaxation in eligibility criteria.

Hon. Prochancellor suggested that last date for submission of projects should be extended to **30th June 2021** and relaxation for Claus related to Ph.D. degree should be given.

The above was **approved** by members.

Agenda 2: To finalize Guideline of SEED MONEY Research Project proposal and formats of other important related documents

The committee discussed and finalized the guidelines for the SEED MONEY Research Project proposal along with the formats for other essential related documents as mentioned below.

- a) Guideline and Instruction for Seed money project - (Annexure I)
- b) Format for SE - (Annexure II)
- c) Format for UC - (Annexure III)
- d) Format of Progress report - (Annexure IV)
- e) Format of Project completion report - (Annexure V)

All the above were **approved** by members

AGENDA 3: TO CONSIDER AND APPOINT A COMMON REVIEW COMMITTEE FOR EVALUATION OF SEED MONEY RESEARCH PROPOSALS

Chairman informed that to evaluate and review the SEED MONEY research proposal, a common review committee needs to be appointed.

Following is the proposed structure of review committee

1. Chairman URAB - Chairman of Review Committee
2. Expert 1 (An eminent scientist/professor/academician outside the AU – Life Science/Pharmacy/Chemical Science/Mathematics) – Invited member
3. Expert 2 (An eminent scientist/professor/academician outside the AU – Engineering/Management/Commerce) – Invited member
4. Principal, Shree M and N Virani Science College - Invited member
5. Dean Faculty of Transformative Studies, Atmiya University - Member
6. Dean Faculty of Engineering, Atmiya University - Member
7. Dean Faculty of Paramedical Science, Atmiya University - Member
8. Dean Faculty of Management studies, Atmiya University - Member
9. Dy. Registrar, Atmiya University – Member secretary

The same review committee will also monitor the midterm progress of research projects.

The chairman instructed Dr. Preetam Joshi to search and propose the name of experts of different domains and communicate with them.

The above was **approved** by members.

AGENDA 4: CONSTITUTION OF ANIMAL ETHICAL COMMITTEE

The **Chairman** informed that Atmiya University has 30+ academic departments which are involved in doing research. Many of the departments of AU uses animal modals in research which is a matter of concern not only for scientific community/animal activist but also for the University itself. The same concern was raised recently during review committee meeting of one of our Research Scholar.

In order to eliminate the potential for conflicts, it is considered necessary to examine the international norms regarding the use of animals in scientific experimentations.

The committee decides to constitute an animal ethical committee ASAP so that research at Atmiya University will not face any kind of litigation which will further lead to impedance in pace of research.

The **Dean Faculty of Paramedical Science** will take the follow-up and will report the Pro-chancellor regarding the same.

The above was **approved** by members

AGENDA 5: CONSTITUTION OF HUMAN ETHICAL COMMITTEE

The **Chairman** informed that certain departments of Atmiya University (viz. Microbiology, Biotechnology, Chemistry, Pharmacy and Biology Departments) are involved in doing cutting edge research in the various areas of science and health care (including cancer and other life threatened diseases). Obviously, it is impossible to come up with excellent results on these topics without having to carry out extensive research on human subject and samples. The committee is aware that to procure the human sample and to carryout such type of research, Institutional Human Ethical Committee is required.

The URAB decides to constitute a Human ethical committee ASAP so that research in front-line areas at Atmiya University should not get affected. The Dean Faculty of Paramedical Science will take the follow-up and will report the Pro-chancellor regarding the same.

The above was **approved** by members

AGENDA 6: STRATEGIC WORK PLAN AND RESEARCH RELATED ACTIVITIES IN NEXT ACADEMIC SESSION

Hon Prochancellor Madam informed that It has been realized that in a globalized world, the role of research in an academic institution is significant for its sustainability and development, and it is imperative to have knowledge-driven growth based on innovation. The Atmiya University being a newly established University is still in its infancy stage particularly in research progression and

outcome. To promote the research and motivate the faculties and students in doing research in identified areas some Activities (FDPs/Workshops/Hands on Training/Webinars etc.) needs to be conducted in up-coming session. The forum will be open for discussion to receive the suggestions and to design strategic work-plan to be implemented from next session.

AGENDA 7: PREDETERMINED STRENGTH – Ph.D. PROGRAM - JULY 2021 SESSION

Based on the available research supervisors in various departments, the existing research facilities, and the vacant positions, the committee has determined the following predetermined capacity for the Ph.D. programs.

Predetermined Strength - PhD Program - July 2021 Session

Welcome and Opening Remarks

Dr. Shivani M. Patel, Chairperson of URAB, welcomed **Honorable Prochancellor Prof. Sheela Ramachandran** and all the members of review committee. The chairperson thanked all the members for serving on the peer advisory review committee to select proposal received under Seed Money Project Scheme at Atmiya University

The Chairperson (URAB) informed that This year a total of 16 proposal were received across all the faculties of Atmiya University as per the following details:

Faculty	Total Numbers of Proposals received (till 10-5-21)
Business & Commerce	2
Science	8
Engineering	4
Paramedical Sciences	1
Humanities & Social Sciences	1
Total	16

After initial scrutiny, the proposals were sent to subject expert of review committee for detailed review and evaluation as per the details given below. After going through the proposal, Dr. Datta Madamwar and Dr. R. L. Patel had certain queries and requested for an online interaction with the applicants, hence an online presentation of Microbiology, Biotechnology and engineering department's applicants was arranged with respective experts.

General comments by other members

Dr. Sheela Ramachandran, Prochancellor of Atmiya University stressed that in a globalized world, the role of research in an academic institution is significant for its sustainability and development, and it is imperative to have knowledge-driven growth based on innovation. Atmiya University Seed Money Financial Assistance Programme – 2021 is definitely a step towards this direction and cultivate a culture of research and innovation at Atmiya University.

Prof. Datta Madamwar, Expert member and Research Advisor of Atmiya University, suggested that in science and engineering discipline, it is quite difficult to do a quality project in limited time span & fund, hence he suggested that duration of project, particularly for science and engineering discipline, should be at least for two years and seed amount should also be increased to 2.5 lac for these disciplines.

Since this is the first time implementation of the scheme at AU, committee deferred it for current phase and decided to discuss the same in subsequent meeting for consideration in next phase after reviewing the outcome of first phase.

Dr. D.D. Vyas, Dean Transformative, Atmiya University, suggested that the Atmiya University being a newly established University is still in its infancy stage particularly in research progression and outcome. To promote the research and motivate the faculties and students in doing research in identified areas, along with the seed-money projects scheme, some other activities (like FDPs/Workshops/Hands on Training/Webinars etc.) needs to be conducted in up-coming session.

The Chairperson assured that the URAB will plan and execute such type of activities in upcoming sessions.

General comments by other members

Dr. Shiv Tripathi, Hon. Vice Chancellor of Atmiya University stressed that research on timely and important topics attracts attention, which in turn leads to greater institutional visibility and reputation. As a university becomes known for its research in certain fields, they become magnets for students, faculty, grants, media coverage, and even philanthropy. Strength in research helps to define a university's "brand" in the national and international marketplace, impacting everything from student recruitment, to faculty retention, to attracting new investments. He appreciated the effort of URAB and young faculty members in this direction.

Dr. D.D. Vyas, Dean Transformative, Atmiya University, suggested that the community, region, and state benefits from the research activity of the University. This is especially true for public research Universities. Research also contributes directly to economic development, clinical, commercial, and business opportunities. He also suggested that along with the seed-money projects scheme, some other activities (like FDPs/Workshops/Hands on Training/Webinars etc.) needs to be conducted in up-coming session.

The Chairperson assured that the URAB will plan and execute such type of activities in upcoming sessions.

Welcome and Opening Remarks

Dr. Ashish Kothari, the Director of R.I.T. and Chairperson of URAB, extended a warm welcome to Honorable Pro Vice-Chancellor Dr. Jayesh Deshkar and all the members of URAB. The Chairperson (URAB) conveyed that a seed-money scheme had been successfully introduced at Atmiya University in October 2021 to encourage research and inspire faculty members to engage in research activities within specific areas of focus.

During Phase I of the scheme, a total of 12 research projects were selected and granted financial assistance amounting to Rs. 5.6 lac. Building upon this success, Phase II of the scheme was announced in May 2022, resulting in the selection of 12 proposals for financial assistance worth Rs. 8.5 lac.

Continuing this momentum, the Chairperson (URAB) shared that the third phase of the scheme invited proposals in April 2023. Across all faculties of Atmiya University, a total of 13 proposals were received. The details of these proposals are as follows:

Faculty	Total Numbers of Proposals received in Phase II
Faculty of Business & Commerce (FoBC)	3
Faculty of Science (FoS)	6
Faculty of Engineering and Tech. (FoET)	2
Faculty of Health Science (FoHS)	2
Total	13

After initial scrutiny, the proposals were sent to subject expert of review committee for detailed review and evaluation and their subsequent presentations were scheduled. Review committees were constituted for evaluation of proposal and review presentations were scheduled on the dates as mentioned in **Annexure I**.

Agenda 1. Decision on grant-in-aid of proposal of Seed Money Project Scheme (Phase III)

Director R. I. T. informed that the different review committees met and evaluated the presentations of proposals on dates mentioned in Annexures I and recommended the approval of budget as per details mentioned in **Annexure II**.

The above approved fund will be dispersed as per the policy of Seed Money Project Scheme of Atmiya University and must be utilized within one year of issue of sanction letter.

All the above were **approved by members and seconded by Dr. D.D. Vyas**.

Agenda 2. Permission for Revalidation of Budget of Dr. Rohan Pandya and Dr. Ashish Kothari (Seed money phase II awardee)

- Director R. I. T. informed that application was received from Dr. Rohan Pandya (seed-money Phase II awardee) regarding the utilization of a part of amount sanctioned under the Head of consumables for hiring services for analysis of compounds.
- Considering the positive outcomes observed, the review committee for the Mid-term evaluation of Phase II, in its meeting held on 21.02.2023, recommended to augment the granted funding for Dr. Ashish Kothari's project (No. SL/SMFAP/Phase 2/2022/013). The committee proposed to increase the allotted grant for his project up to **1.0 lac**.

All the above were **approved by members and seconded by Dr. D.D. Vyas**.

Agenda 3. Predetermined Strength - PhD Program - July 2023 Session

General comments by other members

Dr. Jayesh Deshkar, the Honorable Pro Vice-Chancellor of Atmiya University, emphasized the significance of conducting research on timely and significant topics. He highlighted that such research not only garners attention but also enhances the visibility and reputation of the institution. As a university becomes renowned for its research in specific fields, it attracts students, faculty, grants, media coverage, and philanthropic support. Strong research capabilities contribute to shaping a university's brand both nationally and internationally, influencing various aspects such as student recruitment, faculty retention, and attracting investments. Dr. Deshkar commended the efforts of URAB and young faculty members in advancing research in this direction.

Dr. D.D. Vyas, the Registrar, underscored the benefits that research activities bring to the community, region, and state, particularly for public research universities. He highlighted the direct contributions of research to economic development, clinical advancements, commercial opportunities, and business prospects. Additionally, he suggested the implementation of other activities such as Faculty Development Programs (FDPs), workshops, hands-on training, webinars, etc., alongside the seed-money project scheme in the upcoming session.

The Chairperson assured that URAB would strategize and implement such activities in the forthcoming sessions.
