"Preventing tobacco addiction and achieving cessation in established users are the cornerstones of efforts to reduce tobacco use and disease."

A seminar was organized on 16th July, 2019 on the topic "Freedom from addiction". The honorable guest of the day was Dr. Rohit Bhalara, Associate Professor, Pathology Department, PDU Medical College, Rajkot. These seminars are being held all over Gujarat as a joint initiative by Indian Medical Association, Saurashtra University and Gujarat Police.

The lecture was very informative and the slideshow was very graphical and humorous. Dr. Bhalara took on a very light hearted and funny approach to the harmful effects of tobacco though there was a grievous undertone to all of it. The faces of the students reflected just the right emotions towards the speech.

The students were also informed about a college initiative titled "Happy Club" that they can join to give back to the society. The club organizes activities that help the environment and the society. The objective being to spreading happiness throughout your surroundings.

Prof. Yuvrajsinh Kanchava concluded the seminar on a positive note for all the students and gave a vote of thanks to the guest of honor.

Description of activity:

An awareness program on Disaster Management Training, Orientation & Demonstration was arranged on 18th July, 2019 by NSS unit of Atmiya University for the students of Mechanical Engineering Department and Civil Engineering Department. Major elements covered in the training were Disaster Management Orientation, Types of Disasters and a Basic understanding on Do's & Don'ts during a disaster Situation. This Section was taken by Mr. Priyank Singh (DPO, Rajkot).

A team of NDRF (22 People) was also present in the training along with their Inspector Ghosh. NDRF showcased the equipments, and a demonstration on First Aid, Search and Rescue. Expert talk covered the various aspects of Disaster Management and the role of NDRF team during disasters in India as well as abroad.

NDRF team members have also shown different activities, including a demo of rescue operations, evacuation methods during the time of fire, earthquake and flood disasters. They show us different equipments use while rescue operations and also shown how to use that equipments and when to use it.

NDRF team gave knowledge of earthquake rescue, and how to save ourselves and others from earthquake, where to go while earthquake, and many other techniques.

At the end of the session Dr. G. D. Acharya shared importance of this training for the students. The program was coordinated by the NSS Program officer Mr. Yuvrajsinh Kanchava and NSS student volunteers. Prof. Rajdeepsinh Vaghela and Prof. Hiren Ramani helped for the coordination.

Description of activity:

A Tree plantation program was arranged on 21st July, 2019 by NSS unit of Atmiya University at Aarsh Vidhya Mandir, Munjakain collaboration with the Green Team of Rajkot

A team of 16 students from various Engineering branches along with 2 faculty members Yuvrajsinh Kanchava from Mechanical Engineering Department and Ankit Kalariya from Computer Engineering Department actively participated in the tree plantation activity. The students were from the NSS unit of Atmiya University and Happiness Club. Mr. VipulBhai Shah and Mr. BharatBhai Korat were the members from the Green Team Rajkot along with 4 other members for planning the plantation of trees.

Different varieties of trees were planted according to the miyawaki method of afforestation / planting trees. Miyawaki method involves the planting a number of different types of trees close together in a small pit. By closely planting many random trees close together in a small area enriches the green cover and reinforces the richness of the land. This will lead to co-existence of plants and as a matter of fact each plant draws from the other vital nutrients and they grow to become strong and healthy. 150 plants of nearly 15 different varieties were planted by the students in 2 hours of time period.

Mr. Bharatbhai Korat explained the Miyawaki method and its benefits to the students along with the need for conservation of nature by planting the trees and using the resources rightly. Dr. G. D. Acharya shared importance of the physical activity training for the students. The program was coordinated by the NSS Program officer Mr. Yuvrajsinh Kanchava.

Description of activity:|

A Tree plantation program was arranged on 28th July, 2019 by NSS unit of Atmiya University at Bhangeshwar Mahadev, near village Tithave, Wankaner along with the NSS unit of Shri M. N. Virani Science College, NCC unit of Atmiya University and Happiness Club in collaboration with the Green Team of Rajkot and the trust of the temple.

A team of 65 students along with 5 faculty members Yuvrajsinh Kanchava (NSS officer, Atmiya University) from Mechanical Engineering Department, Paras Kalariya from Information & Technology Engineering Department, Ashraf Mathakiya from Civil Engineering Department, Suresh Koradiya (NCC officer) and Rahul Gohil (NSS officer, Shri M. N. Virani Science College) actively participated in the tree plantation activity. Mr. BharatBhai Korat was the member from the Green Team Rajkot along with trustees of the Temple for planning the plantation of trees.

Different varieties of trees were planted according to the miyawaki method of afforestation / planting trees. Miyawaki method involves the planting a number of different types of trees close together in a small pit. By closely planting many random trees close together in a small area enriches the green cover and reinforces the richness of the land. This will lead to co-existence of plants and as a matter of fact each plant draws from the other vital nutrients and they grow to become strong and healthy. More than 500 plants of nearly 24 different varieties were planted by the students in 4 hours of time period.

Mr. Bharatbhai Korat explained the Miyawaki method and its benefits to the students along with the need for conservation of nature by planting the trees and using the resources rightly. The program was coordinated by the NSS Program officer Mr. Yuvrajsinh Kanchava and NCC officer Mr. Suresh Koradiya.

Activity:

Student volunteers from NSS unit of Atmiya University visited village Raj-samadhiyala in the district of Rajkot, along with Principal Dr. G. D. Acharya (NSS Chairman) and Prof. Yuvrajsinh Kanchava (NSS Program Officer) on 30th July, 2019. The village is an example of ideal village in Gujarat for its 0% plastic waste, cleanliness and many more reasons.

The village development committee comes into existence in 80's under leadership of **Mr. Hardevsinh Jadeja** formally known as village observation committee. They decided to divide the village in 11 parts for decentralisation of work. It consist of 11 impressive and responsible member of group of 25-30 household having power to solve problems of his group, convey and implement decisions taken by VDC. It directly controls Gram panchayat and is powerful acting body at Micro level working with its own code of conduct. **Mr. Ashokabhai Vagera** guided us and gave us each and every detail of the village.

About The Village:

Raj-samadhiyala is located 22 kms from Rajkot. The population of the village is 1467 (732 males and 735 female). The numbers of voters in the village are 1025 (505 males and 520 females). Villagers have adopted a selection process for Gram panchayat instead of election process. Communities in the village comprises of Patel (50%), Darbars (5%), Rajputs (20%), Scheduled Castes (15%) and others (10%). Average family size of the village consists of 5 members.

Amenities available in the village are school, Anganwadi, PHC center, sub post office, telephone, electricity, water supply, street lights, underground drainage, cement concrete roads, solar lights, gram

panchayat ration shop and cricket ground. Recent facilities added to these amenities are RO water plant, Wi-Fi Connectivity, Sound System and CCTV Cameras.

Mr. Hardevsinh Jadeja, an enthusiastic Sarpanch, transformed his village with Vision of Development through Cleanliness. “Swachhata Aabhiyaan” started in this village since 1983. Cleanliness of households, streets and entire village was declared compulsory duty of each citizen of the village and fine system was introduced in the code of conduct for strict implementation of rules and today it is now habit of all residents to keep the village clean and plastic free. It is the first 0% plastic village since year 2005, for which it has been awarded Gujarat’s first NIRMAL GRAM AWARD in 2005.

Other special features besides Nirmal Gram are as follows:

- 100% Regular Recovery of Government Dues and Taxes
- Tobacco selling banned in the village
- Water Harvesting structures, 48 check dams and 7 percolation tanks through scientific approach by remote sensing by developing dykes and lineaments with the help of ISRO
- More than 65,000 trees to fight against Global Warming
- Pollution free environment
- Self sufficiency in drinking water and agriculture water since last 30 years even in draught conditions.
- RO water filter plant to eradicate water prone diseases
- Administration through village development committee.
- Mahila Samras Gram Panchayat
- Zero crime rate from last 30 years, local disputes to be solved at Lok Adalat
- Sports Encouragement to young generation: state level cricket ground.

Achievements of the village:

- Best Sarpanch Award (District level award)
- Best Water Harvester (State level award)
- Best Farmer (State level award)
- Village development award (National Award)
- Tirth gram Award
- Samras gram panchayat Award
- Shresth Gram Panchayat award
- Swarnim Gram award for sustaining cleanliness even till date after declared Nirmal Gram.

Glimpses of the Village:

GIVE BLOOD GIVE LIFE

The NSS unit of Atmiya University, organized a blood donation camp in the university campus with blood bank of Red Cross Society and Government blood bank of Rajkot on 09/09/2019. The camp began at 9:30 a.m. with a short inaugural function.

Prof. Yuvarajsinh Kanchava expressed his gratitude to the NSS unit of the University for its continuous endeavor in this regard. He also stressed on the growing need of blood in the state and commended the young volunteers for their noble act.

The Camp was inaugurated by P. P. Tyagvallabh Swamiji, Dr. G. D. Acharya, Principal, AITS Government Blood bank officer & Red Cross blood bank officer. Many volunteers came forward to donate blood during the camp which included teaching & non-teaching staff, students & non-student donors. At the end 223 units of Blood was collected.

The blood donors were given tea or some breakfast after donating the blood in order to reenergize them. The blood donors were provided with a blood donation certificate card by both the blood bank teams. The camp concluded at around 2:30 p.m.

This was the 1st camp conducted by the NSS unit for this academic year. The blood donation camp was coordinated by Prof. Yuvarajsinh Kanchava, NSS Programme Officer of the University with the help of NSS volunteers.
