"Preventing tobacco addiction and achieving cessation in established users are the cornerstones of efforts to reduce tobacco use and disease."

A seminar was organized on 16th July, 2019 on the topic "Freedom from addiction". The honorable guest of the day was Dr. Rohit Bhalara, Associate Professor, Pathology Department, PDU Medical College, Rajkot. These seminars are being held all over Gujarat as a joint initiative by Indian Medical Association, Saurashtra University and Gujarat Police.

The lecture was very informative and the slideshow was very graphical and humorous. Dr. Bhalara took on a very light hearted and funny approach to the harmful effects of tobacco though there was a grievous undertone to all of it. The faces of the students reflected just the right emotions towards the speech.

The students were also informed about a college initiative titled "Happy Club" that they can join to give back to the society. The club organizes activities that help the environment and the society. The objective being to spreading happiness throughout your surroundings.

Prof. Yuvrajsinh Kanchava concluded the seminar on a positive note for all the students and gave a vote of thanks to the guest of honor.

Description of activity:

An awareness program on Disaster Management Training, Orientation & Demonstration was arranged on 18th July, 2019 by NSS unit of Atmiya University for the students of Mechanical Engineering Department and Civil Engineering Department. Major elements covered in the training were Disaster Management Orientation, Types of Disasters and a Basic understanding on Do's & Don'ts during a disaster Situation. This Section was taken by Mr. Priyank Singh (DPO, Rajkot).

A team of NDRF (22 People) was also present in the training along with their Inspector Ghosh. NDRF showcased the equipments, and a demonstration on First Aid, Search and Rescue. Expert talk covered the various aspects of Disaster Management and the role of NDRF team during disasters in India as well as abroad.

NDRF team members have also shown different activities, including a demo of rescue operations, evacuation methods during the time of fire, earthquake and flood disasters. They show us different equipments use while rescue operations and also shown how to use that equipments and when to use it.

NDRF team gave knowledge of earthquake rescue, and how to save ourselves and others from earthquake, where to go while earthquake, and many other techniques.

At the end of the session Dr. G. D. Acharya shared importance of this training for the students. The program was coordinated by the NSS Program officer Mr. Yuvrajsinh Kanchava and NSS student volunteers. Prof. Rajdeepsinh Vaghela and Prof. Hiren Ramani helped for the coordination.

Description of activity:

A Tree plantation program was arranged on 21st July, 2019 by NSS unit of Atmiya University at Aarsh Vidhya Mandir, Munjakain collaboration with the Green Team of Rajkot

A team of 16 students from various Engineering branches along with 2 faculty members Yuvrajsinh Kanchava from Mechanical Engineering Department and Ankit Kalariya from Computer Engineering Department actively participated in the tree plantation activity. The students were from the NSS unit of Atmiya University and Happiness Club. Mr. VipulBhai Shah and Mr. BharatBhai Korat were the members from the Green Team Rajkot along with 4 other members for planning the plantation of trees.

Different varieties of trees were planted according to the miyawaki method of afforestation / planting trees. Miyawaki method involves the planting a number of different types of trees close together in a small pit. By closely planting many random trees close together in a small area enriches the green cover and reinforces the richness of the land. This will lead to co-existence of plants and as a matter of fact each plant draws from the other vital nutrients and they grow to become strong and healthy. 150 plants of nearly 15 different variety were planted by the students in 2 hours of time period.

Mr. Bharatbhai Korat explained the Miyawaki method and its benefits to the students along with the need for conservation of nature by planting the trees and using the resources rightly. Dr. G. D. Acharya shared importance of the physical activity training for the students. The program was coordinated by the NSS Program officer Mr. Yuvrajsinh Kanchava.

Description of activity:|

A Tree plantation program was arranged on 28th July, 2019 by NSS unit of Atmiya University at Bhangeshwar Mahadev, near village Tithave, Wankaner along with the NSS unit of Shri M. N. Virani Science College, NCC unit of Atmiya University and Happiness Club in collaboration with the Green Team of Rajkot and the trust of the temple.

A team of 65 students along with 5 faculty members Yuvrajsinh Kanchava (NSS officer, Atmiya University) from Mechanical Engineering Department, Paras Kalariya from Information & Technology Engineering Department, Ashraf Mathakiya from Civil Engineering Department, Suresh Koradiya (NCC officer) and Rahul Gohil (NSS officer, Shri M. N. Virani Science College) actively participated in the tree plantation activity. Mr. BharatBhai Korat was the member from the Green Team Rajkot along with trustees of the Temple for planning the plantation of trees.

Different varieties of trees were planted according to the miyawaki method of afforestation / planting trees. Miyawaki method involves the planting a number of different types of trees close together in a small pit. By closely planting many random trees close together in a small area enriches the green cover and reinforces the richness of the land. This will lead to co-existence of plants and as a matter of fact each plant draws from the other vital nutrients and they grow to become strong and healthy. **More than 500 plants of nearly 24 different varieties** were planted by the students in 4 hours of time period.

Mr. Bharatbhai Korat explained the Miyawaki method and its benefits to the students along with the need for conservation of nature by planting the trees and using the resources rightly. The program was coordinated by the NSS Program officer Mr. Yuvrajsinh Kanchava and NCC officer Mr. Suresh Koradiya.

Activity:

Student volunteers from NSS unit of Atmiya University visited village Raj-samadhiyala in the district of Rajkot, along with Principal Dr. G. D. Acharya (NSS Chairman) and Prof. Yuvrajsinh Kanchava (NSS Program Officer) on 30th July, 2019. The village is an example of ideal village in Gujarat for its 0% plastic waste, cleanliness and many more reasons.

The village development committee comes into existence in 80's under leadership of **Mr. Hardevsinh Jadeja** formally known as village observation committee. They decided to divide the village in 11 parts for decentralisation of work. It consist of 11 impressive and responsible member of group of 25-30 household having power to solve problems of his group, convey and implement decisions taken by VDC. It directly controls Gram panchayat and is powerful acting body at Micro level working with its own code of conduct. **Mr. Ashokabhai Vagera** guided us and gave us each and every detail of the village.

About The Village:

Raj-samadhiyala is located 22 kms from Rajkot. The population of the village is 1467 (732 males and 735 female). The numbers of voters in the village are 1025 (505 males and 520 females). Villagers have adopted a selection process for Gram panchayat instead of election process. Communities in the village comprises of Patel (50%), Darbars (5%), Rajputs (20%), Scheduled Castes (15%) and others (10%). Average family size of the village consists of 5 members.

Amenities available in the village are school, Anganwadi, PHC center, sub post office, telephone, electricity, water supply, street lights, underground drainage, cement concrete roads, solar lights, gram

panchayat ration shop and cricket ground. Recent facilities added to these amenities are RO water plant, Wi-Fi Connectivity, Sound System and CCTV Cameras.

Mr. Hardevsinh Jadeja, an enthusiastic Sarpanch, transformed his village with Vision of Development through Cleanliness. “Swachhata Aabhiyaan” started in this village since 1983. Cleanliness of households, streets and entire village was declared compulsory duty of each citizen of the village and fine system was introduced in the code of conduct for strict implementation of rules and today it is now habit of all residents to keep the village clean and plastic free. It is the first 0% plastic village since year 2005, for which it has been awarded Gujarat’s first NIRMAL GRAM AWARD in 2005.

Other special features besides Nirmal Gram are as follows:

- 100% Regular Recovery of Government Dues and Taxes
- Tobacco selling banned in the village
- Water Harvesting structures, 48 check dams and 7 percolation tanks through scientific approach by remote sensing by developing dykes and lineaments with the help of ISRO
- More than 65,000 trees to fight against Global Warming
- Pollution free environment
- Self sufficiency in drinking water and agriculture water since last 30 years even in draught conditions.
- RO water filter plant to eradicate water prone diseases
- Administration through village development committee.
- Mahila Samras Gram Panchayat
- Zero crime rate from last 30 years, local disputes to be solved at Lok Adalat
- Sports Encouragement to young generation: state level cricket ground.

Achievements of the village:

- Best Sarpanch Award (District level award)
- Best Water Harvester (State level award)
- Best Farmer (State level award)
- Village development award (National Award)
- Tirth gram Award
- Samras gram panchayat Award
- Shresth Gram Panchayat award
- Swarnim Gram award for sustaining cleanliness even till date after declared Nirmal Gram.

Glimpses of the Village:

Cement Concrete Roads in the Village

Mahila Sanchalit Gram Panchayat

State Level Cricket Ground in the Village for Encouraging Sports in the Youth

Team NSS of Atmiya University with Principal Dr. G. D. Acharya in a Clean Village

Fine to be Imposed on Violation of Rules in the Village

Received award from the President Dr. A. P. J. Abdul Kalam for Gujarat's first Nirmal

GIVE BLOOD GIVE LIFE

The NSS unit of Atmiya University, organized a blood donation camp in the university campus with blood bank of Red Cross Society and Government blood bank of Rajkot on 09/09/2019. The camp began at 9:30 a.m. with a short inaugural function.

Prof. Yuvarajsinh Kanchava expressed his gratitude to the NSS unit of the University for its continuous endeavor in this regard. He also stressed on the growing need of blood in the state and commended the young volunteers for their noble act.

The Camp was inaugurated by P. P. Tyagvallabh Swamiji, Dr. G. D. Acharya, Principal, AITS Government Blood bank officer & Red Cross blood bank officer. Many volunteers came forward to donate blood during the camp which included teaching & non-teaching staff, students & non-student donors. At the end 223 units of Blood was collected.

The blood donors were given tea or some breakfast after donating the blood in order to reenergize them. The blood donors were provided with a blood donation certificate card by both the blood bank teams. The camp concluded at around 2:30 p.m.

This was the 1st camp conducted by the NSS unit for this academic year. The blood donation camp was coordinated by Prof. Yuvarajsinh Kanchava, NSS Programme Officer of the University with the help of NSS volunteers.

We got an invitation to conduct *7-days Faculty Development Program sponsored by TEQIP III & Rajasthan Technical University based* on Universal Human Values & Professional Ethics from the Alwar Institute of Engineering & Technology (Rajasthan). In FDP more than 70 participants had participated enthusiastically across the India's leading engineering institutions like Alwar Institute of Engineering & Tech, Bikaner Technical University and many more with designated guest. Dr. V.K.Agrawal chancellor of host institute had inaugurated the FDP and welcomed us. Whole event observer was Prof. Sudhir Sir from Bikaner Technical University has taken care of other records also. Prof. Pratap sing Patwal taken responsibility of accommodation facility of guest and participants.

Thus FDP jointly conducted by Mr. Goopal Babu and Mr. Ankit K. Kalariya very well. The response of all the participant was very joyful and they had asked many crucial questions related to their personal life, Relationship, Current society problems, Nature and Existence. In FDP it is also discussed how to face this all problem by education. This event is also noticed by different state newspaper and also appreciated the event on education. Overall the FDP was a big success for us and for the participants also.

We are very fortunate to have chance to showcase us outside our campus and thankful to the management of Atmiya University to believe in us.

Outcome:

- ✓ This Create confidence to take long FDP on Universal Human Values & Professional Ethics.
- ✓ More Clarity on what should be complete Education Content.
- ✓ This workshop motivate faculty to attend other UHV workshops for further understanding.
- ✓ Able to live harmonious life.
- ✓ How to Increase Family Happiness Index

We got an invitation to conduct *3-days Faculty Development Program sponsored by AICTE* based on Universal Human Values from the VECD cell coordinated by Atmiya University-Rajkot. We practiced Universal Human values or Jeevan Vidhya since 2014 and due to that we got an invitation from the Engineering collage named *Shri Sitarambhai Naranji Patel Institute of Technology and Research Centre, Umrah (Surat)* from 7 - 9 June, 2019. The FDP was a part of Student Induction Program (SIP) for professional courses like engineering designed and coordinated by IIT-BHU.

In FDP more than 75 participants had participated enthusiastically across the Gujarat's leading engineering institutions like Parul University, Uka Tarsandiya University, SVIT and many more with designated guest. Dr. Piyush Jain, principal of host institute had inaugurated the FDP and welcomed us. Thus FDP started very well. Mrs. Chetana Gohil had cleared the basic expectation from the FDP and give their thoughts to all the participants. The response of all the participant was very joyful and they had asked some very crucial questions related to their students and life. Overall the FDP was a big success for us and for the participants also.

We are very fortunate to have chance to showcase us outside our campus and thankful to the management of Atmiya University to believe in us.

About the Event:

AICTE offers Student Induction Program (SIP) as part of UHV-I for all 1st Year students of UG. For smooth conduction of that SIP, it is require that the adequate numbers of faculties are prepared. So in context to that AICTE arranged 3-days FDP for faculties to explore the UHV in details and hence the faculties are ready to take the SIP in their respective institute.

In part of that Atmiya University got the chance to host the FDP on UHV in the month of June 2019. We got an opportunity to host two 3-Days FDP on UHV.

There are total 51 participants in the FDP and the resource person of the FDP is Jigar Ratnottar. He is local coordinator of the FDP and the coordinator of UHV Cell in Atmiya University.

Points covered in FDP:

- Role of Education
- Basic Aspirations of Human Being
- Process of Self Exploration
- Harmony in the Self

Glimpses of the event:

- This workshop was organized by Abhibhavak Vidyalaya, Raipur which is based on MadhyasthaDha philosophy, Sah-astitvavad.
- Abhibhavak Vidyalaya was established on 4 July, 2011. The families themselves pooled in their resources to provide for facilities such as place, building, transport (a bus and two smaller vehicles) swings, toys, furniture etc. The school also has the direct & indirect support of several other families from Raipur, Chhattisgarh and the entire country and hence it is free from government sanction or aid. It reflects the societal participation of intelligent, honest and responsible groups of families. The teachers do not take any remuneration. As it is the responsibility of the parents to provide facilities for children, an amount as fees was defined for the running of the school, but there is no tuition fee.
- The C.G. Education Department agreed in principle to implement this alternative education by the name of CVMS (Chetna Vikas Mulya Shiksha). They assigned school teachers of CG govt schools to undergo study of this philosophy through one year long courses. Secondly, a textbook titled chetna vikas mulya shiksha (CVMS), was written containing lessons for classes 1 to 5 that could be used by the trained teachers for drawing attention to the necessary realities for each stage of the lives of the students. Currently, the school is giving education from nursery to class10.

□

Schedule of the workshop

Time	Schedule Description
8:30 to 9:30	Breakfast
9:30 to 11:00 am	First session(CVMS)
11 to 11:15 am	Tea break
11:15 am to 1:30 pm	2ns session
1:30 to 3:00 pm	Lunch and rest
3:00 to 4:00 pm	3 rd session(CVMS)
4:00 to 5:00 pm	Mutual learning
5:00 to 5:30 pm	Informal sharing
7:00 to 8:00 pm	Dinner
8:00 pm onwards	Rest

	KI 3.6	EA

Summary

We had gone under various teaching experiences of all the subjects taught there like Languages, maths, nritya. They focuses their teaching based on 4 aspects which cultivates their behavior based on Mulya. (Values)

- 1) Sambodhan,
- 2) Sahyog
- 3) Agya-palan
- 4) niyantran

Each topic is being taught there taking into consideration the necessity (prayojan) as well as vyavastha. We saw there the happiness and understanding level of the students in terms of relationships, and understanding as well as their co-operation in all the fields where they are participating.

Speaker (Recourse Person):

Prof. Vishal Chhaya (Atmiya University-Rajkot)

Mrs. Chetaba M.Gohil (AtmiyaUnivesity- Rajkot)

Organizer – Swadip Shikshan Vikas Sanstha Sutrapada

No. of Participants–60

We got an invitation to conduct **2-days** workshop for Aanganwadi Workers, based on Jeevan Vidya from Swadip Shikshan Vikas Sanstha Sutrapada. Which is sponsored by GHCL- Sutrapada. Workshop dates were 15th and 16th January 2020. In workshop more than 60 participants had participated enthusiastically. The response of the entire participant was very joyful and they had asked some very crucial questions related to their life. Overall the FDP was a big success for us and for the participants also.

We are very fortunate to have chance to showcase us outside our campus and thankful to the management of Atmiya University to believe in us.

Report

Extension Activity
On
“Swachh Bharat Abhiyan”

Date: 2nd Oct. 2019

Beneficiaries: Society of Rajkot City

Participants: 160 students

Coordinator: Dr. Minaxi Parmar

Outcome: Swachh Bharat Abhiyan incorporates the channelization of mass awareness to enlighten common civilians regarding health, hygiene, and sanitation. It equally promotes the scientific technique and its real-time application to undergo the cleaning and sanitization process with personal safety maintenance and establishment of hygiene practices.

**Microbial Outreach Activity
On
"Microbial Awareness on Health & Wellness"**

Date: 7th Feb. 2019

Beneficiaries: More than 100 students and peoples of school of villages

Coordinator: Dr. Rohan Pandya & Dr. Varun Shah

Outcome: Department of Microbiology, Atmiya University Rajkot had organized a visit for the awareness camp on microbial awareness on Health & Wellness at the various schools and villages near to the Rajkot region Students of Microbiology department have sensitized school students and villagers to the importance of proper hand-washing before eating foods, students have also presented posters and ppts and given them to the self-prepared hand-wash and hand sanitizers to school students as well villagers also. Students had explained all the things to villagers in vernacular language so that all of them were very happy to know the details about microbial infections and significance of proper hand washing before eating.

Microbial Outreach Activity
On
Exhibition on Showcasing of “Microbial Museum as Tiny Creature-Super Power”

Date: 24th Feb. 2019

Beneficiaries: More than 1000 peoples

Coordinator: Dr. Mousumi Das & Dr. Chitra Bhattacharya

Outcome: Department of Microbiology of Atmiya University Rajkot had remarkably showcased the significant achievements and contributions of age-old discoveries leading to the modern world pathbreaking contributions to celebrate the knowledge of Microbiology through Knowledge Consortium Gujarat (KCG) on account of 50th Years Golden Jubilee Celebration of Shri M. & N. Virani Science College, Rajkot.

Exhibition on Showcasing of “Microbial Museum as Tiny Creature- Super Power”

At auspicious occasion on 50th Anniversary Celebration of Shree M. & N. Virani Science College

Coordinator: Dr. Mousumi Das & Dr. Chitra Bhattacharya

Date: 24th Feb. 2019

Beneficiaries: More than 1000 peoples

Date: 24/12/2019	Organizing Unit: Dept. of Microbiology, Atmiya University

Report

Extension Activity on Science Exhibition

Date: 24/12/2019

No. of Participants: 200 students

Venue: Centre Square of Science Building

Coordinator: Dr. Shivani Patel, Head, Dept. of Biotechnology & Microbiology

Outcome: Students have presented all the Concepts of Microbiological aspects and their prototype in front of the public. In this science exhibition, various microbiological aspects have been covered such as Agriculture microbiology, Enzymology, Fermentation Technology etc., and its utilization of subject knowledge on social benefits.

Recent Trends in System Biology and Omics
Technology
4th February 2020**

REPORT

A National Seminar on “Recent Trends in System Biology and Omics Technology” was jointly organized by Department of Microbiology and Biotechnology, Atmiya University and Shree M. & N. Virani Science College (Autonomous) on 4th February 2020 at Atmiya University auditorium. The event was financially supported by Gujarat State Biotechnology Mission (GSBTM), Department of Science & Technology, Government of Gujarat, Gandhinagar.

The registration process was initiated at 8:30am at Atmiya University reception area. The inaugural ceremony was set in motion at 9.30am at Atmiya University auditorium in the august presence of P. P. Tyagvallabh Swamiji, invited speakers Dr. Saumen Basak, Dr. Chanrajith Lahiri, Provost of the Atmiya University, Prof. P. Santhanakrishnan and Principals of the Atmiya group of institutions. The session was commenced by prayer followed by the organizing secretary Dr. Rohan Pandya adorning the Divine by garland.

P. P. Tyagvallabh Swamiji, Chancellor, Atmiya University blessed the occasion and inaugurated the seminar. He also felicitated the speakers. The welcome address was delivered by Prof. P. Santhanakrishnan, Provost, Atmiya University. He stressed the importance of Systems Biology, application of Omics technologies and the relevance of the seminar in current prospects.

Felicitation of Invited speakers by P. P. Tyagvallabh Swamiji

Registrar

The first invited talk of the seminar was delivered by Dr. Soumen Basak, Scientist V and Head, System Biology Division, National Institute of Immunology, New Delhi. Dr. Basak had been recently awarded with prestigious Shanti Swaroop Bhatnagar Award. He delivered his talk on “Investigating Immune Signalling Mechanism: A Bottom-up Systems Biology Approach.” He explained the interaction of immune signal NF- κ B in canonical and canonical pathways. The second invited talk was delivered by Dr. Chandrajith Lahiri, Sunway University, Malaysia. He gave his talk on “Simplifying Disease Complexity: A Systems Biological Perspective”. Dr. Lahiri described the application of Systems Biology in study of infectious diseases and interactome analysis of key proteins in various pathways. The talk highlighted the role of protein(s) in spread of infectious diseases and their possible causes. Finally, the third invited talk was delivered by Prof. Linz-Buoy George, Department of Zoology, School of Science, Gujarat University, Ahmedabad. Dr. George delivered his talk on “Omics, a viable tool for analysing Plasmodium infectious stages.” He described the applications of various omics technologies to study the Plasmodium infection and possible strategies to control it.

Post lunch session was initiated at 2:00 pm for various student activities. Four events i.e. 1) Crazy idea presentation, 2) Poster presentation, 3) Elocution competition and 4) Sci-toon competition were arranged simultaneously in parallel sessions for UG and PG students. The event was coordinated by faculties and the participants were evaluated by judges invited from diverse fields.

Participants Presenting On The Topic

Participation of students in Elocution and Sci-toon competition

A grand total of 731 participants attended the seminar which included under graduate students, post graduate students, research scholars and faculties. Registrations were received from Atmiya University, Shree M. & N. Virani Science College (Autonomous), Gyanyagna college of science and management, R. K. University, Christ College, Rajkot, Rungta college of science and technology, Chhattisgarh. Overall, 377 students contested in various events, which included 16 participations for elocution, 48 participations for crazy idea presentation, 186 participations for poster presentation and 196 participations for sci-toon.

The prizes for various events were awarded to the winners during the valedictory session scheduled at 4:30 pm in auditorium-1 at Atmiya University. Dr. P. Santhanakrishnan, Provost, Atmiya University, Dr. Chandrajith Lahiri, invited speaker, Dr. Shivani Patel, Convener of the seminar and various head of the department were present in the valedictory session and distributed the prizes (Annexure 3). The closing remarks and vote of thanks were conveyed by Dr. Debashis Banerjee, co-organizing secretary.

Outreach Activity

“Cloth Distribution in Slum Areas of Rajkot”

Date: 14th Feb 2020

Beneficiaries: 30-40 people

Participation of Students: 40 Students of B.Sc., M.Sc. Microbiology

In-charge Faculty: Dr. Rishikesh Shukla

Outcome: The Department of Microbiology has organized a cloth distribution program for needy people who are a requirement of woolen clothes in the winter season. Students have collected old clothes from various students of Atmiya University. They gave clothes to needy people in the slum area of the Rajkot region, even students distributed chocolates also to the small children. After doing it students as well as slum people were also happy and shared their valuable feedback in the form of oral communication.

Report of GUJCOST Sponsored One Day National Seminar on “Recent Advances in Natural Products Chemistry for Drug Discovery”

School of Pharmacy, Atmiya University, Rajkot organized one day national seminar on “Recent Advances in Natural Products Chemistry for Drug Discovery” was held at on 27th July 2019.

Natural products have long been developing well source for the discovery of new drugs due to their chemical diversity and ability to act on various biological targets. The phytochemical exploration of indigenous flora has contributed to some extent in this race for the discovery of new drugs. The Seminar is aimed for motivating the academicians and young researchers to achieve quality in education with industrial orientation. The invited speakers are well renowned and great expertise in their respective fields. The seminar will provide a platform for interaction between students, researchers, academicians and expert from industry.

The seminar was held for one full day with Scientific and innovative sessions. The registrations for seminar started at 8.30 am onwards. All the participants have reached the venue with lot of enthusiasm for attending the seminar. Delegate kits were provided at the time of registrations. Around 300 delegates were participated in the seminar.

The seminar was started with Inaugural function which was chaired by P.P. Tyagvallah swamiji (Hon. Secretary); Dr. H. M. Tank (Principal, School of Pharmacy, Atmiya University); Dr. P. Santhanakrishnan (Provost); Col. M. P. Singh (Registrar); Dr. Ashish Kothar (Dy Registrar); Dr.G.D.Aacharya (Principal, Atmiya Institute of Technology & Science); Dr. Manhar Kagathara (Principal, Atmiya Institute of Technology & Science in Diploma) and the chief Guest for the function was Mr. Vasantbhai Bhalodia, Managing Director, Orchev Pharma Pvt. Ltd., Rajkot.

Shortly after which Prayer was commenced in hope of blessing from the almighty God to make this event successful.

As the programme started at sharp 10am Dr. H. M. Tank gave a short introduction and welcome speech. He have welcomed Chief Guest, Mr. Vasantbhai Bhalodia, various dignitaries and participants. Dr. P. Santhanakrishnan (Provost)was invited on the stage to address the gathering. He gave short speech on the current scenario of Pharmacy.

Chief Guest, Mr. Vasantbhai Bhalodia was invited on the stage to address the gathering. He gave a brief speech on the importance of seminar and cheered the audience, participants and gave his wishes for the successful commencement of the event.

Hon. Secretary, P.P. Tyagvallabh swamiji was invited on the stage to address the gathering. He gave a brief speech on the importance of seminar and cheered the audience, participants with his valuable speech and enumerated about "The importance of Pharmacy Profession".

The session was started promptly with our first Speaker Dr. Vimalkumar, Principal, ITM School of Pharmacy at 11:00 am. He has explained Natural Products have been, and will be, important sources of new pharmaceutical compounds. Many years ago life was made possible or was prolonged only due to natural herbs. In the new era of twenty-first century, no life is possible on earth without herbal drugs or products that are obtained through natural herbal drug discovery.

Next session of seminar was started at sharp 12:00 pm Dr. Manish P. Patel, Associate professor, L. M. Pharmacy college, Ahmadabad. He has explained an acceptably low risk of failing to achieve the desired clinical attributes of the drug.

Seminar was paused to be resumed shortly after the lunch. The Seminar was then resumed sharp at 2:00 pm. Dr. Dipen Sureja, Associate professor, L. M. Pharmacy College, Ahmadabad. He explained briefly role of Natural products in drug discovery and process regarding drug discovery. The session was very interactive and students have shown their interest.

Poster Presentation was started at sharp 3:00 pm. Around 35 delegates were participated in the Poster presentation. Dr. Jignesh Patel, Associate professor, B. K. Modi government college of pharmacy, Rajkot and Dr. Dayaben Lakhabhai Chothani, Associate professor, B. K. Modi government college of pharmacy, Rajkot were evaluated posters and give 1st, 2nd and 3rd prizes distributed to winners.

Finally event came to end and a final vote of thanks was presented by Dr. Riddhi Patel, event coordinator to all the dignitaries, speakers, participants, faculty members and all personals directly or indirectly involved in the successful completion of the event.

About Atmiya University:

Atmiya University was established in March 2018 by Sarvodaya Kelavni Samaj under Gujarat Private Universities . Atmiya University is an amalgamation of various Institutes offering, 50+ programs, fully equipped campus housing 10000+ students, 400+ faculty members & providing in-campus residential facility to students making it India's Premier Multidisciplinary University.

About Institute:

The aim to provide quality education at degree and postgraduate level in pharmacy and to prepare youth to meet the challenges in the area of pharmaceutical research & development as well as marketing. The institute is also well known for nurturing of students by co-curricular and extra-curricular activities like industrial visits & training, seminars, workshops, conferences, expert lectures, communication skills, placements and many more. Institute is poised to face global challenges of pharmaceutical industries and education with the changed perspectives.

The institute is poised to face global challenges of the pharmaceutical industry and education with the changed perspective. The Institute houses state of instruments like FT-IR, UV-Spectrophotometer, HPLC, etc. The Institute also boasts of a state of art Animal House and Herbal Garden with useful medicinal plant species.

Objectives & Scope:

Natural products have long been developing well source for the discovery of new drugs due to their chemical diversity and ability to act on various biological targets. The phytochemical exploration of indigenous flora has contributed to some extent in this race for the discovery of new drugs. The Seminar is aimed for motivating the academicians and young researchers to achieve quality in education with Industrial orientation. The invited speakers are well renowned and great expertise in their respective fields. The seminar will provide a platform for interaction between students, researchers, academicians and expert from industry.

Poster Presentation

Abstracts should be appropriately structure & complete with the subheading, Title, Authors, Address, Email id, Objective, Methods, Result and Conclusion. The title should be written in capitals. Name of authors should start with Surname, followed by initials of first and middle name. Asterisk(*) the name of presenting author, Maximum 3 names are allowed. Abstracts of research or review paper comprising not more than 300 words. Type single space with font Times New Roman and letter size 12 in the abstract. The abstract can be submitted by email to

rjmadhu@aip.edu.in

Last date of abstract submission : 22nd July, 2019

Poster guidelines

Participants are requested to present posters of size 1.0x 1.2m. The content should be visible from a distance of at least 1.5m.

Note: 1st, 2nd and 3rd prizes will be distributed to winners.

Subject :

- Extraction, isolation and characterization of bioactive components from plants.
- Recent Advances in the Isolation and Structure Elucidation of Natural Products.
- Pharmaceutics
- Medicinal Chemistry/QA
- Pharmacology and pharmacognosy of Natural Products.
- Synthetic Methodologies & Total Synthesis of Biologically Active Natural products.

Eligibility

Pharmacy teachers/ Professionals/ B.Pharm M.Pharm students/ Research Scholars of all AICTE approved Pharmacy Colleges.
