MoU on
Mutual Academic Capacity Building
between
Atmiya University, Rajkot, India
and the
University of Miyazaki, Japan

Atmiya University, Rajkot India, and University of Miyazaki, Japan, are signing this Agreement in order to promote academic exchanges in education and research.

1. Under the existing law and other government rules and regulations of each country, both universities agree for mutual academic capacity building in various areas of education and research on the basis of equality and reciprocity:

- (1) Exchange of researchers and other research staff
- (2) Conducting collaborative research projects and organizing symposia
- (3) Exchange of research data and materials of joint research work
- (4) Exchange of research students & research scholars
- (5) Exchange of administrative staff
- (6) Co-Guideship by faculty members
- (7) Joint consultancy

2. Specific details on the development and implementation of particular exchanges noted above shall be negotiated and agreed between both universities, and carried out in accordance with the memorandum.

3. Expenses to be incurred in the implementation of this Agreement shall be the responsibility of each university, unless another arrangement is agreed upon by both universities.

4. Neither university shall be liable for any failure or delay to perform its part of this Agreement when such failure is due to Act of God, war, armed conflict, civil disturbance, legal restrictions, riots, insurrections, strikes, an earthquake, flood, fire, pandemic disease or any cause beyond the control of the universities; provided that a written notice of the commencement and cessation of the circumstances excusing performance shall be submitted as quickly as possible.

5. This Agreement shall not be construed as any transfer assignment or infringement of any intellectual property rights between the two universities, unless joint research work is done. Any necessary assignment or transfer of intellectual property rights or materials will be decided by the department involved at each institution and carried out in accordance with a separate agreement or contract, based on strict compliance with the relevant laws and treaties of the country concerned.

6. This Agreement will remain in effect for 5 (five) years from the date of signing, and is renewable thereafter for further five-year terms subject to mutual consent. This Agreement may be terminated by either university at any time by providing the other university with 6 (six) months notice (in writing) of the intent to terminate. This Agreement may be altered by mutual written consent of both universities at the terms of either

**Registrar

university. Modifications of the Agreement shall not become effective until they are agreed upon in writing by both universities.

7. This agreement shall be governed by and construed in accordance with the laws of India or Japan depending on where the implementation of the Agreement will take place. Each exchange participant shall be made aware that in a case where he or she violates the laws of the host country, the host university shall bear no responsibility for the person's actions.

8. This Agreement will be written in English, and each university will keep one copy. Any translation in any other language shall be for reference only and shall not bind the parties.

VIII. Annual Joint Seminar/ Conference/ Workshop/ Symposia hosted in alternate years by each university.

MoU on
Mutual Capacity Building of Students
between
Atmiya University, Rajkot, India
and the
University of Miyazaki, Japan

Atmiya University, Rajkot, India, and University of Miyazaki, Japan, are signing this agreement in order to promote mutual capacity building of students. The scope of this agreement will be but not limited to the following:-

1. Faculty led short term credit/ non credit courses for international immersion within or not in the curriculum.
2. One semester curriculum based immersions/for one year
3. Online courses
4. Guest Lectures
5. Online language courses viz. Japanese for Indian Students & English for Japanese students.

1. Duration of Stay

Duration of stay for students of both universities shall not exceed one year; however, an extension of up to an additional year is possible with the consent of both universities.

2. Number of Exchange Students

The number of exchange students participating from each university shall be determined by the mutual consent of the participating universities on a case by case basis and may vary in any given year.

3. Enrollment of Exchange Students

1. Students of Atmiya University will be registered as special audit students or special research students at University of Miyazaki and can attend lectures, seminars and tutorials.
2. Students of University of Miyazaki will be registered as audit students at Atmiya University and can attend lectures, seminars and tutorials.
3. Participating students will be subjected to the regulations of the host university.

4. Selection of Exchange Students

As a principle, both universities will select students for whom the host university can provide a suitable academic curriculum with an appropriate adviser for the students' major field of study.

Atmiya University, Rajkot-Gujarat-India

Registrar

**Atmiya University
Rajkot**

Page 4 of 33

5. Study Program

Exchange students will determine their study program at the host university in consultation with an academic adviser from their home university. The host university will evaluate their academic performance according to its own rules.

6. Academic Record and Accreditation

Exchange students will submit to the home university the academic record, certificate or diploma (or equivalent) obtained at the host university. The home university will accredit them according to its own rules.

7. Tuition Fees

Exchange students shall pay normal tuition and other fees to their home university in accordance with that university's rules and regulations. Each host university shall waive examination, matriculation, and tuition fees for exchange students, except intensive language courses.

8. Accommodation

The host university will assist students in finding accommodation at a reasonable cost.

9. Financial Responsibility

Exchange students will be responsible for their own expenses including travel expenses, accommodation costs and health insurance fees.

10. Insurance

Exchange students shall arrange for health insurance that provides coverage during the extent of their overseas stay, regardless of its length.

11. Obligation of Students to Return Home on Completion of Their Studies

Upon completion of an exchange student's studies at the host university, the exchange student shall return to the home university without fail. No extension of stay shall be permitted without the express authorization of the home university to the contrary.

12. Expulsion of Students

Each university reserves the right to expel any exchange student at any time for academic or personal misconduct in violation of its established regulations. Such expulsion shall first be discussed and agreed upon by both universities.

13. Duration and Amendment

This Memorandum will remain in effect for 5 (five) years from the date of signing, and is renewable

Atmiya University, Rajkot-Gujarat-India

thereafter for further five-year terms subject to mutual consent. This memorandum may be terminated by either university at any time by providing the other university with 6 (six) months notice (in writing) of the intent to terminate. This Memorandum may be altered by mutual written consent of both universities at the request of either university. Modifications of the Memorandum shall not become effective until they are agreed upon in writing by both universities.

14. Laws

This Memorandum shall be governed by and construed with in accordance with the laws of India or Japan depending on where the implementation of the Memorandum on Student Exchange will take place. Each exchange student shall be made aware that in a case where he or she violates the laws of the host country, the host university shall bear no legal responsibility for the person's actions.

15. Language of this Memorandum

This Memorandum will be written in English, and each university will keep one copy. Any translation in any other language shall be for reference only and shall not bind the parties.

Subject: Regarding issue of NOC for joining Sakura Science Exchange Programme.

Respected Sir,
Namaste!

I am happy to inform you that I **Dr. Shivani Patel** got selected in the JAPAN-ASIA Youth Exchange Programme - Sakura Programme in Science and Technology. The programme is scheduled for 7 days from 2nd September to 8th September 2019. It is the program for enhancing EXCHANGES BETWEEN ASIA AND JAPAN of the youths who will play a crucial role in the future field of science and technology through the close collaboration of industry-academia-government by facilitating short-term visits of competent Asian youths to Japan.

To apply for JAPAN VISA process **No Objection Certificate** from the current institute is required. Hence you are hereby requested to kindly issue the NOC letter for the same.

Hope you will very kindly accede to the request and will do the needful.

Thanking you

Day 2 - 3rd Sep 2019

Dr. Murakami Keisuke, VP
International Affairs, Global Support
Office, UOM, Japan

Meet **Prof. Murakami** in his office and discussed on the various student exchange programs.

- ✓ It is possible to invite up to 5 students (masters or Ph.D.) to UOM to register as exchange student.
- ✓ UOM will waive tuition and enrolment fee, however, interested candidate has to pay international airfare (around ¥ 110000, dormitory fee (¥ 4500 to ¥ 28000 per month based on type and availability of dormitory) and health insurance (1400¥ / month) and food expenses (max ¥ 15000/month).
- ✓ Prof. Murakami will prepare the data base of various professors of engineering and agriculture faculties.
- ✓ Dr. Madhyastha will prepare the profile of medical faculties professors.
- ✓ As first step interested candidate will search the suitable host and establish the contact and later GSO would facilitate further steps to be taken

Prof. Murakami answered the quires of the student

• What is the procedure to apply for Ph.D. or Masters programe?

There are 2 rounds of admissions to above programe. One is April admission and second one is October admission. Student has to contact UOM international office well in dance (6 month before) through email, ryugaku@of.miyazaki-u.ac.jp copy to hkumar@med.miyazaki-u.ac.jp

• Is any scholarship available for it or not ?

Government of Japan has MEXT scholarship through Japanese embassy at New Delhi. Or otherwise some private scholarship is also available based on the seniority of the students. Dr. Madhyastha will send the details of scholarship soon to Atmiya.

• For students having no scholarship are to do part time job?

Yes, possible but basic Japanese language knowledge is required.

• Will students interested in joining summer/winter course get any tuition fee waiver?

Summer and winter courses are different aspects all together. There is separate course fee and other details are available in following link: <http://www.of.miyazaki-u.ac.jp/~kokusai/english/index.html>

• If joining any course in UOM do has to pay tuition fee in both university?

No, student has to pay tuition fee to parent university. However maximum 5 students get tuition fee exemption.

• Can PG Sem III students apply for dissertation in UOM ? (only for 2-3 months duration?)

Yes, it is possible under MOU guidelines as SAP plan.
