Time:	11:50 am to 1:40 pm
Venue:	Classroom no 143
No. of Faculty present:	03
No. of Students present:	10

Description of the Club Activity carried out

Class: 01 Awareness about the Various Competitive Exams

- In a two-hour session, students receive comprehensive information on various government exams, including SSC CHSL, CGL, MTS, IBPS PO, and army-related exams like SSB, NDA, and CDS.
- The session covers exams conducted by different bodies like GPSC, UPSC, NTA NET, and CSIR NET, providing a broad spectrum of career opportunities.
- Students gain insights into exam patterns, eligibility criteria, syllabus, and preparation strategies tailored to each exam.
- The session encourages interaction, allowing students to ask questions, clarify doubts, and engage in discussions about their career aspirations.
- Expert guidance is offered to help students understand the significance of these exams in shaping their professional journey and achieving their goals.

Description of the Club Activity carried out:

Class: 02 Subject: English – One Word Substitution – Class 01

- The objective of the English activity was to enhance students' vocabulary by focusing on one-word substitutions.
- The outcome aimed at improving students' ability to express complex ideas concisely by using appropriate single words.
- The activity dealt with presenting students with sentences containing phrases or expressions, prompting them to replace those with a single word that conveys the same meaning.
- Through this activity, students were encouraged to think critically about the nuances of language and choose the most fitting word for each context.

Description of the Club Activity carried out

Class: 03 Subject: English – Synonyms – Class 01

- The objective of the English activity was to familiarize students with synonyms, which are words that have similar meanings.
- The outcome aimed at expanding students' vocabulary and improving their ability to express themselves more precisely by using different words with similar meanings.
- The activity dealt with presenting students with sets of words and asking them to identify synonyms from given options or to generate synonyms for specific words.
- Students were encouraged to explore the subtle differences in meanings between synonyms and understand when it's appropriate to use each one.
- The activity incorporated interactive exercises, discussions, and perhaps even games to make learning about synonyms engaging and memorable for students.

Description of the Club Activity carried out

Class: 04 Subject: English – Common Errors – Class 01

- Objective - To help students recognize and correct common errors in language usage.
- Outcome – To improve students' writing and communication skills by addressing frequent mistakes that often occur in spoken and written English.
- The activity dealt with presenting students with sentences containing errors such as grammatical mistakes, punctuation errors, or misuse of words.
- Students were tasked with identifying the errors in the sentences and correcting them, either individually or in groups.
- Feedback and explanations were provided by the teacher to ensure that students understood the nature of the errors and how to avoid them in the future, thereby reinforcing their understanding of proper language usage.

Description of the Club Activity carried out

Class: 05 History: The History of Modern India: The Arrival of Europeans

- Objective: The club activity aimed to educate students about the arrival of Europeans in modern India and its historical significance.
- Outcome: Students gained a deeper understanding of how European exploration and colonization shaped India's history and influenced its culture, economy, and politics.
- The activity involved interactive presentations, visual aids such as maps and illustrations, and possibly multimedia resources to engage students and make the topic more accessible.
- Students were encouraged to ask questions, participate in discussions, and share their perspectives on the impact of European arrival on Indian society.
- Through this activity, students developed critical thinking skills as they analyzed historical events and their repercussions, fostering a broader appreciation for the complexities of India's colonial past.

Description of the Club Activity carried out:

Class: 09 Reasoning class: Direction Class 01

Reasoning class: Direction Class 01

Objective: Familiarize students with the concept of direction and improve their reasoning skills related to directional concepts.

Outcome: Students develop a solid understanding of directions and their application in problem-solving scenarios.

The activity involved interactive discussions, visual aids, and practical exercises to explain concepts such as:

Cardinal directions (north, south, east, west)

Intermediate directions (northeast, northwest, southeast, southwest)

Relative directions (left, right, ahead, behind)

Students engaged in exercises like map reading, giving directions, and solving puzzles involving directional clues.

Through this activity, students honed their logical reasoning abilities and gained confidence in tackling problems requiring directional analysis.

Name of the Club:	Lakshya – The Competitive Exams club
Date:	30 December 2023
Main Coordinator:	Hardik H. Joshi
Co –Coordinators:	Ankit Lehru
Time:	11:50 am to 1:40 pm
Venue:	Classroom no 143
No. of Faculty present:	04
No. of Students present:	08

Description of the Club Activity carried out

Class: 10 Reasoning class: Direction Class 02

- Objective: Reinforce students' understanding of directional concepts and deepen their reasoning skills in navigating complex directional scenarios.
- Outcome: Students further consolidate their grasp of directions and enhance their ability to solve advanced problems involving spatial orientation.
- The activity employed advanced exercises, case studies, and real-world examples to delve deeper into directional reasoning.
- Students were challenged with tasks such as deciphering directional clues in puzzles, analyzing maps with intricate routes, and predicting directional changes in dynamic scenarios.
- Through this activity, students not only solidified their foundational knowledge but also developed higher-order thinking skills, such as problem-solving and strategic planning, in the context of direction-based challenges.
