Topic: Beyond the Barracks – Crafting character from campus to Republic Day prestige Speaker: Mr. Kacha Hardik Ajitbhai (8th sem B. Pharm)

The Student is an NCC Cadet who has represented Atmiya University at Republic Day Parade at New Delhi. The topic of the session revolved around core life habits which one should apply in the life to lead to a commendable life. These habits will inculcate a sense of discipline and will make you more focused in achieving your goal. He learned and experienced many success centric habits throughout his NCC life, which he enthusiastically shared with peers.

This topic was useful because it will aid many students and faculty members to shape their future in a more perfect & successful way. To prove the credibility of the talk, he connected with his real life experiences of NCC.

The Session was attended by Dr. G. D. Acharya, Professor Emirates, Mrs. Parul Mandaviya Coordinator - Centre for Students & customer Initiatives, Dr. Parag Rabara Sir, Cluster

Coordinator, Dr. Falgun Dhabaliya, HoD Pharmacy Department and Faculty Members of Pharmacy Department and 126 Students of B. Pharmacy Department and 126 Students of B. Pharmacy Department and 126 Students of B. Pharmacy Department and 126 Students of B.

event:

 Women Empowerment Cell Organized Guest Talk on "Advancing Menstrual Literacy for Women's Empowerment "on 6thMarch2024. The forum has arranged discussions on the menstrual cycle for students and faculty to promote awareness, and education on an important aspect of reproductive health.

- The event commenced with the serene practice of Om Chanting, followed by a welcoming address. Guests were honored with books and provided with a concise introduction as part of the reception protocol.
- The Guest speaker was Mrs. Shradha Dev Pandya from Pagbhar Organizations. She gave a presentation explaining menstrual problems, blood colors during the cycle and its effects, and the varieties of sanitary pads in the market. She gave great emphasis on the harmful effects of sanitary pads in the market. She also elaborated on the deleterious effects of phthalates and VOC on the body and reproductive parts. Finally, she introduced their product 'PAGBHAR PADS". They sell pads with Organic cotton surface, perfume-free, plastic-free, and belching-free process which not only gives care, but a perfect health assistant for menstrual and vaginal health. With the Nobel prize-winning graphene chip, Pagbhar provides women with what they need.
- The pads are disposable which is 40% biodegradable to the environment and 100% suitable for any woman. They also shared the scheme offered by their organization. They give a stipend to the member who joins their team and give an opportunity to earn. The anchor of the whole program was Dr.Rachana. The event ended with a vote of thanks given by Dr.Samixa Patel.

Seminar "Building Wealth Brick by Brick"

Title of Expert talk : "Building Wealth Brick by Brick- A seminar on Systematic Investment Plan"

Name of Expert :

1. CA Ankit Kothari

Date : 04/03/2024

Venue : Seminar Hall- B wing

Total Participants: 34

Details of Participants : 34 (Faculty members)

Coordinator of the event: : Dr. Alpa Joshi, Associate Professor, Commerce Department

- Women Empowerment Cell& Centre for research, Innovation & Translation, Atmiya University, Rajkot, Jointly Organized an Expert talk on "Building wealth brick by brick" on 4thMarch 2024.
 The speaker of the Seminar was CA Ankit Kothari from ICAI Rajkot
- The Seminar was organized for students and faculties to enlighten the Faculties, Research
 Scholars and interested participants on various schemes of systematic investment plans. Seminar
 was started with Om Chanting, welcome speech and brief introduction of our speaker CA Ankit
 Kothari.
- In this really interesting seminar led by CA Ankit Kothari, everyone was hooked right from the start when he talked about what's happening in the stock market. He explained it so well, making it easy for everyone to understand.
- Then, Mr.Kothari talked about systematic investment plan (SIP) schemes. It's like a strategy for
 investing money regularly. Mr. Kothari talked about different SIP schemes, giving us a lot of good
 advice on how to invest wisely.
- Mr.Kothari also talked about whether it's better to invest through SIP schemes or directly in the stock market. It was cool to hear him weigh the pros and cons of each, helping us figure out what's best for us.

- After that, people had a chance to ask questions. Ankit Kothari answered them all really well, using his experience to give helpful advice.
- By the end of the seminar, everyone felt like they learned a lot. It was like a light bulb moment for many of us, feeling more confident about investing our money wisely.

Learning from Life Journey of an Academician

Report of Expert Talk 2024

Date: 06/02/2024

Time: 11:50 a.m. – 01:30 p.m.

Venue: Atmiya University (Auditorium-1) - Rajkot

Introduction:

The expert talk on the life journey of Prof. Natarajan Muthuswamy provided an insightful exploration of his experiences and achievements in the academic realm. The session aimed to inspire and educate attendees on the challenges and successes one may encounter in a distinguished academic career.

Background of Prof. Natarajan Muthuswamy:

Prof. Natarajan Muthuswamy is member of the Leukemia Research Program at the OSUCCC – James, where his research focuses on several areas, including biological therapies for hematologic malignancies, the development and characterization of clinically relevant animal models of lymphoid malignancies and targeted delivery of RNA-based therapeutics in lymphoid and myeloid malignancies. His contributions to Cancer Biology and Molecular Biology have been widely recognized, making him a distinguished figure in academia.

Key Insights and Lessons:

1. Passion for Research and Learning:

• Prof. Natarajan Muthuswamy emphasized the importance of a genuine passion for research and continuous learning. His own journey reflected a deep curiosity that fueled his academic pursuits.

2. Mentorship and Collaborations:

 The talk highlighted the role of mentorship in Prof. Muthuswamy's career. He shared anecdotes about significant mentors who guided him and underscored the importance of collaboration in academic endeavors.

3. Navigating Challenges:

Attendees gained insights into the challenges Prof. Muthuswamy faced throughout his career
and how he navigated them. This included discussions on securing research funding, overcoming
academic hurdles, and adapting to evolving methodologies.

4. Balancing Teaching and Research:

Prof. Muthuswamy discussed strategies for effectively balancing teaching responsibilities
with research commitments. His insights provided valuable guidance for early-career
academicians striving to excel in both areas.

5. Impactful Research and Publications:

• The talk delved into Prof. Muthuswamy's notable research contributions and the process of publishing impactful papers. Attendees gained an understanding of the rigorous standards and innovative thinking required in academic publishing.

6. Evolution in Academia:

• Prof. Muthuswamy shared his observations on the evolving landscape of academia, including technological advancements, interdisciplinary collaboration, and the growing emphasis on practical applications of research.

Interactive Q&A Session:

The expert talk concluded with an engaging Q&A session, where participants had the opportunity to ask Prof. Muthuswamy about specific aspects of his journey and seek advice on their own academic pursuits.

Conclusion:

The expert talk on the life journey of Prof. Natarajan Muthuswamy provided a rich tapestry of experiences, offering valuable insights for aspiring academicians. Attendees left with a deeper understanding of the dedication, resilience, and intellectual curiosity required for a successful career in academia.

We Department of Computer Engineering, Atmiya University would remain thankful to Prof. Natarajan Muthuswamy sir for giving an Expert Talk on Learning from Life Journey of an Academician to our students.

Chief coordinator:

Yagnesh Makawana (Assistant Professor, Department of Computer Engineering)

Co-coordinator:

Tosal M. Bhalodia (Head, Department of Computer Engineering)

Event	Visit to Regional Vaccine Warehouse – Saurashtra-Kutch
Date	02/02/2024
Venue	Regional Vaccine Warehouse - Rajkot
Total Participants	49
Details of Participants	B.Pharm (Sem. III) Students

School of Pharmaceutical Sciences, FoHS, Atmiya University, Rajkot, organized a visit to regional vaccine warehouse students on 2nd February, 2024 for the students of 3rd semester B.Pharm.

The visit started with meeting the co-ordinator person there at warehouse Mr. Jaydeep Dodiya. Mr. Jaydeep Dodiya explained about the facilities, numbers of instruments, staff members, grant and support received from government and the regions to which the vaccines are supplied from the warehouse.

Then students in the group of 15 visited the vaccine storage instruments turn by turn, where they explained the labelling of vaccines, different types of storage conditions, types of temperature sensors attached to vaccine ampoules, types of packaging etc. in detail.

They also shared their hectic but learning experience of covid-19 time and how they managed to work tirelessly 24*7 at the vaccine centre.

They have also received one big storage instrument during covid time from the UNICEF, which is of very large capacity and with highly sophisticated technology.

As the students of 3rd semester B.Pharm are also studying Pharmaceutical Microbiology as a part of their regular curriculum, this visit has definitely aided into their learning. All received much information regarding the overall cycle of Vaccine starting from its manufacturing to the final consumers (patients).

Activity Report

Objective:

The primary objective of the session was to impart knowledge on pyschology and showcase a practical experiment so that the students can see and experience the results first hand.

On the first day, 1st February, 2024, the students were taught about various subjective topics of psychology. On the second day, 2nd February, 2024, a practical experiment was conduced on the basis of Trial and Error Theory. It proved the hyothesis that as the number of trials increase, the number of errors decrease. This theory is based on the daily learning method.

These sessions helped the students understand the Trial and Error Theory better as they had the chance to eperience it and observe the results closely. This practical session will ga-ive the students a chance to enhance their academic performance.

Activity Report

Social Activity: No Drug Complain

Report

On January 18th, 2024, the M.Com and IMBA-6 classes spearheaded a significant "No Drug" campaign, with active participation from both faculty members and student volunteers. This initiative aimed to shed light on the serious issue of substance abuse and its harmful consequences on individuals' health and academic performance.

The campaign was designed to raise awareness about the risks associated with drug use, emphasizing how it negatively impacts physical and mental well-being, as well as impairs academic achievements and overall productivity. Through a series of informative activities, including presentations, discussions, and distribution of educational materials, the campaign sought to educate students and the wider community about the dangers of substance abuse and the importance of maintaining a drug-free lifestyle.

Faculty members played a crucial role in guiding and supporting the campaign, while student volunteers actively engaged in organizing and executing the various elements of the event. The collaborative effort aimed not only to inform but also to encourage positive behavioral changes, ultimately fostering a healthier and more supportive academic environment. This initiative underscored the commitment of the M.Com and IMBA-6 classes to addressing critical social issues and promoting well-being within the community.

"No Drugs Campaign" Awareness Program

To, The Registar, Atmiya University, Rajkot

Jai Hind Sir,

I am writing to you on behalf of Invincible - Youth run NGO. Invincible is India's largest adventure organization. We are having MoU with Atmiya University for youth empowerment.

Invincible has initiated the 'No Drugs Campaign' with the objective of fostering awareness regarding drug abuse and cultivating a drug-free environment. As part of this campaign, The team has organized a 1100 km cycling and bike ride to engage with the youth across Gujarat. The expedition is set to kick off on January 17, and will culminate on January 26 in Ahmedabad. Over the course of these 10 days, the team will visit various educational institutions to educate and sensitise students on the critical issue of drug abuse.

It is very important that students and youth become aware of drug abuse and its long-term impacts. We are planning to organize 75+ awareness seminars at various schools and colleges during ride. We kindly request to allow us to organise "Drug Awareness" seminar for students. We need approximate 1 hr to conduct this seminar. Additionally, we have planned a Human Chain event at the race course on the same day. We kindly request permission for students to participate in this event. On the same day, January 18th, we have organized a Cyclothon for Drug Awareness. We kindly request the provision of the ground for the flag-off ceremony for this event in the evening. This permission to interact with students would aware them and provide a much-needed boost to our awareness campaign efforts.

Willing for a your support! Jai Hind! Yours Sincerely,

Outreach

Respected Sir, Greetings of the day!

Subject: Proposal for carrying out 'No Drugs Campaign'

Atmiya University is having MoU with Invincible NGO. Invincible has initiated the 'No Drugs Campaign' with the objective of fostering awareness regarding drug abuse and cultivating a drugfree environment. Proposal of the campaign by Invincible NGO is attached with this. They have planned 2 events in Rajkot City on 18th January 2024, Thursday in which they need participation of students from Atmiya University.

Event 1: UnChain Human Chair Over 2200 people are expected to gather at the Race Course at 07:00 AM to 08:30 AM, demonstrating commitment and unity towards drug awareness. The participation of over 150 students from Atmiya University, expressing their commitment to a drug-free society is anticipated. The event will be inaugurated by Additional Commissioner Vidhi Chaudhary.

Event 2: Youth Conference

A youth conference is planned at Atmiya University from 11:00 AM to 12:30 PM. To discuss the drug problem distinguished guest panelists from various fields are invited. This panel discussion will provide students with insights into the real scenario of drug abuse and its solutions. The participation of over 300 students from Atmiya University is anticipated.

Guest Panelists:

1. Shree Parthrajsinh Gohil, IPS (Dy. Commissioner, Crime and SOG)

2. Colonel P. P. Vyas (Indian Army Veteran)

3. Rushiraj Mori (Youth Icon & Founder, Invincible NGO)

4. Dr. Rajesh Ram (Not Confirmed) (De-addiction Specialist)

Report On

'No Drugs Campaign'
In Collaboration with Invincible NGO
Youth Conference

Date: 18/01/2024

Venue: Auditorium-1, Atmiya University, Rajkot

No. of Students Participated: 188

Youth Brigade Coordinator: Mr. Yuvrajsinh B. Kanchava

Permission Letter:

"No Drugs Campaign" Awareness Program

To, The Registar, Atmiya University, Rajkot

Jai Hind Sir,

I am writing to you on behalf of Invincible - Youth run NGO. Invincible is India's largest adventure organization. We are having MoU with Atmiya University for youth empowerment.

Invincible has initiated the 'No Drugs Campaign' with the objective of fostering awareness regarding drug abuse and cultivating a drug-free environment. As part of this campaign, The team has organized a 1100 km cycling and bike ride to engage with the youth across Gujarat. The expedition is set to kick off on January 17, and will culminate on January 26 in Ahmedabad. Over the course of these 10 days, the team will visit various educational institutions to educate and sensitise students on the critical issue of drug abuse.

It is very important that students and youth become aware of drug abuse and its long-term impacts. We are planning to organize 75+ awareness seminars at various schools and colleges during ride. We kindly request to allow us to organise "Drug Awareness" seminar for students. We need approximate 1 hr to conduct this seminar. Additionally, we have planned a Human Chain event at the race course on the same day. We kindly request permission for students to participate in this event. On the same day, January 18th, we have organized a Cyclothon for Drug Awareness. We kindly request the provision of the ground for the flag-off ceremony for this event in the evening. This permission to interact with students would aware them and provide a much-needed boost to our awareness campaign efforts.

Willing for a your support! Jai Hind! Yours Sincerely,

12 Tern

WSS (Y)

To, The Registar, Atmiya University

Respected Sir, Greetings of the day!

Subject: Proposal for carrying out 'No Drugs Campaign'

Atmiya University is having MoU with Invincible NGO. Invincible has initiated the 'No Drugs Campaign' with the objective of fostering awareness regarding drug abuse and cultivating a drugfree environment. Proposal of the campaign by Invincible NGO is attached with this. They have planned 2 events in Rajkot City on 18th January 2024, Thursday in which they need participation of students from Atmiya University.

Human chair Over 2200 people are expected to gather at the Race Course at 07:00 AM to 08:30 AM, demonstrating commitment and unity towards drug awareness. The participation of over 150 students from Atmiya University, expressing their commitment to a drug-free society is anticipated. The event will be inaugurated by Additional Commissioner Vidhi Chaudhary.

Event 2: Youth Conference

A youth conference is planned at Atmiya University from 11:00 AM to 12:30 PM. To discuss the drug problem distinguished guest panelists from various fields are invited. This panel discussion will provide students with insights into the real scenario of drug abuse and its solutions. The participation of over 300 students from Atmiya University is anticipated.

Guest Panelists:

- 1. Shree Parthrajsinh Gohil, IPS (Dy. Commissioner, Crime and SOG)
- 2. Colonel P. P. Vyas (Indian Army Veteran)
- 3. Rushiraj Mori (Youth Icon & Founder, Invincible NGO)
- 4. Dr. Rajesh Ram (Not Confirmed) (De-addiction Specialist)
- 5. Dr. Hemraj Tank / Mr. Vijay Chauhan (Atmiya University Representative)

Thanking You,

Yuvrajsinh B. Kanchava NSS Programme Coordinator

Details of the Event: Youth Conference

A youth conference was planned at Atmiya University from 11:00 AM to 12:30 PM. To discuss the drug problem distinguished guest panelists from various fields were invited. The panel discussion provided students with insights into the real scenario of drug abuse and its solutions. 200 students from Atmiya University participated in it.

Guest Panelists:

- 1. Shri. D. B. Kher (SOG)
- 2. Colonel P. P. Vyas (Indian Army Veteran)
- 3. Mr. Amiraj Khavad (Assistant commissioner)
- 4. Mr. Rushiraj Mori (Youth Icon & Founder, Invincible NGO)
- 5. Dr. Ghanshyam D. Acharya (Professor Emeritus, Atmiya University)
- 6. Mr. Vijay Chauhan (Asst. Prof. Department of Pharmacy, FoHS, Atmiya University)

Mr. Amiraj Khavad (Assistant commissioner) discussed about the cases of youth involved in drugs consumption of buying & selling coming to the police department.

Dr. Ghanshyam D. Acharya placed emphasis on the values and relationships. He shared about how a person can keep away from drugs and other substance abuse by having a strong hold on values and good relationships within the family, friends, peers, colleagues and teachers.

Mr. Rushiraj Mori shared about the entire initiative for eradicating the substance abuse and drugs consumption all over the nation taken up by the Invincible NGO.

Mr. Vijay Chauhan discussed about the profound effects of drugs on the brain's neurotransmitter systems, including dopamine and other hormones. Here's a summary of how different classes of drugs impact the systems:

Dopamine

Stimulants (e.g., cocaine, amphetamines):

- Mechanism: Increase dopamine release and/or block its reuptake, leading to higher dopamine levels in the brain.
- Effects: Enhanced mood, increased energy, and feelings of euphoria. Long-term use can lead to addiction, tolerance, and depletion of dopamine, causing depression and anhedonia (inability to feel pleasure).

Opiates (e.g., heroin, morphine):

- Mechanism: Bind to opioid receptors, indirectly increasing dopamine levels by inhibiting the release of GABA (an inhibitory neurotransmitter).
- Effects: Pain relief, euphoria, and a sense of well-being. Long-term use can lead to physical dependence and addiction.

Cannabis:

- Mechanism: THC (the active component) binds to cannabinoid receptors, indirectly affecting dopamine release.
- Effects: Mild euphoria, relaxation, and altered perception. Chronic use can lead to changes in brain function and potential cognitive impairments.

Serotonin

Antidepressants (e.g., SSRIs like fluoxetine):

- Mechanism: Block the reuptake of serotonin, increasing its availability in the brain.
- Effects: Improved mood and reduced symptoms of depression and anxiety. Can take weeks to become effective.

MDMA (Ecstasy):

- Mechanism: Increases the release and inhibits the reuptake of serotonin.
- Effects: Enhanced mood, empathy, and sensory perception. Can lead to serotonin depletion and neurotoxicity with long-term use.

Norepinephrine

Stimulants (e.g., amphetamines):

- Mechanism: Increase the release and block the reuptake of norepinephrine.
- Effects: Increased alertness, focus, and energy. Can cause anxiety, hypertension, and insomnia with excessive use

Antidepressants (e.g., SNRIs like venlafaxine):

- Mechanism: Block the reuptake of norepinephrine and serotonin.
- Effects: Improved mood and energy levels. Can lead to side effects such as increased heart rate and blood pressure.

GABA

Benzodiazepines (e.g., diazepam, alprazolam):

- Mechanism: Enhance the effect of GABA, an inhibitory neurotransmitter.
- Effects: Reduced anxiety, sedation, and muscle relaxation. Long-term use can lead to tolerance, dependence, and withdrawal symptoms.

Alcohol:

- Mechanism: Enhances GABA activity and inhibits glutamate (an excitatory neurotransmitter).
- Effects: Relaxation, reduced anxiety, and impaired motor function. Chronic use can lead to dependence, tolerance, and various health issues.

Endorphins

Opiates:

- Mechanism: Mimic the action of endorphins by binding to opioid receptors.
- Effects: Pain relief, euphoria, and a sense of well-being. Can lead to addiction and physical dependence.

Hormonal Effects

Corticosteroids:

- Mechanism: Mimic cortisol, the body's stress hormone.
- Effects: Reduced inflammation and immune response. Long-term use can lead to weight gain, osteoporosis, and other metabolic changes.

Anabolic Steroids:

- Mechanism: Mimic testosterone, promoting muscle growth and increased strength.
- Effects: Increased muscle mass and strength. Long-term use can lead to hormonal imbalances, mood swings, and various health risks.

The effects of drugs on dopamine and other hormones are complex and vary depending on the substance, dosage, and duration of use. While some drugs can offer therapeutic benefits, others pose significant risks of addiction, dependence, and long-term health issues. Understanding these effects is crucial for developing effective treatments and harm reduction strategies.

Reports

The Department of Commerce planned movie showing of '12th Fail' on January 9th, 2024 turned out to be more than just an average cinematic experience for the pupils. The digital Media Committee's event not only entertained but also strongly resonated with the audience. The Movie, made by a great young filmmaker, eloquently captures the highs and lows of the trip through high school. '12th Fail' captures the wide range of feelings that adolescents experience during this critical period in their life, touching on subjects such as friendship, love, academic pressure, and self-discovery.

What distinguishes this film is its relatability; students found themselves nodding along, smiling, and sometimes crying at scenes that echoed their own experiences. The characters were well-developed, with each reflecting a distinct aspect of high school life, making it simple for the viewer to relate with and empathize with them. The screening was followed by an interesting post-film conversation in which students were able to express their ideas and comments on the film. Many people liked the realistic representation of the difficulties they experience, and it served as a reminder that it's normal to stumble on the route to success.

The event effectively fostered a sense of camaraderie among the students, creating an atmosphere in which they felt comfortable addressing their personal worries and hopes. It also sparked a discussion about the significance of mental health, as the film dealt sensitively with the pressures and expectations that students frequently face during their academic careers.

This event was a success and a benefit to the students, thanks to the persistent efforts of faculty coordinators, and it inspired them to discover a purpose in life and strive for it.

Participation at State Level Conference of ICAI Report

After signing the MoU with The Institute of Chartered Accountants of India (ICAI), the selected students from the department of commerce studying in M.Com and B.Com. were motivated and sponsored by Atmiya University to participate in the State level CA Students Conference named 'ANANT - Learning Never End' held on the 16th and 17th of December, 2023 at the Rajkot chapter of WIRC (Western India Regional Council) of ICAI.

The Department selects students based on their active participation in university/departmental activities, academic achievement, and enthusiastic approach toward new learning possibilities. Exceptionally chosen students enthusiastically participated in all sessions on both conference days. Apart from that, on the first day, a student called Nirav Vaghela performed in the conference's cultural program and received a standing ovation from the audience. Our students' earnestness and engagement have been recognized by the head of the Rajkot chapter of WIRC of ICAI.

The kids had a good time and shared their knowledge. They are appreciative for the opportunity that has been provided to them.

The Department of Commerce is grateful to the Rajkot chapter of WIRC of ICAI WIRC for allowing our students to participate. Dr. Parth Dave and Mr. Shrey Bhupatkar of the Department of Commerce have been recognized for their initiative and efforts.

DEPARTMENT OF COMMERCE ORGANISES

Expert Talk on Amrut Kangen Water

DATE: 11-10-2023

The expert talk of Amrut Kangen has been organized by the Faculty of Business and Commerce for the benefit of the students of and BCOM semester III and V on 11th October, 2023. The purpose behind this expert session was to make aware students about the benefits of water and healthy water for our human body. The session was divided into 3 parts, first students were motivated through motivational speakers. In the second part the value and importance of water and kangen water has been explained and lastly a practical demo was given.

Enagic, founded in 1974, is a leading manufacturer of high-quality water ionizer systems, focusing on the human body's 70% water content. The company offers safe water for health, beauty, cleaning, and cuisine. Enagic is an integrated development, manufacturing, sales, and service company of alkaline ionizer technology. The company aims to merge high technology with personal relationships to promote water and health. Enagic distributes hundreds of thousands of Kangen Water machines worldwide, assembled by artisans and inspected, tested, and certified by QC engineers. The company's corporate philosophy is based on three true health principles: realizing physical health through pure drinking water, realizing physical wealth through wealth development, and realizing mental health through personal growth. Enagic is the only water filtration and alkaline-ionizer Distribution Company in the world with its own OEM manufacturing facility in Japan and ISO certified quality control processes. The company believes in empowering people through direct-sales marketing and supports its independent distributors in building personal wealth.

A Report on Ignite Session 67

Venue: Seminar Hall B wing, Main Building, Atmiya University.

Topic - Food Adulteration: Milk, Ghee, Spices

Organized by: CSCI in association with department of Chemistry

Cluster – 3, Physical Sciences

Date: 29/09/2023

Time: 10:00 am to 11:00 am

Venue: Seminar Hall, Room No. 425, B-Wing, Main Building, Atmiya University.

Chief -Convener: Mr. G. D. Acharya

Convener: Ms. Parul Mandaviya

Co Convener: Dr. Satishkumar D. Tala No. of students attended the Session: 161

Objective:

IGNITE Session was organized by Centre for Students & Customer Initiatives (CSCI) in association with Department of Chemistry on 29th September. 2023. Food Adulteration: Milk, Ghee, Spices

Objectives of the program

- To disseminate the knowledge/Information acquired by the students by attending various Student Development Programs, Workshops, Seminars/Webinars regarding new development in the field of academics as well as latest emerging technologies and development in the industry among fellow students.
- Exploring new avenues which includes passion, fun & excitement areas.
- Improving Communication Skills, Presentation Skills, Public speaking skills and leadership skills thereby increasing confidence level in them.
- To encourage peer learning activities and knowledge sharing among Interdisciplinary and Trans-disciplinary students.

Topic – Chemistry on Food Adulteration: Milk, Ghee, Spices

Presented by -Ms. Krishna R. Trivedi & Ms. Twinkle K. Nakum of M.Sc. Chemistry Sem-3.

The topic include adulteration and its detection using simple methods in everyday life products.

The topic explains how people use to adulterate the everyday life products.

Types of adulteration

Hazards of Adulteration in food products

Simple but efficient techniques in detection of daily use product using house hold things,

Krishna and Twinkle explained case study of finding pure and adulterated Milk, Ghee and Spices using protocols of Food Safety and Standards Authority of India (FSSAI).

At the end of talk they have displayed video recording of the same test to further understand the topic.

It was a very enlightening session for all the students of Chemistry and BCA students. The Session was attended by - The session was attended Dr. Co.D. Acharya (Professor Emirates), Mrs. Parul Mandaviya, Coordinator - Center for Students and Customer Initiatives (CSCI), Dr.

Ignite Session - 67

Date:29-09-2023 Cluster:Cluster 3

Student speaker: Ms. Krishna R. Trivedi, Ms. Twinkle K. Nakum

Topic: Food Adulteration: Milk, Ghee, Spices

SDG goals addressed are:

SDG Goal addressed	Logo
Good Health and Well-Being (SDG 3): Consuming hazardous substances can have long-term health impacts and increase the risk of foodborne infections due to food adulteration. SDG 3: Ensuring healthy lives and promoting well-being for all at all ages is closely linked to the goals of protecting food safety and fighting adulteration in milk, ghee, and spices.	3 GOOD HEALTH AND WILL-BEING
Zero Hunger (SDG 2): Food adulteration exacerbates food insecurity and malnutrition by lowering the nutritional content and safety of food products. Resolving food adulteration contributes to SDG 2's goals of eradicating hunger, attaining food security, enhancing nutrition, and advancing sustainable agriculture by ensuring that everyone has access to sufficient, healthy, and safe food.	2 mo modes
Decent Work and Economic Growth (SDG 8): Adulterating food poses a threat to the lives of truthful producers and traders, while providing advantages to those who participate in dishonest activities. Fighting food adulteration advances fair trade principles, safeguards small-scale farmers' and producers' livelihoods, and advances the objectives of Sustainable Development Goal 8	8 DESENT WORK AND DEDWORD GROWTH
Responsible Production and Consumption (SDG 12): Food adulteration lowers the quality and safety of food products, which leads to wasteful consumption behaviors. The goal of SDG 12—ensuring sustainable patterns of consumption and production—is supported by the promotion of food safety and the fight against adulteration, which fosters responsible patterns of consumption and production.	12 RESPONSIBLE CONSUMPTION AND PRODUCTION
Partnerships for the Goals (SDG 17): Governments, businesses, consumers, and civil society organizations must work together to combat food adulteration. Strengthening global partnerships for sustainable development is one of SDG 17's objectives,	17 PARTINERSHIPS FOR THE GOALS

Objective:

IGNITE Session was organized by Atmiya University for the students under the banner of Institutions Innovation Council on 26th Sept. 2023. It was organized in association with the Department of Microbiology.

Objectives of the program

- To disseminate the knowledge/Information acquired by the students by attending various
 Student Development Programs, Workshops, Seminars/Web inars regarding new
 development in the field of academics as well as latest emerging technologies and
 development in the industry among fellow students.
- Exploring new avenues which includes passion, fun & excitement areas.
- Improving Communication Skills, Presentation Skills, Public speaking skills and leadership skills thereby increasing confidence level in them.
- To encourage peer learning activities and knowledge sharing among Interdisciplinary and Trans-disciplinary students.

Brief introduction about the various topics presented –

1. Unlocking the Value of Waste Water

By-Ms. Janvi Chanpa (M.Sc. Sem. I, Microbiology)

The purpose of this research article is to provide a forum for the public to discuss the challenges of wastewater treatment and how they can contribute to the sustainable management of wastewater. As the population is growing it has become the necessity for recovering and reusing waste water resources by different means and biotechnologies. This discussion will provide a route to teachers and students towards how waste water can be reused in agricultural fields, for generating energy, etc. Overall, it leads us toward the understanding of how we can make the best from the waste

2. How to Overcome Depression

Depression is a mental health condition that can cause persistent feelings of sadness, Hopelessness, and a loss of interest in activities. Topic:Unlocking the Value of Waste water

SDG goals addressed are:

SDG Goal addressed	Logo
Clean Water and Sanitation (SDG 6): "Unlocking the Value of Wastewater" focuses on the objective of SDG 6 which is to guarantee that water and sanitation are accessible and sustainably managed for everyone. This project contributes to SDG 6's goals by treating and recycling wastewater, which lessens water scarcity, enhances water quality, and improves sanitation services.	6 CLEAN WATER AND SANITATION
Sustainable Cities and Communities (SDG 11): As stated in SDG 11, sustainable wastewater management helps to create cities and communities that are resilient, safe, and sustainable.	11 SUSTAINABLE CITIES AND COMMUNITIES
Making cities inclusive, safe, resilient, and sustainable is the aim of SDG 11, which this effort helps by lowering pollution and improving urban water security. Climate Action (SDG 13): "Unlocking the Value of Wastewater" can help lessen the effects of climate change by lowering the energy required for traditional water treatment methods and the extraction of freshwater.	11 SUSTANABLE CITIES AND COMMANDIES
Life Below Water (SDG 14): Preventing marine pollution and safeguarding aquatic habitats are two benefits of effective wastewater management that assist achieve SDG 14's objective of conserving and exploiting marine resources sustainably. SDG 14's goals of protecting marine biodiversity and ecosystem health are supported by this program, which lowers the amount of pollutants discharged into water bodies.	14 LIFE BELOW WATER
Life on Land (SDG 15): By lowering pollution and promoting sustainable farming methods, wastewater treatment and reuse can improve terrestrial ecosystems. This program supports the safe use of treated wastewater in agriculture and land restoration, which helps achieve SDG 15's aim of safeguarding, rehabilitating, and encouraging the sustainable use of terrestrial ecosystems.	15 LIFE ON LAND
Collaborations towards the Goals (SDG 17): Unlocking the value of wastewater and adopting sustainable practices require cooperation between governments, corporations, academic institutions, and civil society.	17 PARTNERSHIPS FOR THE GOALS

Topic: How To Overcome Depression

SDG goals addressed are:

SDG Goal addressed	Logo
Well-being and Good Health (SDG 3): The goal of SDG 3—ensuring healthy lives and fostering well-being for all at all ages—is furthered by overcoming depression, which enhances mental health and well-being. Having access to appropriate therapies, support networks, and mental health services can help people manage their depression and achieve better overall health results.	3 GOID HEALTH AND WILL-EING
Good Education (SDG 4): By addressing depression in classrooms, educators may help students' mental health and general wellbeing, which will boost their capacity to study and achieve academic success. The goal of SDG 4 is to promote inclusive and equitable quality education for all students. Educational institutions can achieve this goal by supporting students experiencing depression and raising awareness of mental health literacy.	4 DUALITY EDUCATION
Gender Equality (SDG 5): Depression affects people of all genders, while societal and cultural variables that affect gender equality may also have an impact. The goal of SDG 5 is to achieve gender equality and empower all women and girls. Overcoming depression contributes to this goal by addressing gender-specific risk factors and offering equitable access to mental health treatments.	5 EMBER EDWALTH
Decreased Inequalities (SDG 10): People who are marginalized—such as those who are poor, face discrimination, or are socially excluded—are disproportionately affected by depression. The goal of SDG 10, which is to reduce disparities within and between nations, is furthered by efforts to combat depression by addressing the socioeconomic determinants of mental health and increasing inclusive access to mental health care.	10 REDUCED NETWORKS

Ignite Session - 63

Date:31-08-2023

Cluster:Cluster 4

Student speaker:Ms. Dave Khushali,Ms. Davadra Poorvi Topic:Digital

Marketing: Ability To Grow Your Career Digitally

SDG goals addressed are:

SDG Goal addressed	Logo
Decent Work and Economic progress (SDG 8): By utilizing digital platforms and technologies, digital marketing generates chances for employment, entrepreneurship, and economic progress. Digital marketing supports SDG 8's objective of fostering full and productive employment, sustained, inclusive, and sustainable economic growth, and decent work for all by offering chances for remote work, freelance labor, and the development of digital skills.	8 DECENT WORK AND ECONOMIC GROWTH
High-quality education (SDG 4): Digital marketing platforms facilitate the acquisition of digital marketing skills by providing educational materials, online courses, and skill development initiatives. Digital marketing helps achieve SDG 4: guaranteeing accessible and equitable quality education and promoting chances for lifetime learning for all people. It does this by supporting digital literacy, vocational training, and opportunities for lifelong learning.	4 QUALITY EDUCATION
Industry, Innovation, and Infrastructure (SDG 9): Digital marketing transforms how businesses interact with consumers and markets by fostering innovation in business models, technologies, and marketing tactics. Digital marketing helps to achieve SDG 9's aim of promoting inclusive and sustainable industrialization and fostering innovation by supporting digital entrepreneurship, digital infrastructure development, and innovation in marketing strategies.	9 INDUSTRY, INNOVATION AND INFRASTRUCTURE
Gender Equality (SDG 5): Women who encounter obstacles in traditional employment can benefit from digital marketing's flexible work schedules and remote job alternatives. Digital marketing supports SDG 5's objective of attaining gender equality and empowering all women and girls by offering equitable access to tools, training, and employment opportunities.	5 GENDER EQUALITY
Partnerships for the Goals (SDG 17): Building a supporting ecosystem for digital marketing and advancing the development of digital skills require cooperation between governments, corporations, academic institutions, and civil society organizations. SDG 17: Strengthening global relationships for sustainable development is one of the goals that digital marketing helps to achieve through promoting collaborations, knowledge sharing, and capacity building efforts.	17 PARTNERSHIPS FOR THE GOALS

Name of the Club: Health and Wellness 'NIRAMAYA'

Date: 26/08/23

Main Coordinator: Dr. Archana Cholera

Co-Coordinators: 1. Dr. Krishna Joshi 2. Dr. Shweta Bhatt

Time: 11:50 am to 1:40 pm

Venue: Room no. 51, Basement, B wing

No. of Faculty Coordinators present: 8

No. of Students present: 12

Description of the Club Activity carried out:

Zumba dance fitness program starts with slow music and gradually increases intensity over time. This helps you to burn calories, enhance cardiovascular health, and improve coordination and balance. Along with health benefits we collected lots of memories. Session was super refreshing and entertaining. **Drinks for health benefits (Hibiscus Tea)** one of the most beneficial organic tea. Being packedwith antioxidants is only one of its many qualities. It also lowers blood sugar levels and high blood pressure and reduces "bad" cholesterol.

Amla Juice 20-30ml of concentrated amla juice in a glass of lukewarm water can help with increasing metabolism and burning belly fat while having health benefits. Adding amla juice to various vegetable juices can help you immensely with your weight loss journey. Following is the glimpse of scheduled of the day:-

- Zumba
- Morning Drink for health Benefits (Discussion)
- Discussion about Balanced diet in routine lifestyle

The Entrepreneurship Day Celebration with the theme "Zero to Hero" on 21st august, 2023, featuring Gopal Khirsariya was an inspiring and informative event aimed at fostering the entrepreneurial spirit among attendees. The event aimed to provide insights into the journey of entrepreneurship, highlighting the transformation from humble beginnings to remarkable success. The commencement of Entrepreneurship Day involved the act of adorning "Thakorji" and the esteemed spiritual figure, "Param Pujya Hariprasad Swamiji," with floral garlands. Following this, Dr. Vishal Khasgivala delivered a warm welcome address. Subsequently, Gopal Khirasariya presented his speech, detailing his personal life journey within the wintech industry.

Gopal Khirsariya is currently associated with 5 Companies and is director with Stride Ipack Private Limited, Aushadhi Wellness Private Limited, Fomex Petpack Private Limited, Fomex Packaging Private Limited, Wiptech Peripherals Private Limited.

The expression of gratitude was conveyed by **Dr. Reva Mishra** during the vote of thanks.

The students gained a valuable and beneficial experience in learning the intricacies of becoming an entrepreneur.

Description of the Club Activity carried out:

Zumba targets lots of different muscle groups at once for total body toning and boosts your heart health. You not only get aerobic benefits (it really gets your heart rate up), you also get anaerobic benefits – the kind that help you maintain a good cardiovascular respiratory system.

Looking at the benefits of Zumba dance for overall mental and physical health, we all, coordinators as well as students performed Zumba dance and enjoyed a lot. Following is the glimpse of scheduled of the day

- Chanting 3 times OM
- Prayer
- Attendance
- Formal introduction
- Rules and other information sharing
- Main highlight of the day Zumba dance exercise
- Knowledge sharing and exchanging health tips

Along with health benefits we collected lots of memories. Session was super refreshing and entertaining.

Date:30-06-2023 Cluster:Cluster 1

Student speaker: Dhruviba Zala, Shruti Gajera

Topic:Strategies for Landing Your Dream Job

SDG goals addressed are:

SDG Goal addressed	Logo
Goal 4: High-quality Education: Investing in education and skill development is generally necessary while pursuing tactics to land your ideal career. Individuals can improve their employability and gain access to better work possibilities by obtaining suitable degrees, certificates, and training. This helps them achieve Goal 4 by encouraging lifelong learning and skill development.	4 QUALITY EDUCATION
Goal 5: Gender Equality: By encouraging equitable access for women to education, training, and employment opportunities, strategies for securing your ideal career can help reduce gender gaps in the workforce. By pushing for equitable pay and promotion opportunities, fostering diversity and inclusion, and challenging gender stereotypes, these tactics help achieve Goal 5 by increasing gender equality in the workplace.	5 GENDER EQUALITY
oal 10: Reduced Inequalities: Strategies for landing your dream job can help reduce inequalities by providing individuals from diverse backgrounds with equal access to employment opportunities and career advancement resources. By addressing systemic barriers to employment, promoting inclusive hiring practices, and supporting skills development initiatives for marginalized groups, these strategies contribute to reducing inequalities and promoting social inclusion.	10 REDUCED INEQUALITIES
Goal 17: Partnerships for the Goals: Collaboration among educational institutions, employers, government agencies, and civil society organizations is essential for promoting effective strategies for landing dream jobs. By fostering partnerships and knowledge-sharing initiatives, stakeholders can work together to address skills gaps, promote employment opportunities, and support career development efforts, thus contributing to the achievement of sustainable development goals.	17 PARTNERSHIPS FOR THE GOALS

A Report on IGNITE Session 51

Organized by: CSCI & Department of Biotechnology

Ignite Cluster 2 -Life Sciences

Date: 08/04/2023

Time: 10:00 AM to 11:00 AM

Venue: Seminar Hall, Room No. 425, Atmiya University, Rajkot.

Chief -Convener: Mr. G. D. Acharya

Convener: Mrs. Parul Mandaviya

Co - Convener: Dr. Shweta Bhatt

No. of Presenter: 02

No. of Participants: 53

Objective:

IGNITE Session was organized by Center for Students & Customer Initiatives (CSCI) in association with Department of Biotechnology, Atmiya University for the students under the banner of Institutions Innovation Council on 8th April, 2023.

Objectives of the program

- To disseminate the knowledge/Information acquired by the students by attending various
 Student Development Programs, Workshops, Seminars/Webinars regarding new
 development in the field of academics as well as latest emerging technologies and
 development in the industry among fellow students.
- Exploring new avenues which includes passion, fun & excitement areas.
- Improving Communication Skills, Presentation Skills, Public speaking skills and leadership skills thereby increasing confidence level in them.
- To encourage peer learning activities and knowledge sharing among Interdisciplinary and Trans-disciplinary students.

Brief introduction about the various topics presented –

1. HPV(Human PapillomaVirus Vaccine)

Presented by: - Ms. Bhumika Sachdev (B.Sc.Sem-II, Biotechnology)

Today there many types of viruses present around us which causes many hazardous diseases out of which HPV causes cancer in humans, along with it warts, herpes etc. is also caused by it. But HPV infection can be prevented by taking vaccination. Currently, Gardacil is available in market. But DBT and SERUM institute is coming up with first indigenous vaccine called CERVAVAC in June 2023 which will be of great quality and cost effective too.

2. Power of the subconscious mind.

Presented by: - Ms. Hardi Changani (P. Sem-V. Biotechnology)

The subconscious mind is all about reactions and automatic actions. It contains all information, experiences, and memories since birth. The subconscious mind can be a hiding place for anxiety, a source of creativity, and often the reason behind our own mysterious behavior. Our subconscious mind causes you to feel emotionally and physically uncomfortable whenever you attempt to do anything new or different or to change any of your established patterns of behaviour. Affirmations with Concise choice of Positive Words, Clear Visualization, and Corresponding Feeling are ways to reprogram our subconscious mind.

The Session was attended by Dr. G. D. Acharya Professor Emeritus, Mrs. Parul Mandaviya, Coordinator - Center for Students & Customer Initiatives, Dr. Shweta Bhatt, Dr. Neha Patel, Dr Raghini Raghav and 53 students.

Ignite Session - 51.1

Date:08-04-2023

Cluster: 2

Student speaker: Sachdev Bhumika Pareshbhai

Topic: HPV Vaccine

SDG goals addressed are:

SDG Goal addressed	Logo
Objective 3: Optimal Health and Well-Being: The HPV vaccine is essential in avoiding HPV infections, which are a major contributor to cervical cancer and other malignancies associated with HPV. The vaccination advances health and well-being by lowering the incidence of HPV infections and related illnesses, such as cervical cancer, which helps achieve Goal 3.	3 GOOD HEALTH AND WELL-BEING
Aim 4: High-quality Education: Vaccination campaigns highlight the significance of HPV vaccination in avoiding cervical cancer and other disorders linked to HPV. These projects support high-quality education and provide people the power to make knowledgeable decisions about their health by educating and informing individuals, families, and communities.	4 QUALITY EDUCATION
Goal 5: Gender Equality: Since girls and young women are disproportionately impacted by HPV-related cervical cancer, addressing them with vaccination campaigns is a top priority for HPV vaccination campaigns.	5 GENDER EQUALITY
Goal 11: Sustainable Cities and Communities: HPV vaccination programs contribute to building healthier and more resilient communities by preventing HPV-related diseases and reducing the burden on healthcare systems. By promoting vaccination coverage and strengthening healthcare infrastructure, these programs support the development of sustainable and inclusive cities and communities.	11 SUSTAINABLE CITIES AND COMMUNITIES
Goal 17: Partnerships for the Goals: Collaboration among governments, international organizations, healthcare providers, and civil society organizations is essential for implementing effective HPV vaccination programs. By fostering partnerships and coordination at the global, national, and local levels, these initiatives contribute to achieving the SDGs and promoting global health security.	17 PARTNERSHIPS FOR THE GOALS

Ignite Session - 51.1

SDG goals addressed are:

SDG Goal addressed	Logo
Goal 3: Good Health and Well-Being: By encouraging stress reduction, resilience, and emotional well-being, an understanding of and ability to use the subconscious mind's power can have a favorable impact on mental health outcomes. Subconscious mind techniques like positive visualization, mindfulness, and meditation are among the practices that help enhance mental health and overall well-being.	3 GOOD HEALTH AND WELL-BEING
Objective 4: High-quality Education: Learning about the subconscious mind's capacity can enable people to break free from self-limiting ideas, realize their full potential, and accomplish their objectives. Incorporating subconscious mind techniques ideas into curricula can improve students' critical thinking, self-efficacy, and personal growth, all of which lead to higher-quality educational outcomes.	4 QUALITY EDUCATION
Objective 5: Parity of Gender: Encouraging people—especially women and girls—to recognize and use their subconscious mind's power can help to be more comfortful.	5 GENDER EQUALITY
Goal 8: Decent Work and Economic Growth: Understanding subconscious patterns of thought and behavior can enhance productivity, creativity, and innovation in the workplace. By promoting positive mindset shifts, goal-setting strategies, and resilience-building techniques, subconscious mind practices can contribute to personal and professional development, thereby supporting decent work and economic growth.	8 DECENT WORK AND ECONOMIC GROWTH
Goal 17: Partnerships for the Goals: Collaboration among governments, educational institutions, civil society organizations, and the private sector is essential for promoting awareness and understanding of the power of the subconscious mind. By fostering partnerships and knowledge-sharing initiatives, stakeholders can work together to integrate subconscious mind principles into personal development programs and support the achievement of sustainable development objectives.	17 PARTNERSHIPS FOR THE GOALS

School of Pharmaceutical Sciences, Faculty of Paramedical Sciences, Atmiya University, Rajkot, organized an Expert Talk -" Women Entrepreneurship- A Journey of Woman Entrepreneur – for small scale herbal cosmetics" on 11th March 2023. The speakerof the Expert Talk was Ms. Amee Barchha, a young budding entrepreneur and owner of Amee's Natural home-made herbal cosmetics.

The expert talk was organized specially for the women of Atmiya university in order to inform and motivate them for the entrepreneurship. The session was organized in association with Jagrta: Women Empowerment cell, Atmiya University.

The main objective of the talk was to motivate the young generation including girls' students and Female faculty members in the filed of Entrepreneurship. The expert Ms. Amee Barchha has started her small business on her own from her home only. She is even not from the cosmetics or health field, even though she explored and learned some fundamental and important aspects of health for her dream to provide better, effective and home-made cosmetics to the society.

Expert talk was started with prayer, welcome speech and brief introduction of our eminent speaker Ms. Amee Barchha. She started her journey with expressing gratitude and her current work scenario in the field of business. Ms. Amee Barchha has explained her journey of becoming and entrepreneur in detail including what motivated her to start the business, exploring the guidance from different sources, her learning of the field, her

stepping stones and failures and how she has been dealing with them. She has also shared how she took the authoritative certificates and various licenses for her brand and the funding agencies of India. She has also displayed her product here and students get detailed information about each of the products. At last, there was Q & A session with the expert to get more information about her path.

We are thankful to all the female staff of School of Pharmaceutical Sciences, AU, Dr. Samixa Patel Dr. Rajeshree Patel, Ms. Hani Jani Ms. Ayushi Agraval, Ms. Hardi Patel and Ms. Kelsi Chhatrala for their valuable contribution in the session. The event was ended with vote of thanks.

Report

"Mumbai Dabbawalas Are considered to be among the best logistics and supply chains in the world." Faculty of Business and Commerce has organised a Motivational Program- Zero to Hero Mumbai Dabbawala on 11th February, 2023. Around 500 students were activly pparticipated.

The motivational Speakers were Mr. Ramdas B. Karvande- President of Mumbai Tiffin Box Suppliers and Mr. Ritesh S. Andre Spokesperson Mumbai Dabbawala.

According to Mr. Ritesh S. Andre, Mumbai's Dabbawala Army of 5,000 Dabbawalas has been feeding the cities over 200,000 residents with home-cooked food since 1890. He explained how they transport it every day between their homes and workplaces using bicycles and local train networks. They readily transport 20 to 40 tiffin boxes for adjacent locations while carrying them on their heads and shoulders and have been conducting the same straightforward business in a faultless manner for many years.

He continued by saying that the "Dabbalid" contains three markings that are unique to their code. The speed and cadence of labour are determined by the railroads, the brief amount of time they have to load and unload ensures that the system is in sync. 20 seconds to offload and exactly 40 seconds to board the crates. Tight restrictions are upheld, particularly when a dabbawala repeatedly gets fined or fired for delivering late or keeping a customer waiting while they are eating lunch. Also, consumers that cause the lunchbox preparation to be delayed during pickup are removed from the list. This is how they operate and instruct students in management. They are the finest in the world at logistics and supply chain management. More than 2000 students as well as faculties from different school and the universities along with students and faculties of Atmiya University attained in the program.

Brief introduction about the Topic –

Title: Organic Farming

Student Speakers: Tulsi Vanpariya and Bansi Tanna of B.B.A, Sem -2 Department of Commerce explained the concept of "Organic Farming" by spreading awareness about what, why and how Organic Farming is done.

Basically, Organic Farming is biological or ecological farming where NO Chemical Fertilizers and Pesticides is used and instead of it compost, manure and recycling the wastage of animal husbandry is done and used, and Organic farming is done. Not only to the farmers, but it is also beneficial to People, Planet and Environment. They explained how organic farming can be done on Terrace, in case of unavailability of Land. In addition to this they enlightened their peers about Business opportunities where the suppliers provide organic products to the people, after going through tests and verifications. Ms. Tulsi Vanpariya shared her firsthand experience as her own family is involved into organic farming. Lastly, by proper efforts and value addition to the product, farmers can sell their product in an effective and efficient way by getting proper return on the efforts they make. They also explained How Organic Farming is in alignment with SDG Goals. They quoted, "Support Farmers who farm sustainably, working with nature, not against it."

Thus, to make the new generation aware about Organic Farming this topic was selected by the students where people get quality Organic products contributing to nature and to their health also

The Session was attended by Dr. G.D.Acharya (Professor Emirates), Mrs. Parul Mandaviya (Coordinator - Center for Students & Customer Knitiatives), Mr. Jaygiri Goswami, Ms. JayanaGajjar (Cluster Coordinators), Faculty inembers of English & Commerce Department and 80 students.

Topic:Organic farming SDG goals addressed are:

SDG Goal addressed	Logo
Goal 2: Zero Hunger: Organic farming enhances food security and nutrition by producing nutritious food while minimizing the use of synthetic pesticides and fertilizers. It promotes diverse cropping systems, preserves soil fertility, and increases resilience to climate change, thereby contributing to sustainable food production and improved livelihoods for farmers.	2 Minden
Goal 3: Good Health and Well-being: Organic farming reduces exposure to harmful chemicals in food and the environment, promoting better health outcomes for consumers And farmers. By prioritizing soil health and biodiversity, organic agriculture also enhances ecosystem services and supports healthy ecosystems, which are essential for human well being.	3 DONGS SEAS TO AMO WELL-SEING
Goal 8: Decent Work and Economic Growth: Organic farming creates employment opportunities, particularly in rural areas, where agriculture is a significant source of livelihood. By adopting labour-intensive practices and emphasizing traditional knowledge, organic agriculture fosters inclusive economic growth and supports smallholder farmers and rural communities.	8 DECENT WORK AND ECONOMIC PROPERTY.
Goal 12: Responsible Consumption and Production: Organic farming promotes sustainable consumption and production patterns by prioritizing agro ecological principles, such as biodiversity conservation, soil health, and water management. It encourages consumers to make informed choices that support environmentally friendly farming practices and contribute to reducing the ecological footprint of agriculture.	12 егупнулы сокрычения ма решистия
Goal 15: Life on Land: Organic farming supports biodiversity conservation by preserving natural habitats, enhancing soil biodiversity, and reducing habitat destruction associated with conventional agricultural practices. By promoting ecological balance and minimizing chemical inputs, organic agriculture helps maintain healthy ecosystems and protect terrestrial biodiversity.	15 ON LINE

A Report on IGNITE Session 42

Venue: Seminar Hall, Room No. 425, B Wing, Main Building, Atmiya University

Topic 1- Internet: Depleting Mental Health

Topic 2 – How to improve Mental Health

Organized by: Ignite Cluster -Life Sciences

Date: 28/12/2022

Time: 10:00 AM to 11:00 AM

Venue: Seminar Hall, Room No. 422, Science Building, Atmiya University, Rajkot.

Chief -Convener: Mr. G. D. Acharya

Convener: Ms. Parul Mandaviya

Convener: Dr. Shweta Bhatt & Dr. Chitra Bhattacharya

No. of Presenter: 02

No. of Participants: 59

Objective:

IGNITE Session was organized by Atmiya University for the students under the banner of Institutions Innovation Council on 21st July 2022. It was organized in association with the Department of Microbiology & Department of Biotechnology

Objectives of the program

- To disseminate the knowledge/Information acquired by the students by attending various
 Student Development Programs, Workshops, Seminars/Webinars regarding new development
 in the field of academics as well as latest emerging technologies and development in the
 industry among fellow students.
- Exploring new avenues which includes passion, fun & excitement areas.
- Improving Communication Skills, Presentation Skills, Public speaking skills and leadership skills thereby increasing confidence level in them.
- To encourage peer learning activities and knowledge sharing among Interdisciplinary and Trans-disciplinary students.

Brief introduction about the various topics presented -

1. Internet: Depleting our mental health

Presented by: - Mr. Soham B. Gadhvi (B.Sc. Sem-IV, Biotech.)

In this modern world where everybody has unlimited access to the internet in almost every corner of the globe, it is also important that we are not overusing it and not suffering through the harmful after-effects of overuse of the internet. We should be more disciplined and only use the internet to be productive and not procrastinate. We are surrounded by a lot of information coming from the internet so we should know what is going to benefit us. To prevent this from happening in the first place try to follow PROJECT 30, where you will not use the internet(smartphone) not for more than 2 hours a day for the next 30 days.

Replace it with books, exercise, and meditation.

2. How to cure it

Presented by: - Mr. Harsh D. Kansagra (B.Sc. Sem- IV, Biotech.)

We have to decrease the blue screen time by putting our mobile somewhere else for a few hours and focusing on other physical activities. Replace your screen time with reading books of your interest like finance, history, religious books etc. Behavioral therapy and parenting skills

training plays a major role in this situation because of the behavior with the child when we say don't use the phone, we don't tell them to go outside and do some physical activity because we already give him comfort zone and soft corner for being quite. Family therapy and Friend therapy is the best option for depression, isolation, and addiction. If you're suffering from this kind of thing just seat with your friends or family members where you can open up your mind and discuss the condition and what's going on in your mind. Be active socially and don't lose social interaction with people because it helps in isolation

The Session was attended by - Dr. G. D. Acharya, Dr. Shweta Bhatt

Dr. Chitra Bhattacharya 59 students including participants and mentioned dignitaries.

Topic: Internet: Depleting mental health

SDG goals addressed are:

SDG Goal addressed	Logo
SDG 3: Good Health and Well-Being: Cyberbullying, excessive social media usage, and exposure to dangerous information are just a few examples of how excessive internet use and participation in certain online activities can have a detrimental effect on mental health and increase the risk of stress, anxiety, depression, and other mental health disorders. The goal of SDG 3, which is to ensure healthy lifestyles and promote well-being for all at all ages, is aided by initiatives to raise awareness of mental health issues, give access to mental health services, and address issues related to digital well-being	3 GOOD HEALTH AND WELL-BEING
DG 4: High-quality instruction Although the internet has revolutionized access to educational opportunities and resources, worries regarding its effects on students' academic performance and well-being have surfaced. Encouraging digital literacy, conscientious internet usage, and constructive online conduct align with SDG 4's objective of guaranteeing inclusivity and equity.	4 QUALITY EDUCATION
DG 5: Gender Equality: Women and girls are disproportionately affected by online harassment, cyberbullying, and other types of digital abuse, which exacerbates gender-based violence and discrimination. SDG 5's objective of attaining gender equality and empowering all women and girls is aided by initiatives to address online gender-based violence, improve digital safety for women and girls, and empower victims of online abuse.	5 GENDER EQUALITY
Goal 10: Decreased Inequalities Inequalities in access to opportunities, education, and information can be made worse by differences in internet access and digital proficiency. SDG 10 aims to reduce inequality both within and between countries. Initiatives to achieve this objective include bridging the digital divide, promoting digital inclusion, and ensuring equal access to online resources and services.	10 REDUCED INEQUALITIES

Topic: How to improve mental health

SDG goals addressed are:

SDG Goal addressed	Logo
Goal 3: Good Health and Well-being: This goal directly relates to mental health improvement, as it aims to ensure healthy lives and promote well-being for all ages. Addressing mental health challenges, reducing stigma, and providing access to mental health services contribute to achieving this goal.	3 GOOD HEALTH AND WELL-BEING
Goal 4: Quality Education: Mental health promotion in educational settings can enhance students' well-being and academic performance. Providing mental health education, promoting supportive school environments, and training teachers and staff on mental health awareness contribute to Goal 4.	4 QUALITY EDUCATION
Goal 5: Gender Equality: Gender disparities exist in mental health outcomes and access to mental health services. Efforts to address these disparities, promote gender-sensitive mental health care, and empower women and girls contribute to achieving gender equality	5 GENDERY
Goal 8: Decent Work and Economic Growth: Mental health problems can affect productivity, absenteeism, and job satisfaction. Promoting mental health in the workplace, providing supportive work environments, and offering mental health services as part of employee benefits contribute to Goal 8.	8 DECENT WORK AND ECONOMIC GROWTH
Goal 11: Sustainable Cities and Communities: Creating supportive and inclusive communities can promote mental well-being. Enhancing access to green spaces, safe neighborhoods, social support networks, and community-based mental health services contribute to sustainable urban development.	11 SHEADHARLE CITES AND COMMUNITIES
Goal 17: Partnerships for the Goals: Collaboration among governments, civil society, academia, and the private sector is essential for addressing mental health challenges effectively. Building partnerships to improve mental health policies, increase investment in mental health services, and raise awareness contribute to achieving the SDGs.	17 PARTHERSHIPS FOR THE GOALS

BRIEF SUMMARY:

With the divine Blessings of HDH Shri Hariprasad Swamiji Maharaj and our Mentor and Guide President Atmiya University P.P. Tyagvallabh Swamiji Maharaj, the Microbiology department, Atmiya University organized an awareness talk on Thalassemia & Thalassemia screening camp on 16th and 20th December

2022.

The disease is spreading because of ignorance of people and therefore awareness regarding this disease and the status of Thalassemia test is necessary to prevent the occurrence. Sensing the importance of disease, the Thalassemia screening camp was organized on 16thDecember & 20thDecember, 2022 by Dept. of Microbiology, PG- DMLT. The camp was organized in association with Indian Medical Scientific Research Foundation and Life blood center, Rajkot. The basic cost of this test is around 500 Rs. But as it is sponsored by Government, so the test is done on concessional rate of Rs. 100/- for students and faculties of Atmiya University. The students/Faculties of Faculty of Science, Faculty of Pharmacy, and Faculty of Engineering, Faculty of commerce and Management and Virani Science College took the benefit of this screening test. Total 360 students got screened.

On 20thDecember 2022, an awareness talk on Thalassemia was organized for the students of Department of Microbiology. Dr. Nishith Vacchani, Quality Manager, Life blood centre, Rajkot gave insight about the genetics, Pathophysiology and diagnostics aspects of the prevailing disease of the society to the students. Under the headship of Dr. Rohan Pandya, HoD department of Microbiology, Dr. Krishna Joshi, Programe coordinator- PGDMLT, Staff members Ms. Radhika Joshi, Ms. Nancy Pipaliya, Ms. Mansi Thummar and Ms. Bansi Goswami facilitated the necessary arrangements for the screening camp.

Topic: Impact of Music on Mental Health SDG goals

addressed are:

SDG Goal addressed	Logo
SDG 3: Good Health and Well-Being: Research on the therapeutic effects of music on mental health has revealed that it can lower stress, anxiety, and depression while also elevating mood and emotional well-being. SDG 3 aims to ensure healthy lifestyles and promote well-being for all people at all ages. By supporting music therapy, mental health support programs, and access to music-based interventions, efforts towards this target are made possible.	3 GOOD HEALTH AND WELL-BEING
SDG 4: High-quality instruction Engaging in musical activities and receiving music education fosters social skills, creativity, and cognitive development, all of which improve mental and general well-being. Supporting extracurricular activities, community music projects, and music education programs helps achieve SDG 4's objective of providing inclusive and equitable high-quality education for everyone	4 COALITY FRUCKTON
SDG 5: Gender Equality: Through fostering self-expression, creativity, and empowerment, music can empower people—especially women and girls. The aim of SDG 5 is to achieve gender equality and empower all women and girls. Activities towards this objective include resolving gender imbalances in the music industry, supporting female musicians and artists, and advocating for gender-inclusive music education.	5 games
SDG 10: Reduced Inequalities: Music has the ability to unite people, create social bonds, cross cultural differences, and advance social inclusion and cohesion. The goal of SDG 10, which is to reduce disparities within and between countries, is aided by initiatives that promote music programs in various communities, celebrate cultural variety through music, and encourage underprivileged individuals to have access to music resources.	10 REDUCED NEGULATITES
SDG 11: Sustainable Cities and Communities: Music is essential for fostering inclusive and dynamic communities, boosting the arts, and improving the standard of living in urban areas. The purpose of SDG 11 is to make cities and human settlements inclusive, safe, resilient, and sustainable. This is accomplished in part by sponsoring music festivals, concerts, and community music activities.	11 SUSTAINABLE OTHS AND COMMUNITIES

A Report on Free Diabetes Screening and checkup camp

Date: 14/10/2022

Venue: Near Love Temple Garden

No. of Students: 04

Free diabetes screening and checkup camps are community health initiatives aimed at identifying individuals at risk of diabetes or those who may already have the condition but are unaware of it. These camps are typically organized by healthcare organizations, non-profits, hospitals, or government bodies and offer a range of services without charge. Here are some key features and benefits of such camps:

Key Features:

- 1. **Screening Tests:** Basic tests such as fasting blood sugar (FBS), random blood sugar (RBS), and HbA1c (glycated hemoglobin) to assess blood glucose levels.
- 2. **Health Education:** Information sessions on diabetes management, lifestyle changes, diet, and exercise.
- 3. **Consultations:** Free consultations with endocrinologists, diabetologists, dietitians, and other healthcare professionals.
- 4. **Follow-Up Plans:** Guidance on follow-up care and management for individuals diagnosed with or at risk of diabetes.
- 5. **Nutritional Advice:** Personalized diet plans and nutritional counseling to help manage blood sugar levels.
- 6. **Physical Activity Guidance:** Tips and demonstrations on effective exercises for diabetes management.
- 7. **Resource Distribution:** Distribution of educational materials, pamphlets, and sometimes free diabetes care supplies like glucometers and test strips.

Benefits:

- 1. **Early Detection:** Identifies individuals who may be unaware they have diabetes, enabling early intervention and management.
- 2. **Awareness:** Raises awareness about the importance of regular checkups and maintaining a healthy lifestyle to prevent diabetes.
- 3. Accessibility: Provides access to medical services for underserved and low-income communities.
- 4. **Prevention:** Educates the public on risk factors and preventive measures to reduce the incidence of diabetes.
- 5. **Community Support:** Creates a support network for individuals living with diabetes, fostering a sense of community and shared experiences.
- 6. **Health Monitoring:** Helps participants monitor their health status and make informed decisions about their health care.

How to Organize a Free Diabetes Screening Camp:

- 1. **Partnerships:** Collaborate with local healthcare providers, hospitals, non-profits, and community organizations.
- 2. **Funding:** Secure funding through grants, donations, or sponsorships.
- 3. **Location:** Choose accessible locations such as community centres, schools, or public spaces.
- 4. **Volunteers:** Recruit healthcare professionals and volunteers to assist with the camp.
- 5. **Promotion:** Use social media, local newspapers, flyers, and community meetings to promote the event.
- 6. **Resources:** Ensure the availability of necessary medical supplies, educational materials, and follow-up care plans.

Organizing and participating in free diabetes screening and check-up camps can significantly contribute to public health by enabling early detection and better management of diabetes.

A Report on Activity for spreading SDG Awareness

Venue: Atmiya University

Date: 13/10/2022 **No. of Students:** 50

An SDG (Sustainable Development Goals) aware city activity involves initiatives and projects that aim to align urban development and community activities with the United Nations' 17 Sustainable Development Goals. These goals were established to address global challenges such as poverty, inequality, climate change, environmental degradation, peace, and justice by 2030. An SDG aware city focuses on implementing sustainable practices and raising awareness about these goals among its residents.

Key Components of SDG Aware City Activities

1. Education and Awareness Campaigns:

- Organizing workshops, seminars, and public talks to educate residents about the SDGs
- o Running awareness campaigns through social media, local media, and community events.

2. Sustainable Urban Planning:

- o Implementing green building standards and promoting energy-efficient infrastructure.
- o Enhancing public transportation and promoting non-motorized transport options like cycling and walking.

3. Environmental Protection:

- Initiatives to reduce carbon emissions, manage waste efficiently, and promote recycling.
- Projects to increase green spaces, such as parks and community gardens, and protect local biodiversity.

4. Social Equity and Inclusion:

- Programs aimed at reducing poverty and inequality, ensuring equal access to resources and opportunities.
- Initiatives to support marginalized communities, including affordable housing projects and inclusive education programs.

5. Economic Development:

- o Encouraging sustainable economic practices, such as supporting local businesses and fair trade.
- Promoting job creation in green industries and investing in innovation and sustainable technologies.

6. Health and Well-Being:

o Enhancing healthcare services and ensuring access to clean water and sanitation.

Promoting healthy lifestyles through community sports programs, mental health awareness, and nutrition education.

7. Partnerships and Collaboration:

- Engaging with local businesses, NGOs, educational institutions, and government bodies to work towards common goals.
- o Creating platforms for stakeholders to share ideas, resources, and best practices.

Examples of SDG Aware City Activities

1. Zero-Waste Initiatives:

- o Organizing community clean-up events and waste reduction workshops.
- Setting up composting facilities and encouraging the use of reusable products.

2. Renewable Energy Projects:

- Installing solar panels on public buildings and promoting renewable energy use among residents.
- Offering incentives for businesses and homes to adopt renewable energy sources.

3. Sustainable Mobility:

- o Developing bike-sharing programs and expanding pedestrian-friendly zones.
- Improving public transportation networks to reduce reliance on private vehicles.

4. Urban Agriculture:

- Establishing community gardens and urban farms to promote local food production.
- o Educating residents on sustainable farming practices and healthy eating.

5. Inclusive Community Programs:

- Creating programs that support the integration and participation of all community members, including minorities and vulnerable groups.
- Offering vocational training and educational opportunities to enhance skills and employability.

Monitoring and Evaluation

- Indicators and Metrics: Establishing clear indicators to measure progress towards each SDG.
- Data Collection and Reporting: Regularly collecting data and publishing reports to track the city's achievements and identify areas for improvement.
- Community Feedback: Encouraging community involvement in the evaluation process through surveys and public consultations.

Benefits of an SDG Aware City

- Enhanced Quality of Life: Improved living conditions and services for residents.
- Environmental Sustainability: Reduced environmental footprint and enhanced resilience to climate change.
- Economic Growth: Sustainable economic development that benefits all community members.
- Social Cohesion: Increased social equity and stronger community bonds.

A Report on

Free Eye Check Up Camp by Netradeep (5 days)

Venue: Atmiya University

Date: 03/10/2022 to 07/10/2022

No. of volunteers: 5 Students Benefitted: 500

Organizing free eye check-up camps offers numerous benefits to both the community and the healthcare providers involved. Here are some key advantages:

Benefits to the Community

1. Early Detection of Eye Conditions:

o Free eye check-up camps can help in the early detection of common eye conditions such as cataracts, glaucoma, and diabetic retinopathy. Early detection can lead to timely treatment and prevent further complications.

2. Increased Awareness:

o These camps can educate the community about the importance of regular eye check-ups and eye health. Awareness about eye diseases and preventive measures can significantly reduce the incidence of vision impairment.

3. Access to Healthcare:

 In many underserved or rural areas, access to healthcare services, including eye care, is limited. Free eye camps provide an opportunity for individuals in these regions to receive necessary medical attention.

4. Improved Quality of Life:

 By addressing vision problems, these camps can enhance the quality of life for individuals. Better vision can improve daily functioning, productivity, and overall well-being.

5. Cost Savings:

 Free check-ups reduce the financial burden on individuals, especially those who cannot afford regular eye care services. Early treatment can also prevent more severe and costly medical interventions in the future.

Benefits to Healthcare Providers and Organizations

1. Community Engagement:

 Organizing free eye camps helps healthcare providers build trust and goodwill within the community. It demonstrates their commitment to social responsibility and public health.

2. Data Collection and Research:

These camps can serve as a valuable source of data on the prevalence of eye conditions in specific regions. This/information can aid in research and the development of targeted healthcare strategies.

Yogidham Gurukul, Kalawad Road, Rajkot - 360005, Gujarat (INDIA)

3. Professional Development:

Eve care professionals, including optometrists and ophthalmologists, gain practical experience and exposure to a variety of cases, enhancing their skills and knowledge.

4. Promotion of Services:

Free eye camps can act as a platform to promote the services of healthcare facilities and practitioners. Participants who benefit from the camp may seek further treatment or consultations at these facilities.

5. Public Health Impact:

o By addressing eye health on a larger scale, healthcare providers contribute to the overall improvement of public health. Preventing vision loss and promoting eye health can have far-reaching positive effects on society.

Additional Considerations

- Partnerships and Sponsorships: Collaborating with local businesses, non-profits, and government agencies can enhance the reach and impact of eye checkup camps.
- Follow-Up Care: Ensuring that participants have access to follow-up care and treatment is crucial for the long-term success of these initiatives.
- Comprehensive Services: Offering a range of eye care services, including vision testing, prescription glasses, and referrals to specialists, can maximize the benefits of the camp.

Overall, free eye check-up camps are a valuable public health initiative that can lead to significant improvements in individual and community health, while also providing benefits to the healthcare providers involved.

A Report on Blood Donation Camp Lambodar Mahotsav 2022

Date: 08/09/2022

Venue: Prayer Hall, Haridarshanam, Atmiya University

No. of Students and Participants: 218

On the auspicious occasion of Lambodar Mahotsav 2022 Atmiya University organized 'Blood **Donation Camp**' on 08th September 2022, Thursday.

Jigneshbhai Rathod helped in coordinating with the blood banks. Three blood banks namely Red Cross Blood Bank, Nathani Blood Bank and Jeevandeep Blood Bank were called for the camp.

Blood donation camp was inaugurated at 09:45 am by Mr. Jigneshbhai Rathod along with the chief guest Shri. Gunubhai Delawala (Sargam Club Pramukh) and Shri. Kamalnayan Sojitra (Executive Director, Falcon Pumps) and Mr. K. D. Nathani, Dr. Vishal Khasgiwala (Dean FoBC), Dr. H. M. Tank (Dean FoPS) and Shri. Vinaybhai Jasani (Shreemad Rajchandra Seva Group).

Students as well as Staff Members from entire Atmiya University took the part in the Blood Donation Camp very enthusiastically and total 218 donors contributed. Parimal Joshi student coordinator of Lambodar Mohatsav 2022 and NSS volunteers helped in carrying out the entire blood donation camp smoothly.

Shri. Boss Swamiji, Shri. Dharmeshbhai Jivani (Trustee, Atmiya Univerity) and Dr. Ashish Kothari (Deputy Registrar, Atmiya University) visited the Blood Donation Camp.

Ignite Session - 31.1

Date:26-08-2022 Cluster: Cluster 1

Student speaker:Mr. Siddhesh Patel Topic:

Sustainable Social Entrepreneurship

SDG goals are:

SDG Goal addressed	Logo
SDG 1: No Poverty: Opportunities for income production and economic empowerment are created by sustainable social entrepreneurship, especially for marginalized groups and impoverished individuals. SDG 1 is to eradicate poverty in all its forms and dimensions. Sustainable social enterprises help achieve this objective by giving people access to jobs, skill development opportunities, and financial resources.	1 NO POVERTY
SDG 2: Zero Hunger: By encouraging sustainable farming methods, expanding access to wholesome food, and minimizing food waste, social enterprises that are centered on agriculture, food security, and nutrition can help achieve SDG 2. Sustainable social entrepreneurship contributes to SDG 2's objectives of eradicating hunger, attaining food security, enhancing nutrition, and advancing sustainable agriculture by tackling hunger and malnutrition.	2 ZERO HUNGER
SDG 3: Good Health and Well-Being: In underprivileged areas in particular, sustainable social entrepreneurs in the healthcare sector give people access to reasonably priced medical services, medications, and health education. SDG 3 aims to ensure healthy lives and promote well-being for all people at all ages. These enterprises support this target by supporting programs related to illness management, health promotion, and preventative healthcare.	3 GOOD HEALTH
SDG 4: Quality Education: Innovative learning opportunities, educational resources, and vocational training programs are offered by social entrepreneurs that concentrate on education and skills development. The objective of SDG 4, which is to ensure inclusive and equitable quality education for all, is supported by sustainable social entrepreneurship. It also addresses educational inequities and enhances access to high-quality education.	4 QUALITY EDUCATION
SDG 5: Gender Equality: By fostering economic possibilities, entrepreneurial training, and leadership development initiatives, sustainable social entrepreneurship can empower women and girls. SDG 5: Gender equality and empowerment of all women and girls is a goal that these businesses support through promoting gender equality in employment, business ownership, and decision-making processes.	5 GENDER EQUALITY
SDG 7: Accessible and Sustainable Energy Expanding energy access and promoting sustainable energy solutions are made possible by social enterprises that prioritize energy efficiency, renewable energy, and access to clean energy technologies. Sustainable social entrepreneurship helps achieve SDG	7 AFTORDABLE AND CLEAN ENERGY

Student speaker:Mr. Kuldeep Vyas

Topic: Lessons from Toyota way

SDG goals addressed are:

SDG Goal addressed	Logo
SDG 9: Industry, Innovation, and Infrastructure: By fostering an innovative and efficient culture within businesses, The Toyota Way enhances operational performance, product quality, and manufacturing processes. The Toyota Way supports inclusive and sustainable industrialization and innovation, two of SDG 9's objectives, by encouraging innovation and continual improvement.	9 INDUSTRY, INNOVATION AND INFRASTRUCTURE
SDG 12: Responsible Consumption and Production: Lean manufacturing, sustainable resource management techniques, and waste reduction are highlighted in the Toyota Way. SDG 12 aims to ensure sustainable patterns of consumption and production. Organizations can achieve this objective by streamlining manufacturing processes, cutting waste, and limiting environmental effects.	12 RESPONSELE CONSUMPTION AND PRODUCTION
SDG 3: Good Health and Well-Being: The Toyota Way places a high priority on the safety and well-being of its workers, encouraging a positive work atmosphere and chances for ongoing education. SDG 3 aims to ensure healthy lifestyles and promote well-being for all people at all ages. Organizations can help achieve this objective by funding staff training, development, and safety activities	3 GOOD HEALTH AND WELL BEING
SDG 8: Decent Work and Economic Growth: The Toyota Way places a strong emphasis on employee empowerment, teamwork, and respect for others. It also helps firms create a culture of mutual trust and cooperation. Organizations may support SDG 8's objectives of full and productive employment, sustained, inclusive, and sustainable economic growth, and decent work for everyone by encouraging professional development, employee involvement, and decent work.	8 DECENT WORK AND ECONOMIC GROWTH
SDG 17: Collaboration to Achieve the Goals The Toyota Way promotes cooperation and knowledge exchange among all parties involved, including communities, suppliers, and customers. The purpose of SDG 17 is to strengthen global partnerships for sustainable development. Organizations can help achieve this target by developing partnerships, exchanging best practices, and encouraging supply chain transparency.	17 PARTNERSHIPS FOR THE GOALS

School of Pharmaceutical Sciences (Faculty of Health Sciences) of Atmiya University has organized 'Environment Camp 2022' on date 06/08/2022 during 09:30 p.m. to 5:00 p.m at Pradhyuman Zoological Park, Rajkot.

The aim of this camp was to transfer the vital importance of environmental awareness by emphasizing the value of curricular and extracurricular activities to college students.

The camp's duration is 1 day. The activities and nature trails in the camp were designed with the idea of instilling a sense of personal relationship and responsibility towards nature. The schedule was made in such a way that student get an opportunity to explore the nature through activities like trekking, bird watching, and walks to learn the importance of nature and biodiversity in their life.

When we reached at Pradhyuman Zoological Park staff welcome us. They arrange breakfast at camp site for us. After breakfast, Curator of park Mr. Bhargav Bhatt and Biologist Ravi Chauhan interact with students and gave the information related to the park's establishment and how it works. They arrange quick test for students which were related to environment. After that Students were escort to prohibited area of zoo by electric van and Students were benefitted with knowledge like how zoo staff maintains the food for animals, their medicine, animal and bird identification, plant uses and its identification. Again students are escort to camp site for lunch afterward students had to visit animal model gallery. In that students collect information related to GIR and KUTCH eco system which was most interesting part. During entire camp students interact with curator and feel fruitful about this camp.

At last the visit was concluded with student review, environment quick test and hand over certificate to students.

This activity comes under NSS. This activity was also arranged to cover SDG No.12, 15, 13 which state responsible consumption and production, climate action and life on land respectively.

Total No. of Participants	30	
Details of Participants	BA English semester 3	

Objective:

Concept to Practice is an innovative component introduced in the university for the students. It is designed to be studied for four semesters in the continuation starting from the first semester. As per the syllabus, the students had already identified five problems in the first semester and some solutions for those problems in the second semester using the tools like brain storming and mind mapping, in their respective domains. In semester 3, the students are expected to make prototype of the solution that they want to work upon. This prototype can be in the form of a product or a service.

The overall coordinator of Concept to Practice for the university, Mr. Pratik Kikani sir familiarized the students with the basic understanding of 'prototype' in simple manner keeping in mind the literature students and their non-engineering background. With the lucid explanation and apt yet simple examples given by sir, the students were quite thorough with the idea of prototype and showed their readiness of making the prototype of their respective domains.

School of Pharmaceutical Sciences (Faculty of Health Sciences) of Atmiya University had organized 'Project based learning event - Prastuti 3.0' on date 06/07/2022 during 11:00 to 12:00 a.m. at Classroom no. 410, 4th Floor, Wing A for B.Pharm 2nd semester students.

Four group of students prepared commentary and dram based explanation on "NARMDA BACHAO ANDOLAN" and "CHIPKO AANDOLAN". Students were given 1 week's time to complete their performance. These topics were given as they were fulfilling the deep learning of subject environmental science. Students did research through online media about this andolan. This act and commentray were presented by students with very precise explanations in front of faculty members and class. By this activity students may learn importance of environment. As history has its own heroes in every filed this activity is gentle reminder to student that how environment activist worked for environment.

Students were also encouraged by faculty members for upbringing such creative & innovative ideas.

ABOUT THE EVENT:

World Environment Day 2022 was celebrated under the theme of "Ecosystem Restoration" with the slogan "Reimagine. Recreate. Restore." The day aimed to raise awareness and promote action towards restoring damaged and degraded ecosystems around the world.

The year 2022 was particularly important as it marked the beginning of the United Nations Decade on Ecosystem Restoration (2021-2030), which aims to mobilize governments, organizations, and individuals to prevent, halt, and reverse the degradation of ecosystems.

The day was celebrated through various activities and events organized by governments, NGOs, and individuals worldwide. Many countries organized tree planting events and clean-up campaigns to restore damaged ecosystems and raise awareness about the importance of ecosystem restoration. Several organizations also launched campaigns to encourage individuals to take action towards restoring ecosystems in their communities.

The United Nations Environment Program (UNEP) also launched a global campaign called "Generation Restoration" to mobilize young people around the world to become active in ecosystem restoration. The campaign aimed to empower youth to take action and create a sustainable future for all.

The World Environment Day 2022 celebrations highlighted the urgent need for ecosystem restoration and encouraged individuals and organizations to take action towards protecting and restoring the natural environment. It also provided an opportunity to recognize the critical role that healthy ecosystems play in sustaining life on earth, promoting climate resilience and providing livelihoods for millions of people worldwide.

A Report on Ignite Session 23

Topic 1 – Career Opportunities through Social Media

2 - Career Opportunities in Non-Technical Fields Organized by:

CSCI & FoET Computer Engineering

Ignite Cluster – 1 Technology

Date: 26/05/2022

Time: 10:00 am to 11:00 am

Venue: Seminar Hall, Room No.425, Science Building, Atmiya University.

Chief -Convener: Dr. G. D. Acharya

Convener: Ms. Parul Mandaviya

Co Convener: Mr. Mayur Chotaliya

No. of participants: 73

Objective:

IGNITE Session was organized by Atmiya University for the students under the banner of Institutions Innovation Council on 26/05/2022. It was organized in association with Department of diploma computer engineering.

Objectives of the program

- · To disseminate the knowledge/Information acquired by the students by attending various Student Development Programs, Workshops, Seminars/Webinars regarding new development in the field of academics as well as latest emerging technologies and development in the industry among fellow students.
- · Exploring new avenues which includes passion, fun & excitement areas.
- · Improving Communication Skills, Presentation Skills, Public speaking skills and leadership skills thereby increasing confidence level in them.
- ·To encourage peer learning activities and knowledge sharing among Interdisciplinary and Trans-disciplinary students.

Brief introduction about the Topic –

Topic 1 – Career Opportunities through Social Media

Speaker Ms. Aashka Trivedi

She is a budding You tuber. In these days people use social media just for time pass and waste their time and don't even realize what benefits it can make in their career. Introverts who have stage fear and can't express their thoughts and share their knowledge in front of others, have many platforms now to do so.

Topic 2: Carrier Opportunity in Non-technical Field

Speaker Ms. Yesha Mori

She says that while pursuing graduation, one can work in Creative Designing Field and make career and earn money as well. She explained the following as some of the career options worth exploring Graphic Designing, Blogging, Video editing.

The Session was attended by Dr. G. D. Acharya, Ms. Parul Mandaviya, Ignite coordinators, faculty members and 73 students.

Career Opportunities through social media

SDG goals addressed are:

SDG Goal addressed	Logo
The ninth Sustainable Development Goal (SDG) highlights the role of civil engineers in constructing sustainable infrastructure that fosters innovation, economic expansion, and resilient communities. SDG 9 aspires to establish resilient infrastructure, promote equitable and sustainable industrialization, and foster innovation. Civil engineers directly help this goal by concentrating on sustainable construction techniques, renewable energy integration, and green building design.	9 INDUSTRY, INNOVATION AND INFRASTRUCTURE
Management of Water Resources (SDG 6): To ensure that everyone has access to clean water and sanitary facilities, civil engineers are essential to the sustainable management of water resources. Careers in hydrology, environmental engineering, and water resources engineering support SDG 6, which aims to provide everyone with access to cheap, clean drinking water, proper sanitation, and sustainable water resource management.	6 CLEAN WATER AND SANITATION
Urban Planning and Development (SDG 11): Those working in this field of civil engineering create inclusive, secure, resilient, and sustainable cities and communities. SDG 11 aspires to make cities and human settlements inclusive, safe, resilient, and sustainable. Civil engineers contribute to this goal by concentrating on smart urban infrastructure, affordable housing, public transportation systems, and green spaces.	11 SUSTAINABLE CITIES AND COMMUNITIES
SDGs 1, 11, and 13: Disaster Risk Reduction and Management Through the design of resilient infrastructure and the implementation of disaster risk reduction strategies, civil engineers help to lessen the susceptibility of communities to natural disasters and climate-related risks. This is consistent with several Sustainable Development Goals (SDGs), such as SDG 1 (No Poverty), SDG 11 (Sustainable Cities and Communities), and SDG 13 (Climate Action), all of which address the need to reduce poverty and increase resilience.	11 SIZTANADE CITIES 13 CLIMATE 13 ACTION 1 NO 1 POVERTY

JUSTICE ET INSTITUTIONS EFFICACES
Community Development and Social Work (SDG 1, SDG 4, SDG 5, SDG 10): The SDGs of poverty eradication (SDG 1), quality education (SDG 4), gender equality (SDG 5), and reduced inequalities (SDG 10) are all addressed by careers in social work, community development, and non-profit organizations. These professions work closely with communities to empower people, advance social justice, and enhance access to opportunities and essential services	1 men 4 men 5 men 10 me
Education and Training (SDG 4): Education and training professionals work toward SDG 4, which aims to guarantee inclusive, equitable, high-quality education and to encourage opportunities for lifelong learning for all. Teachers, educators, trainers, curriculum creators, and educational administrators are among those who strive to make excellent education accessible, encourage literacy, and help students acquire skills that are necessary for sustainable development.	5 GENDER EQUALITY
Law and Human Rights (SDG 16): By fostering access to justice, defending human rights, and strengthening the rule of law, careers in law, human rights activism, and legal assistance support SDG 16.	4 QUALITY EBUCATION
Media & Communications (SDG 16): Building accountable and inclusive institutions is a goal of SDG 16, and professionals in these fields contribute to this objective by encouraging transparency, accountability, and public knowledge of social, economic, and environmental challenges.	4 QUALITY EDUCATION
Corporate Social Responsibility (SDG 12): Promoting responsible consumption and production is the main goal of SDG 12, which is supported by experts in CSR, sustainability, and ethical business practices. They collaborate with companies to create and put into effect sustainable practices that lessen their impact on the environment and uphold social responsibility along the whole supply chain.	12 RESPONSIBLE CONSUMPTION AND PRODUCTION

Objective:

IGNITE Session was organized on 25thMay, 2022 by Atmiya University for the students under the banner of Institutions Innovation Council on the topic - **How to reach FAANG.** It was organized by Center for Students & Customer Initiatives in association with Department of Computer Engineering.

Objectives of the program

- · To disseminate the knowledge/Information acquired by the students by attending various Student Development Programs, Workshops, Seminars/Webinars regarding new development in the field of academics as well as latest emerging technologies and development in the industry among fellow students.
- · Exploring new avenues which includes passion, fun & excitement areas.
- · Improving Communication Skills, Presentation Skills, Public speaking skills and leadership skills thereby increasing confidence level in them.
- ·To encourage peer learning activities and knowledge sharing among Interdisciplinary and Trans-disciplinary students.

The session was delivered by Mustafa Bharmal, Yash Parmar, Dev Ghetiya & Darshan Javiya from Computer Engineering Department. The presentation was about the roadmap to get placed in companies like Facebook, Apple, Amazon, Netflix, Google, etc. Everyone wants to work in MNC's but students should do systematic planning of what is to be learnt during 4 years of Engineering to land up for best placements in MNC's. What all programming languages one needs to learn and internships etc should be planned and executed right from 1st year of Engineering and gradually followed through 2nd, 3rd and 4th year of graduation. It was a very informative session. The Session was attended by Dr. G.D Acharya, Mrs. Parul Mandaviya, Mr. Jay Patel, Mr. Yuvraj Kachva & Mr. Milan Narendra Gohel and 53 students from Computer Engineering Department.

BRIEF SUMMARY:

The expert talk was organized on 9th April 2022 by department of microbiology and biotechnology

and AWAKE for women of all age group. The guest speaker, Dr. Pooja Kagathara from Neutro fit

Diet clinic working as Clinical Dietician. Guest speaker gave guidance on various women health

issues like PCOS & its concern, problems related to obesity, breast cancer awareness and gave brief

about regular healthy life style including nutritious diet plan. BMI camp was organized for all the

participants after expert talk. The camp was volunteered by students of PG- DMLT. As per the

feedback received by participants, it was very informative, knowledgeable and applicable in routine

life.

Time: 12:00 to 1:00 PM

Venue: Room No. 425, Seminar Hall - B wing, Atmiya University.

Chief - Convener: Mr. G. D. Acharya

Convener: Ms. Parul Mandaviya

Co Convener: Ms. Jayna Gajjar, Mr. Jaygiri Goswami

No. of participants: 236

Objective:

IGNITE March Session Cluster 4 — Business, Communication & Entrepreneurship, was organized by Atmiya University for the students under the banner of Institutions Innovation

Council on 29th March, 2022. It was organized in association with FoBC – Management Department.

Objectives of the program

- To disseminate the knowledge/Information acquired by the students by attending various Student Development Programs, Workshops, Seminars/Webinars regarding new development in the field of academics as well as latest emerging technologies and development in the industry among fellow students.
- Exploring new avenues which includes passion, fun & excitement areas.
- Improving Communication Skills, Presentation Skills, Public speaking skills and leadership skills thereby increasing confidence level in them.
- To encourage peer learning activities and knowledge sharing among Interdisciplinary and Trans-disciplinary students.

Brief introduction about the Topic:

Speakers: Mr. Rohit Rathi & Mr. Tryambak Tiwari, IMBA Semester-4

The aim of the speakers was to create awareness about importance of fitness and inspire students to start prioritizing their fitness.

In the fast paced world, health and fitness are declining. It is crucial for everyone to pay attention to these aspects of these life and begin doing something for their fitness. It is not necessary to go to gym and pay handsome amount of fees. Now all the training programs are available Online. Taking proper nutritional diet and a moderate amount of exercise, yoga and meditation, everyday can help one improve upon the mental and physical health of an individual

They talked about how to create a Career in this field what are the opportunities available with us. It was a very interactive session, students participated with enthusiasm. Total 209 students attended the session.

Ignite Session - 16

Date:29-03-2022 Cluster: Cluster 4

Student speaker:Mr. Rohit Rathi,Mr. Trayambak Tiwari

Topic: Health: A New Awakening

SDG goals addressed are:

SDG Goal addressed	Logo
Goal 3: Good Health and Well-Being: By bringing attention to the significance of mental, emotional, and physical health, "Health: A New Awakening" directly supports SDG 3. In order to support wellbeing and healthy living, the program may include information on healthy lifestyle options, stress management techniques, and preventive measures.	3 GOOD HEALTH AND WELL-BEING
Goal 4: High-quality education: "Health: A New Awakening" helps achieve SDG 4 by teaching people about health-related issues. People who have access to reliable and accurate health information are better equipped to make decisions about their health, which improves their quality of life and leads to better health outcomes.	4 QUALITY EDUCATION
Goal 5: Gender Equality: In order to fulfill SDG 5, the program may target gender differences in healthcare outcomes and access. "Health: A New Awakening" strives to achieve gender equality in health by supporting gender-sensitive methods to health promotion and service delivery, guaranteeing that everyone has equal access to healthcare resources and services.	5 GENDER EQUALITY
Goal 10: Decreased Inequalities: By addressing the socioeconomic determinants of health and guaranteeing equitable access to healthcare services, "Health: A New Awakening" can contribute to the reduction of health inequalities. Through its emphasis on disadvantaged communities and vulnerable populations, the initiative advances inclusive and equitable health systems that ensure no one is left behind, thereby contributing to SDG 10.	10 REDUCED INEQUALITIES
Goal 17: Collaborating to Achieve the Goals: The success of "Health: A New Awakening" depends on cooperation between governmental institutions, healthcare providers, community organizations, and other stakeholders. The initiative supports SDG 17 by leveraging collective action to enhance health outcomes and advance sustainable development.	17 PARTNERSHIPS FOR THE GOALS

School of Pharmaceutical Sciences and Olympus Hospital, Rajkot jointly organized an Expert Talk and Awareness Program on" Menstruation and its Related Gynecological Problems in Adult Females " on 16th March 2022. The program organized for girls and women to guide them regarding menstruation and its related problems, awareness to prevent breast cancer and cervical cancer in women and importance of HPV vaccine for girls.

The program was started with prayer, welcome and brief introduction of chief guest Dr. Mihir P. Tanna (M.D., D.N.B (Cardiology), Director, Chief Interventional Cardiologist at Olympus Hospital, Rajkot and Olympus Heart Center, Anand, Gujarat), Captain Hemant Vyash (M. Tech, PGDM, Lead Assessor ISO 9000 and Black Belt in Six Sigma, General Administrative Head of Olympus Hospital) and Dr. Hemali Karia, (DGO, Consultant Obstetrician & Gynecologist, Olympus Hospital).

The speaker of the program was Dr. Hemali Karia, DGO, Consultant Obstetrician & Gynecologist, High Risk Pregnancy & IVF Expert, Olympus Hospital, Vidyanagar main road, Rajkot, Gujarat, India. Dr. Hemali Karia guided the girls and women how to overcome problems associated with menstruation. The speaker was discussed preventive measures of breast and cervical cancer. She also aware them about detection techniques of breast cancer in initial stage so they can get proper treatment timely and prevent its further spreading. Question and answer session also conducted successfully after her talk. Many girls and staff take personal guidance from Dr. Hemali Karia regarding their menstrual and other problems in the last session. We are thankful to Ms. Kelsi Chhatrala for her valuable contribution for concluding the session.

ACTIVITY- Biotechnopreneurship Awareness Program

TITLE OF THE ACTIVITY: Biotechnopreneurship Awareness Program

DATE: 21st& 22ndFebruary 2022

EVENT SCHEDULE: 10:00 am to 5:00 am

EVENT COORDINATOR: Dr. Rohan Pandya

NO. OF BENEFICIARIES: 72 Students of M.Sc & B.Sc BT, Micro, Chemistry, Physics

BRIEF SUMMARY:

Resource Person:

Mr. Sachin Patel, Mr. Prakash Solanki, Mr. Part Sejpal, Dr. Snehal Bagathariya, Dr. Jayen Thakar, Dr. Piyush Mehta, Dr. Rohan Pandya, Mr. Denish Dholakiya, Mr. Chetan Chauhan, Alumni.

This event was organized for the Microbiology department. The event started with the floral welcoming of respected dignitaries and resource persons. It had two technical sessions. In the first session Mr. Sachin Patel sir took the session and explained all about the introductory aspects of entrepreneurship.

I in the next session resource persons explain about the characteristics of ENTREPRENEURS People may lack the personality and skills necessary for successful entrepreneurship. There are some general characteristics and skills that many successful entrepreneurs have: Problem-solving: Entrepreneurs often start their businesses after identifying a problem and then coming up with a way to address it. Entrepreneurs are also able to figure out how to solve problems that will occur during the development of the business. Innovation: Entrepreneurs are innovators, and are often engaged continuously in the process of conceiving new products and services, renewing and improving current offerings, and developing new business processes. Risk-taking: Entrepreneurs are not risk-averse. They are willing to risk their time, money and even their reputation to get the business started and take their products or services to market. Entrepreneurs are also willing to take risks even after they establish a products of services and approaches that can grow their businesses.

entrepreneur will need to be able to cultivate trust and support from the people who join his business as managers and workers.

Lastly, Mr. Chetan Chauhan shared his journey as a student to becoming a successful entrepreneur in Rajkot region. Each participant has a two-day workshop e-certificate.

Blood Donation Camp 26th December 2021 and 27th December 2021

The NSS unit of Atmiya University organized a blood donation camp in the university campus on 26th December 2021 and 27th December 2021. The camp began with a short inaugural function.

Prof. Jimit Talati expressed his gratitude to the NSS unit of the University for its continuous endeavor in this regard. He also stressed on the growing need of blood in the state and commended the young volunteers for their noble act.

The Camp was inaugurated by the blessings of P. P. Tyagvallabh Swamiji, Dr. G. D. Acharya. Many volunteers came forward to donate blood during the camp which included teaching & non-teaching staff, students & non-student donors.

The blood donors were provided with a blood donation certificate card by the blood bank teams.

The blood donation camp was coordinated by Prof. Jimit Talati, NSS Programme Officer of the University with the help of NSS volunteers.

Vijay Din Celebration

TITLE OF THE ACTIVITY: Vijay Din Celebration

Date: December 22, 2021

Event Schedule: 11.00 to 12.00 PM

FACULTY IN-CHARGE: All Staff members

FUNDING AGENCY: Atmiya University

LEVEL: University

OUT COMES:

On December 22, 2021, the Department of Microbiology at Atmiya University celebrated Vijay Din, focusing on the theme of sustainability and environmental consciousness. The event aimed to raise awareness about biodegradable, reusable, and sustainable practices through hands-on activities and creative workshops.

- Increased awareness of sustainable practices among students.
- Development of practical skills in creating eco-friendly products.
- Fostering a sense of community and collaboration within the department.

The Vijay Din celebration at Atmiya University was a successful initiative promoting sustainability through creative engagement. It provided students with valuable insights into the importance of biodegradable materials and encouraged them to adopt environmentally friendly practices in their daily lives. The event served as a stepping stone towards a more sustainable future within the university community.

A Report on **IGNITE Session - 3**

Topic Session 3 - Toothpaste Tablets

Organized by: CSCI and Department of Microbiology and Biotechnology

Date: 20th November, 2021

Time: 2 Sessions.

9.00 am to 9.30 am & 9.30 am to 10.00 am

Venue: Seminar Hall, Room No. 422, A Wing, Atmiya University.

Chief -Convener: Mr. G. D. Acharya

Convener: Ms. Parul Mandaviya Co- Convener: Dr. Shivani Patel

Student Speakers: 1. Ms. Ritu Nagdev

No. of participants: 158

Objective:

CSCI (Center for Student & Customer Initiatives) in association with Department of Microbiology and Biotechnology organized the First IGNITE program for the students under the banner of Institutions Innovation Council on 20th November, 2021.

Objectives of the program

- · To disseminate the knowledge/Information regarding new development in the field of academics as well as latest emerging technologies and development in the industry among fellow students.
- · Exploring new avenues which includes passion, fun & excitement areas. Improving Communication Skills, Presentation Skills, Public speaking skills and leadership skills thereby increasing confidence level in them.
- ·To encourage peer learning activities and knowledge sharing among Interdisciplinary and trans-disciplinary students.

The two students presented their views on following two Topics

IGNITE Session 3

Speaker: Ms. Ritu Nagdev,

Topic - Toothpaste Tablets

Toothpaste tablets is new innovation. These tablets can be carried easily anywhere. It is safe for adults and children. The children create mess while using toothpaste. The toothpaste tubes comes in plastic packaging so degradation of this tubes take a long time and the environment gets polluted, so by using tablets we can save our environment from being polluted. This product contains organic and harmless components. These tablets doesn't harm users as well as environment. By using this products we can save our planet and increase life of our teeth too.

Both of them had prepared the topic very well after reading and exploring the topic. They also shared how their products are Eco friendly and connected with Sustainable Development Goals. It was a very informative session.

This program was attended by Dr. G.D. Acharya, HoD Dr. Shivani Patel and all the faculty coordinators of Team Abhythhan and IGNITE. It was enthusiastically attended by 129 students of B.Sc. and M.Sc (Micro Biology and Biotechnology) and faculty members of Department of Microbiology and Biotechnology.

Ignite Session - 3

Date:20/11/2021

Cluster: Cluster2

Student speaker: Ritu Nagdev

Topic: Toothpaste tablets

SDG goals addressed are:

SDG Goal addressed	Logo
SDG 12: Responsible Consumption and Production: By minimizing packaging waste, toothpaste tablets encourage responsible consumption. When it comes to their packaging, toothpaste tablets usually use less plastic than traditional toothpaste tubes, which can be challenging to recycle. This helps to lessen the environmental effect of toothpaste tablets.	12 RESPONSIBLE CONSUMPTION AND PRODUCTION
SDG 14: Life Below Water: Marine life may be harmed by plastic pollution from products like toothpaste tubes. Toothpaste tablets contribute to efforts to maintain ocean health by minimizing the impact of plastic waste on marine ecosystems through the reduction of plastic packaging.	14 LIFE BELLOW NATER
SDG 15: Life on Land: Terrestrial ecosystems are also impacted by plastic pollution. By encouraging the use of eco-friendly alternatives and eliminating the use of plastic packaging, toothpaste tablets help to reduce land pollution.	15 UPE ON LAND
SDG 6: Clean Water and Sanitation: The creation of toothpaste tablets usually uses less water than traditional toothpaste manufacturing procedures, even though it is not directly related to water quality or access. Ensuring that everyone has access to clean water and sanitation is an aim that this indirectly promotes.	6 CLEAN WATER AND SANITATION

SDG 13: Climate Action: By lowering the carbon footprint associated with packaging manufacturing and disposal, toothpaste tablets can help prevent climate change. Their potential for reusable containers and their simple packaging help with overall efforts to reduce emissions.	13 CLIMATE ACTION
SDG Goal addressed	Logo
SDG 9: Industry, Innovation, and Infrastructure: In the personal care product sector, innovation is exemplified by the creation and uptake of toothpaste tablet technology. Investments in infrastructure and research for environmentally friendly substitutes for conventional goods can boost the economy and lessenits negative effects on the environment.	9 HOUSTRY, IMMOVATION AND INTRASTRUCTURE
SDG 3: Well-being and Good Health: Similar to traditional toothpaste, toothpaste tablets offer oral hygiene advantages that enhance overall health and wellbeing. Furthermore, certain formulations could contain organic or natural components, which are better for the environment and people alike.	3 GOOD HEALTH AND WELL-BEING

School of Pharmaceutical Sciences, Faculty of Paramedical Sciences, Atmiya University, Rajkot, organized an Expert Talk -"General Awareness on Health & Nutrition" on 28th October 2021. The speaker of the Expert Talk was Dr. Pooja Kagathara, Consultant Dietician (B.Sc., M.Sc., and PhD). She is the alumnae of our Atmiya University itself.

The Expert Talk was organized for students and faculties to guide them for achieving Better nutrition from living a healthy lifestyle & proper diet. Nutrition is one of the most important contributors to human health. In addition to managing weight, blood pressure and cholesterol, a healthy diet can help prevent and manage of a number of noncommunicable diseases (NCDs) such as diabetes, heart disease, stroke, and some cancers. Thus the goal of Expert Talk was to motivate students and faculties to give their valuable contribution for improving right balance of nutrients in their diet.

Expert talk was started with prayer, welcome speech and brief introduction of our beloved alumnae and speaker Dr. Pooja Kagathara. She has started her talk with highlighting some basic Do's and Don'ts for providing nutrition through diet. This session has broken the common diet myths & misconceptions regarding role of diet in health. Question and Answer session also conducted successfully at the end of talk. We are thankful to Dr. Samixa Patel & Ms. Hani Jani for their valuable contribution in the session. The event was ended with vote of thanks.

ABOUT PROGRAMME:

Tree-planting is the process of transplanting tree seedlings, generally for forestry, land reclamation, Or landscaping purpose. It differs from the transplantation of larger trees in arboriculture, and from the lower Cost but slower and less reliable distribution of tree seeds. Trees contribute to their environment over long periods of time by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil and supporting wildlife. During the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe.

OUTCOMEOF PROGRAMME

Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment. Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply.

Extension Activity

TITLE OF THE ACTIVITY: Preparation of Hand Sanitizer / Hand Wash

DATE: 21/04/2021

RESOURCE PERSON:1 – DrChitra Bhattacharya

NO. OF BENEFICIARIES: 110 students of B.Sc. Microbiology sem III

BRIEF SUMMARY:

Students at a university conducted an extension activity focusing on preparing hand sanitizer and hand wash. The objective was to educate students about the importance of hand hygiene in preventing infectious diseases, develop practical skills in preparing these products, and encourage them to take an active role in promoting health and hygiene within their community. The process involved an educational session, ingredient preparation, packaging and labeling, and distribution and promotion. The outcome was enhanced awareness, practical skills, community engagement, and empowerment. Students gained a deeper understanding of hand hygiene's role in disease prevention, developed practical skills in preparing these products, and actively promoted the use of these products among students, teachers, and staff members. The activity exemplifies a proactive approach to promoting health and hygiene within the school community, benefiting both immediate participants and fostering a culture of cleanliness and hygiene.

FACULTY INCHARGE: Dr. Chitra Bhattacharya

FUNDING AGENCY: None

LEVEL: University

OUT COMES:

The extension activity yielded several positive

• Enhanced Awareness: Students gained a deeper understanding of the importance of hand hygiene and its role in disease prevention.

- Practical Skills: Participants developed practical skills in preparing hand sanitizer and hand wash, enhancing their capabilities beyond theoretical knowledge.
- Community Engagement: By distributing the products within the school community, students actively contributed to promoting health and hygiene practices.
- Empowerment: The activity empowered students to take proactive steps in addressing public health issues and fostering a culture of cleanliness and hygiene.

GIVE BLOOD GIVE LIFE

The NSS unit of Atmiya University, organized a blood donation camp in the university campus with blood bank of Red Cross Society and Government blood bank of Rajkot on 09/09/2019. The camp began at 9:30 a.m. with a short inaugural function.

Prof. Yuvarajsinh Kanchava expressed his gratitude to the NSS unit of the University for its continuous endeavor in this regard. He also stressed on the growing need of blood in the state and commended the young volunteers for their noble act.

The Camp was inaugurated by P. P. Tyagvallabh Swamiji, Dr. G. D. Acharya, Principal, AITS Government Blood bank officer & Red Cross blood bank officer. Many volunteers came forward to donate blood during the camp which included teaching & non-teaching staff, students & non-student donors. At the end 223 units of Blood was collected.

The blood donors were given tea or some breakfast after donating the blood in order to reenergize them. The blood donors were provided with a blood donation certificate card by both the blood bank teams. The camp concluded at around 2:30 p.m.

This was the 1st camp conducted by the NSS unit for this academic year. The blood donation camp was coordinated by Prof. Yuvarajsinh Kanchava, NSS Programme Officer of the University with the help of NSS volunteers.

ABOUT PROGRAMME

Photography is the art, application and practice of creating durable images by recording light or other electromagnetic radiation, either electronically by means of an image sensor, or chemically by means of a light-sensitive material such as photographic film. It is employed in many fields of science, manufacturing (photolithography), and business, as well as its more direct uses for art, film and video production, recreational purposes, hobby, and mass communication.

The firm LEARN WITH FAITH arrived at the campus for the introductory session of photography and film making as a nontechnical passion of engineering student. In that session they gave wide view of professional feature and how to develop carrier in photography and film making.

OUT COME OF THE SESSION

Commercial photography is shooting images for a client that will help make the client money. The images could be used for a website, brochures, flyers, magazine advertisements, billboards, product packaging or incorporated into the product itself.

A Report on Awareness about the Effects of Tobacco Consumption on Health Date -16/07/2019

Chief Convenor - Dr. G. D. Acharya, Principal, AITS

Convener - Prof. Yuvrajsinh Kanchava, NSS Officer, Atmiya University

Name of Guest/Speaker - Dr. Rohit Bhalara, Associate Professor, Pathology Department,

PDU Medical College, Rajkot

No. of Participants – 45

"Preventing tobacco addiction and achieving cessation in established users are the cornerstones of efforts to reduce tobacco use and disease."

A seminar was organized on 16th July, 2019 on the topic "Freedom from addiction". The honorable guest of the day was Dr. Rohit Bhalara, Associate Professor, Pathology Department, PDU Medical College, Rajkot. These seminars are being held all over Gujarat as a joint initiative by Indian Medical Association, Saurashtra University and Gujarat Police.

The lecture was very informative and the slideshow was very graphical and humorous. Dr. Bhalara took on a very light hearted and funny approach to the harmful effects of tobacco though there was a grievous undertone to all of it. The faces of the students reflected just the right emotions towards the speech.

The students were also informed about a college initiative titled "Happy Club" that they can join to give back to the society. The club organizes activities that help the environment and the society. The objective being to spreading happiness throughout your surroundings.

Prof. Yuvrajsinh Kanchava concluded the seminar on a positive note for all the students and gave a vote of thanks to the guest of honor.

ABOUT PROGRAMME

Chants of Kabaddi Kabaddi reverberated Rajkot on Saturday as many of young enthusiasts of India's native sport took part in the Little Giants – Inter College Kabaddi Tournament in Rajkot.

The tournament was organized by state's own Pro Kabaddi League team, Gujarat Fortune Giants, ahead of beginning of the seventh edition of Pro Kabaddi League on July 20, in a bid to develop kabaddi culture, to popularize the indigenous game as a professional sport among youngsters in the state, and to encourage them to take up sports as a career. Gujarat Fortune Giants was the runner-up in the sixth season of the league.

Colleges in Vadodara, Surat, and Rajkot took part in the inter-College kabaddi tournament. The teams were compete against each other in the league format. Four teams from each of the four cities will take part in a final league that will be held in Rajkot on July 12.
