## ENVIRONMENTAL MICROBIOLOGY AND REGULATORY ASPECTS

23<sup>rd</sup> and 24<sup>th</sup> February 2024

Mode : Hybrid

Organized by

Atmiya University and  
 Shri M. & N. Virani Science College (Autonomous)  
 Affiliated to Saurashtra University Rajkot

"Yogidham Gurukul", Kalawad Road, Rajkot, Gujarat

### About us

The Department of Microbiology of Atmiya University and Shri M. & N. Virani Science College (Autonomous) excels in top-tier education, prioritizing student growth, intellectual development, and instilling vital human values. Graduates consistently secure prestigious positions across diverse sectors at all program levels. The "Yogidham Gurukul" emphasizes principles of higher education and human values, striving to spread enduring happiness and foster societal harmony by the extensive 23.5-acre Campus for education from kindergarten to postgraduate and research programs. His Divine Holiness Hariprasad Swamiji Maharaj, Lord Swaminarayan's spiritual successor, mentors ATMIYA University. With his blessings, His Divinity P.P. Tyagvallabh Swamiji and a dedicated team strive for unity and create advanced learning facilities. The university's esteemed status arises from exceptional facilities and qualities displayed by Atmiya Group of Institutions (AGI).

### Theme areas

1. Industrial pollutants and the microbiome: the regulatory perspective
2. Antibiotic resistance and Microbiome: The Future of Regulatory Affairs
3. Regulatory Affairs: Microbes in Green Energy
4. New Regulations on Greenhouse Gas Sequestration Using Microbes
5. Climate Change and Microbes: The New Frontier in Regulatory Affairs
6. Geology and microbiology: the perfect match for regulatory success.

### Places near to Rajkot to visit

The vicinity of Rajkot is home to a number of attractions, ranging from ancient cities and temples to beaches and historical monuments. Some of the most prominent of these attractions are Dwarka and Somnath, as well as the Gir National Park and Porbandar. Other attractions in the vicinity include Gondal Caves, Nalsarovar, the Girnar Hill, and Lothal, which is an ancient city from the Indus Valley Civilization and a major archaeological site of India.

#### Various Committees

All the Faculties and Staff

### About the conference

The National conference on "Environmental Microbiology and Regulatory Aspects" will be held by the Department of Microbiology at Atmiya University and Shree Manibhai Virani and Navalben Virani Science College (Autonomous) Rajkot from February 23<sup>rd</sup> – 24<sup>th</sup>. This event provides an excellent opportunity for environmental scientists, researchers, academicians, and policy makers to discuss new developments in microbiology and their potential role in tackling present-day environmental issues. The goal of the conference is to bring together experts from both public and private sectors to share insights on emerging technological trends related to government regulations concerning microbial ecology. The conference provides a national platform for researchers to share and converse about their most recent findings with experts in their specific areas of study. The agenda will include expert talks, research poster presentations and oral talks, centering on the latest advancements in environmental microbiology.

### List of speakers in conference

Prof. Hemant Purohit  
 Former Head of Genomics Unit, National  
 Environmental Engineering Research Institute, Nagpur

Prof. Dayanad Aghar  
 Vice Chancellor, Gulbarga University, Kalburgi

Prof. Shashikala Ch.  
 Professor, Jawaharlal Nehru Technological

## Conference Theme & Tracks

The 2<sup>nd</sup> International Conference on Emerging Trends & Contemporary Practices (ICETCP-2024) aims to explore the inter-connected dimensions of technology, Sustainability and Co-existence. We aim to explore pathway to address emerging sustainability challenges arising out of fast changes in the technology coupled with social and economic dynamics across the world.

We believe that the Universal Co-existence and harmony is foundation development and progress in all other spheres. Building on the Atmiya University's Core philosophy of 'Universal Harmony' We will be discussing and developing agenda for humanitarian development through responsible use of technology for the larger good.

## ICETCP-2024 is organized in three tracks :

### TRACK I - TECHNOLOGY

Globally, the technological developments are happening at the rapid pace, influencing the complete shift in the way of doing the things. On the one side, the new technology driven development models are triggering innovation across the industries and sectors. Through this track, we seek research contributions focusing on new technological developments as well as technology-driven solutions to different social, economic and environmental problems. We also encourage researchers to critically examine and assess the application of technology across the different settings with emphasis on arising issues from the use of technology. More specifically one or more dimensions of technology development and its' application can be linked to some of the following:

- Artificial Intelligence (AI), Big Data and Edge Computing, Machine Learning (ML) Deep Learning, IoT, Cloud Computing, Networking & Security, Data Mining.
- Robotic Process Automation.
- Renewable Energy-Integration and Power Quality Management.
- E-Mobility and Electrical Vehicle Transportation.
- Industry 4.0
- Tech-Driven Business, Social Enterprises and other Developmental Interventions.
- Recent Developments in Healthcare Technologies.
- Responsible Adaption and use of Technologies.
- Technology, Development and Ethical Issues.

### TRACK II - SUSTAINABILITY

Sustainability consists of fulfilling the needs of current generations without compromising the needs of future generations, while ensuring a balance between economic growth, environmental care and social well-being. Through exclusive track on sustainability, we invite inter-disciplinary research contributions focusing on identification of sustainability issues and/or proposing the solutions. Some of the indicative areas are:

- Transparency and Governance.
- Inclusive Development and Poverty Radiance.
- Business Processes and Practices for Sustainability Performance.
- Sustainable Infrastructure, Real-estate and Transportation.
- Sustainable Agriculture.
- Sustainable Enterprises and Triple Bottom-line Optimization.
- Developing Sustainable Mind-set.
- Education for Sustainable World.
- Drivers of Sustainability in a Particular Context.
- Indian Knowledge System and Sustainability.
- Gender Equality.
- Entrepreneurship for Sustainability.
- Health and Sustainable Development.
- Sustainable Development Goals (SDGs).

## TRACK III - CO-EXISTENCE

Co-existence is living in harmony and peace with other individuals, systems and nature at large. Developing co-existential systems and individuals requires not only the appreciation towards rights and dignity of others but also the logical analysis and interventions to prevent the adverse impacts of race towards accelerated growth. The human factor is at the core of the co-existential philosophy. In this inter-disciplinary track, we invite research contributions that investigate one or more of the following:

- Education and Training for Co-Existential Living.
- Comparative Philosophies and Elements of Co-Existential Living.
- Models and Practices Promoting Co-Existence at Different Levels.
- Systemic Interventions for Peace and Harmony.
- International Efforts in Promoting Co-Existence, Peace and Harmony.
- Factors Challenging Realization of Co-Existential Living.
- Inter linkages between Co-existence and development.

## About University

Atmiya University is a multi-disciplinary university committed to foster knowledge creation and dissemination in various disciplines through value based education. With an academic journey of 50+ years, in 2018, various institutions functional under the Atmiya Group of Institutions were brought under the umbrella of Atmiya University. The University is established under Gujarat State Private University Act 11; And is duly recognized by the University Grants Commission (UGC). Various programs at the University are approved by concerned national regulatory bodies like AICTE and PCI.

The motto of the University is सुहृदं सर्वभूतानाम् (suhṛdaṁ sarva-bhūtanam) which means well-wisher of all living beings. Under the divine blessing of H.D.H Shree Hariprasad Swamiji Maharaj, P. P. Premswaroop Swamiji Maharaj the spiritual leaders and mentorship of P. P. Tyagvallabh Swamiji, the President of Atmiya University, the University is making great efforts to spread essence of Atmiyata (Spiritual Harmony) through education.

The University is located in the heart of Rajkot city, the education and economic hub of the Saurashtra region (South-West part of the State of Gujarat, India). The campus spreads across the sprawling lush green 23+ acres of land with state-of-the-art infrastructure, adequate support facilities and excellent landscaping.

Value based education is at the core at the University. Along with the professional skills in various domains of higher education, the education model at the University equally focuses on showing the path to enshrine Life Skills (Jeevan Vidya – Human Values) and global sustainability among stakeholders. The University is committed to offer one of the most stimulating environment in the pursuit of transformative education by inculcating blend of research and innovation in the creative minds of the youth and for living life to the fullest.

As a multi-disciplinary University, Atmiya University offers diploma, undergraduate, postgraduate, postgraduate diploma and doctoral programs in areas such as Engineering & Technology, Science, Business & Commerce, Health Sciences and Humanities & Social sciences.

## About Rajkot

Rajkot, Gujarat, is the state's fourth-largest city with a vibrant history, serving as its administrative hub. It's been pivotal for Gujarat's development and culture.

Rajkot City thrives as an industrial hub, excelling in machine tools, foundry, and kitchenware production, driving innovation and economic growth. The city's mastery extends to the imitation jewelry industry, where intricate craftsmanship meets modern design, and it boasts a vibrant silver and gold market, reflecting its rich cultural heritage and trading prowess.

## About Saurashtra

Saurashtra is a region located on the western coast of India, primarily within the state of Gujarat. It is known for its rich cultural heritage, historical significance, and diverse geography. The region has a blend of traditional and modern elements, making it a hub for industries, agriculture, and tourism.

## How to reach

**By Road:** Reach Rajkot by road via NH27 or NH947 from nearby cities; it's well-connected with a network of highways.

**By Train:** Board a train to Rajkot, which is a major junction in Gujarat with trains connecting from various parts of the country.

**By Air:** Land at the Rajkot international airport. The airport is well-connected with domestic flights, making it a convenient option for travelers.

#### Accommodation:

Limited sharing accommodation shall be  
provided on payment based on availability.

#### Training Highlights

- Overview of Enzyme Extraction and Purification
- Detailed Process of Enzyme Assay and Determination of Activity
- Study of Enzyme Kinetics
- Optimization Study of Enzyme
- *In-silico* Graphical Elaboration and Analysis of Protein Activity
- SDS PAGE
- Column Chromatography for Protein Purification

#### Outline of the Workshop:

- Techniques of Enzyme Separation and Estimation
- Enzyme Optimization Study
- Enzyme Purification Study
- Enzyme Kinetics Study
- Graph plotting and its interpretation
- SDS - PAGE

## About the Workshop

The state level training on “Enzyme Assay & Kinetics” will be held by Department of Microbiology, Atmiya University, Rajkot, Gujarat in collaboration with BioInnovale Lifescience (P) Ltd., Bangalore from 16<sup>th</sup> to 22<sup>nd</sup> January 2024. The training program is to focus on fundamental practical aspects and work flow of tools and techniques utilized in enzyme assay & kinetics. The participants will be provided with extensive hands-on training modules based on experimental methods and a critical detailing on basic conceptualization of enzyme technology. Moreover, the theory modules will be focusing on fundamental understanding of enzymes assay, optimization, purification, kinetic study and its application in various sectors.

# One Day Hands-on Workshop on Molecular Docking & Drug Discovery

## ATMIYA UNIVERSITY

(Established under the Gujarat Private University Act 11, 2018)

Yogidham Gurukul, Kalawad Road, Rajkot - 360005, Gujarat (INDIA)

### Notice

We are pleased to announce a One Day Hands-on Workshop on "Molecular Docking & Drug Discovery". This workshop is an excellent opportunity to gain practical experience and enhance your skills in the field of molecular docking and drug discovery.

Date - 26-08-2023

Resource Person - Prof.ChandrajitLahiri, Department of Biotechnology, Rajkotand Dr.ParthThakor, Charotar University of Science and Technology, Changa

Faculty In-charge - Dr.BhargavWaghela

Venue: Seminar Hall, 425

Workshop Highlights:

- Introduction to Molecular Docking
- Drug Discovery Process
- Hands-on Session with Molecular Docking Software
- Case Studies and Applications
- Q&A with Experts

Who can attend?

This workshop is specifically designed for M.Sc. Microbiology students who are interested in expanding their knowledge and practical skills in molecular docking and drug discovery.

We look forward to your participation in this enriching workshop.

11<sup>th</sup> February, 2023

Mode : Hybrid (Offline / Online)

Organized by

Department of Microbiology

**ATMIYA UNIVERSITY**

"Yogidham Gurukul", Kalawad Road, Rajkot, Gujarat

## About University

Atmiya University bestows wisdom and knowledge upon the learner to recognize the essence of spiritual, moral, and ethical values. The great historic foundation of this institution was laid under the blessings and diligent effort of H.D.H.P.P. Shri Hariprasad Swamiji and P.P. Tyagvallabh Swamiji. The successful establishment of Atmiya University had taken place on April 13, 2018, under the Gujarat Private University Act 11, 2018. Atmiya University is devoted to the path of conveying skill-oriented knowledge, universal human values and the essence of morality to all sectors of society. Outcome Based Education System has been adopted for all the programmes of the University.

## About the Department

The Department of Microbiology maintains the legacy of providing quality education for decades. The Department focuses on the continuous development of students by nurturing scholarly progression, inquisitiveness, intellectual development, human values and offers an array of programs and courses at UG, PG & Doctoral levels. Alumni of the department are placed in higher positions in reputed sectors.

## About the Conference

The conference forum is delighted to welcome passionate and enthusiastic academicians, researchers, industrial professionals, and students associated with sub themes of Agricultural Microbiology. The conference deliverables intended to enhance innumerable novel research concepts on emerging trends in Agricultural Microbiology. It is also a single platform to strengthen the exchange of myriad interactive research ideas among researchers providing an opportunity for an enriched professional outgrowth and well-built networking. The sessions will cover the following major areas: Microbes association with Plants, Plant pathology, Plant growth promoters, and applied areas of Modern Agricultural Techniques. The conference forum assures an outcome in form of national and international reputed paper publications in near future.

## Theme of Conference

- ◆ Microbes as plant growth promoters.
- ◆ Plant microbes interactions.
- ◆ Microbial response to abiotic & biotic factors.
- ◆ Sustainable approach to control plant disease using microbes.
- ◆ Role of microbes in biogeochemical cycling.
- ◆ Modern approaches in agricultural microbiology: Genomics, GMO, Nanobiotechnology etc.

## About Eminent Speakers

- ❖ **Prof. D.K. Maheshwari**  
Former Vice Chancellor, Gurukul Kangri University, Haridwar
- ❖ **Dr. Snehal Bagatharia**  
Joint Director, Gujarat State Biotechnology Mission, Gandhinagar
- ❖ **Dr. Suchi Shrivastava**  
Principal Scientist, National Botanical Research Institute, Lucknow
- ❖ **Dr. Poonam C. Singh**  
Principal Scientist, National Botanical Research Institute, Lucknow

## Post Conference Attraction

One day paid tour to **Gir & Somnath** shall be arranged for interested participants on 12th February, 2023.

Gir Somnath district is located in the Saurashtra region of Gujarat and is surrounded by the Arabian sea. Gir-Somnath is very famous for Somnath Temple, the first jyotirlinga of lord Shiva among the twelve jyotirlingas of India and Gir Sanctuary, only abode to Asiatic lions.

## Workshop on Design of Steel Structures

(For the students of Civil Engineering Department)

28 & 29 September 2022

09.00 AM to 01:00 AM IST

Lab No. -58

Cordinator

**Mr. Mayank Parekh**

Assistant Professor,  
Civil Engineering Department,  
Atmiya University,  
Rajkot.

Organized by

Civil Engineering Department  
Atmiya University

Yogidham Gurukul, Atmiya University, Rajkot-360005

[www.atmiyauni.ac.in](http://www.atmiyauni.ac.in)

## Introduction

A steel structure workshop for a Civil Engineering Department serves as an essential facility for hands-on training, research, and project development. This report outlines the design principles, material considerations, structural analysis, and practical aspects of constructing such a workshop.

## Objectives

- Provide a functional space for practical learning and experimentation.
- Ensure safety and compliance with relevant building standards.
- Incorporate sustainable and cost-effective design practices.

# INTERNATIONAL CONFERENCE

ON

# EMERGING TRENDS & CONTEMPORARY PRACTICES

**19-20  
MAY  
2022**

Theme of Conference :

## Realisation of SUSTAINABLE DEVELOPMENT GOALS under Current Scenario

GLOBAL PARTNERS :

宮崎大学  
UNIVERSITY OF MIYAZAKI

### MAJOR ATTRACTIONS

- Publication opportunities in high index journals; Scopus, Web of Science & Equivalent. \*
- Selected papers will have opportunity for publication in reputed journals like JoME, IJRTBT, IJMHS, AJMT, etc. \*
- Remaining papers will be published in conference proceedings with ISBN. \*
- Globally acclaimed and eminent Keynote speakers.
- Keynote Address, Panel Discussion and Poster Presentation Competition (on Twitter).
- Award of Best paper and Best Poster.

\* - Publication charges would be as per the norms of publisher

### CONFERENCE TRACKS

#### SUSTAINABLE WELLNESS

The sub themes include regenerative health, sustainable medication, meditation (Yoga), Ayush, Predictive and Preventive health diagnosis and treatment, green chemistry, environmental chemistry, chemical waste management and ecology.

#### SUSTAINABLE BUSINESS

The sub themes include sustainable startups and entrepreneurship, Resilient and Inclusive Entrepreneurship, Entrepreneurial Communication, Social Entrepreneurship, E-commerce in sustainable business, Green Jobs, Circular Economy, Organic Development, Green Finance, Green Marketing.

#### INDIGENOUS KNOWLEDGE SYSTEM

The sub-themes should include Education and Mythology, Application of Vedic Knowledge Systems in Contemporary Education System, National Education Policy - 2020, Purana Studies, Indian Culture and Sustainability, Culture and Art, Universal Human Values: Happiness in every individual, prosperity in every family, fearlessness in society and coexistence in nature, Application of Universal Human Values in Higher Education.

#### SUSTAINABLE TECHNOLOGY

The subthemes of sustainable technology include agriculture productivity, infrastructure development, Energy conservation, Green Product development & automation, Environment quality, Technology supported sustainable development, data analytics and business intelligence, Artificial Intelligence and Machine Learning, Cloud Computing, Digital Social Innovation, Sustainable Design, Green Chemical Process Engineering, Infrastructure for Sustainable Technology.

#### IMPORTANT DATES

Full Paper Submission : **March 11<sup>th</sup>, 2022**

Communication of Acceptance after review by : **April 15<sup>th</sup>, 2022**

Last Date of Registration by : **April 28<sup>th</sup>, 2022**

Last date of Presentation / PPT submission by : **May 4<sup>th</sup>, 2022**

#### REGISTRATION FEES

Fees applied per person

For Indian Author : **₹ 250** | For Foreign Author : **\$ 10**

\* There are no registration charges for Faculties and Research scholar of partnering universities/institutes. \* Paper receives of good quality from an international scholar also exempted from registration charges.

Important : \* Maximum number of Authors allowed per paper are 3. The above fees are for Online mode of Presentation. If the conference converted into Off line mode and to be presented in onsite form the additional charges may apply for those who choose to present in offline mode.

### ABOUT ATMIYA UNIVERSITY

ATMIYA University - सुदृढवैद्विज्ज्ञानं, a 21st Century spiritual-educational commune is spread over 23.5 acres of land. It is managed by the Sponsoring Society, Viz. Sarvodaya Kelavani Samaj, Rajkot. This Society also runs educational institutions ranging from KG to PG as well as Research in the contemporary areas of Science, Pharmacy, Technology, Commerce, Economics, Management, Humanities & Social Sciences, in Rajkot - Gujarat. Academics at the newly formed ATMIYA University is sure to attain eminence above every seat of learning since it is formed with the grouping of individual institutions which have already won the praises of the academicians, patrons, philanthropists, bureaucrats, elected representatives of the State and men of wisdom from different beliefs by virtue of its antiquity, curriculum, doctrine, privileges and credentials over several years.

The University focuses on the Holistic Development of the Students through its Curriculum where values are placed in the centre and at the same time adopting CBCS and OBE. All UG & PG programmes have embedded choices from Value Added Courses, Co-Curricular Courses and Generic Elective Courses which are compulsory, besides Inter-multi & trans Disciplinary along with Core Elective Courses leading to the transformation in the Students.

### ABOUT CONVENTION

The Convention comprises several technical and non-technical events for students of the entire Gujarat state & thus brings them to a common platform for exchanging ideas. The theme "Environment Sustainability - Role of Science & Technology" and the motive of Sustainable Development Goals is primarily to promote economic growth, social development, and climate action. SDG 9 recognizes that humanity's ability to connect and communicate effectively, and develop our expertise in industry and technology is crucial in overcoming the many interlinked economic, social and environmental challenges.

This event would also be marked for celebration of National Science Day 2022 under the theme of "Integrated approach in science and technology for a sustainable future"

### ABOUT THE ISTE

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. The major objective of the ISTE is to provide quality training programmes to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity and to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industry and other organisations. At present, the ISTE has a very large and an effective membership base consisting of 124024 Life Members, 5 lakh Student members, 2734 Institutional Members, 1369 Faculty Chapters, 1479 Student Chapters at institutional level and 17 Sections at State level. ISTE Gujarat Section is one such section working within geographical limit of Gujarat.

Time:- 09:30 am onwards

Venue:- Atmiya University, Rajkot

Head of Department  
Department of Mathematics  
Faculty of Science  
Atmiya University  
Rajkot

📌 **Requirements-** All participants must have following to attend the workshop

- ✓ Laptop/ Desktop with MS office 2016/2019
- ✓ Headphone/ Handsfree
- ✓ Internet Connectivity

📌 **Time:** 2:00 to 5:00pm

📌 **Resource persons:**

Dr. Ravi Ranjan  
Kumar Ravi

Dr. Chitra  
Bhattacharya

Dr. Mousumi  
Das

📌 **Registration Link**

📌 **Registration Fees**

Student/ Researchers: 200/-  
Faculty/ Professional: 600/-

📌 **Payment Details-** Pay via

**paytm**

## About Virtual Lab

Virtual labs are intended to augment the learning of science with scientific experiments. This program will provide the opportunity for faculties and students to develop their personal and professional skill for creation of virtual lab. This certificate program is a demand of current Covid19 situation to make students acquainted with actual scientific experiments. In this course we explore basic animation to creation of scientific experiment using online tools. Virtual lab provides a complete Learning Management System to avail the various tools for learning, conducting experiments, video-lectures, animated demonstrations and self-evaluation.

**E-Certificate will be provided to the Participants on successful submission of all 5 days Assignments**

**ORGANIZED BY**

Department of Biotechnology &  
Microbiology

Faculty of Science, Atmiya University,  
Rajkot, Gujarat

## ONLINE CERTIFICATE COURSE

On

**“Use of Animation in  
Creating Virtual Lab for  
Bioscience”**

**18<sup>th</sup> – 22<sup>nd</sup> August 2020**

**Online Platform Cisco Webex**

## GOOGLE SKETCH UP A HELPFUL TOOL FOR CIVIL ENGINEER

For the students of Civil Engineering Department

30 July 2020

10:00 AM to 12:00 PM

Zoom Online Meeting

### Coordinator

Prof. Hiren Ramani  
Assistant Professor
