Conference Theme & Tracks

The 2nd International Conference on Emerging Trends & Contemporary Practices (ICETCP-2024) aims to explore the inter-connected dimensions of technology, Sustainability and Co-existence. We aim to explore pathway to address emerging sustainability challenges arising out of fast changes in the technology coupled with social and economic dynamics across the world.

We believe that the Universal Co-existence and harmony is foundation development and progress in all other spheres. Building on the Atmiya University's Core philosophy of 'Universal Harmony' We will be discussing and developing agenda for humanitarian development through responsible use of technology for the larger good.

ICETCP-2024 is organized in three tracks :

TRACK I - TECHNOLOGY

Globally, the technological developments are happening at the rapid pace, influencing the complete shift in the way of doing the things. On the one side, the new technology driven development models are triggering innovation across the industries and sectors. Through this track, we seek research contributions focusing on new technological developments as well as technology-driven solutions to different social, economic and environmental problems. We also encourage researchers to critically examine and assess the application of technology across the different settings with emphasis on arising issues from the use of technology. More specifically one or more dimensions of technology development and its' application can be linked to some of the following:

- o Artificial Intelligence (AI), Big Data and Edge Computing, Machine Learning (ML) Deep Learning, IoT, Cloud Computing, Networking & Security, Data Mining.
- o Robotic Process Automation.
- o Renewable Energy-Integration and Power Quality Management.
- o E-Mobility and Electrical Vehicle Transportation.
- o Industry 4.0
- o Tech-Driven Business, Social Enterprises and other Developmental Interventions.
- o Recent Developments in Healthcare Technologies.
- o Responsible Adaption and use of Technologies.
- o Technology, Development and Ethical Issues.

TRACK II - SUSTAINABILITY

Sustainability consists of fulfilling the needs of current generations without compromising the needs of future generations, while ensuring a balance between economic growth, environmental care and social well-being. Through exclusive track on sustainability, we invite inter-disciplinary research contributions focusing on identification of sustainability issues and/or proposing the solutions. Some of the indicative areas are:

- Transparency and Governance.
- Inclusive Development and Poverty Radiance.
- Business Processes and Practices for Sustainability Performance.
- Sustainable Infrastructure, Real-estate and Transportation.
- Sustainable Agriculture.
- Sustainable Enterprises and Triple Bottom-line Optimization.
- Developing Sustainable Mind-set.
- Education for Sustainable World.
- Drivers of Sustainability in a Particular Context.
- Indian Knowledge System and Sustainability.
- Gender Equality.
- Entrepreneurship for Sustainability.
- Health and Sustainable Development.
- Sustainable Development Goals (SDGs).

TRACK III - CO-EXISTENCE

Co-existence is living in harmony and peace with other individuals, systems and nature at large. Developing co-existential systems and individuals requires not only the appreciation towards rights and dignity of others but also the logical analysis and interventions to prevent the adverse impacts of race towards accelerated growth. The human factor is at the core of the co-existential philosophy. In this inter-disciplinary track, we invite research contributions that investigate one or more of the following:

- Education and Training for Co-Existential Living.
- Comparative Philosophies and Elements of Co-Existential Living.
- Models and Practices Promoting Co-Existence at Different Levels.
- Systemic Interventions for Peace and Harmony.
- International Efforts in Promoting Co-Existence, Peace and Harmony.
- Factors Challenging Realization of Co-Existential Living.
- Inter linkages between Co-existence and development.

About University

Atmiya University is a multi-disciplinary university committed to foster knowledge creation and dissemination in various disciplines through value based education. Sub: Thanks for delivering very interesting lectures and arranging workshop on
“Introduction to Jeevan Vidya “from dt 20-11-2023 to dt 25-11-2023 at K J Campus,
Savli

Respected Sir,

On behalf of entire KJIT Campus Savli, I express my sincere thanks and gratitude to you for delivering very interesting lectures and arranging live workshop on “Introduction to Jeevan Vidya” based on Madhyastha Darshan and Saha-astitva-vad philosophy propounded by late Shri A. Nagarajji, Amarkantak.

This Jivan Vidya Parichay shibir /workshop was conducted from dt 20-11-2023 to dt 25-11-2023 (Total: 06 day’s). Here total 75 Nos of faculties and 35 No’s of students have attended this workshop.

All our faculties and students have very actively participated in this workshop with due interactions and thoroughly understood how to live our life with continuous happiness.

During this workshop, we have understood that for successful life of any human being, apart from Skill education and Value (Sanskar) education is also needed.

We also intend to conduct such programs at regular intervals in our K J Campus.

Hence we also hope that you will extend your cooperation for arranging such workshops in our KJIT Campus in future also.

Thanking you.

Yours sincerely,

Principal

Introduction

The *Madhyashtha Darshan* (Co-existential philosophy), propounded by Shri A. Nagaraj, offers a holistic approach to effectively address the complex challenges of life for harmonious living. The uniqueness of this approach lies in integration of individual life, society and nature. Today, while the entire world is struggling with the consequences of compartmentalized treatment of economic, political and social issues, the *Madhyashtha Darshan* offers a new paradigm to understand and sustainably solve the most pressing problems of life and society. Free from any 'ism' or 'prescription', this approach can be a source of practical wisdom in our collective journey towards an evolving better world.

Atmiya University (erstwhile Atmiya Group of Institutions) has been one of pioneering institutions in adapting the *Madhyashtha Darshan* in higher education through various teaching, research and outreach interventions. In order to prepare the next generation of thought leaders in co-existential philosophy, Atmiya University, in collaboration with Divyapath Sansthan, Amarkantak, introduces this faculty development cum capacity building programme certificate in Consciousness Development and Value Education, which is also in line with the New Education Policy (NEP 2020) of the Government of India.

Programme Objectives:

More specifically, the programme aims to:

- Develop in-depth understanding of co-existential knowledge system in light of MadhyashthaDarshan;
- Prepare the participants for effective design and delivery of courses integrated with co-existential philosophy in their respective domains; and
- Inspire thought leadership in application of co-existential philosophy in value education through research and training.

Learning Resources:

Study of 15 books related to -

- Introduction to Madhyashtha Darshan and fundamental concept (परिचयात्मक पुस्तक एवं अन्य विषय वस्तु)
- Books on VAD based on Madhyashtha Darshan (मध्यस्थ दर्शन आधारित'वाद')
- Books on Shastra based on Madhyashtha Darshan (मध्यस्थ दर्शनआधारित'शास्त्र')
- Books on Darshan based on Madhyashtha Darshan (मध्यस्थदर्शनआधारित'दर्शन')
- Book on Human Constitution based on Madhyashtha Darshan (मध्यस्थ दर्शन आधारित मानवीय संविधान)
- Study of research methodologies and basic literature review
- Study of tools and techniques for translation and preparation of digital contents

Programme Delivery and Pedagogy:

- Classroom mode (Instructor led) with resource persons from *Divyapath Sansthan, Amarkantak* and ancillary organizations

Resource Persons (Prabodhak):

Certification and other benefits:

- Participants successfully completing this program will receive **Certificate in Consciousness Development and Value Education.**

In addition, this program, subject to approval of the Board of Studies and other Statutory bodies of the University, may also be recognized as a part of proposed PG Diploma/Degree program in Consciousness Development and Value Education and/or Ph.D. course work requirements for research work on co-existential knowledge system.

Who can Participate?

- Faculty/ staff members and others with interest in co-existential knowledge system.
- Internal Faculty/staff members working in Universal Human Values unit of the University. They should demonstrate willingness to contribute in this direction for relatively long service-duration at the University.

Date and Timings:

- The programme will be organized during 14th November 2022 to 13th May 2023 on all working days except Sundays and major public holidays.
- The programme timing will be 2.00 pm to 6.00 pm.

For internal faculty/ staff members participating in the programme the University Timings will be 9.00 am to 1.00 pm; and their teaching-load will be limited to 10 Lecture Hours per week. They will preferably be less involved in other departmental and administrative duties for allowing them to focus more in the program.

जीवन विद्या परिचय कार्यशाला अहमद प. नागराज प्रवक्ता: मध्यस्थ दर्शन

क्या आप कभी ये सोचते हैं?

- बड़े बड़े उत्साह और उत्साह से बने किफा हुआ संघ को छोड़ कर जोर कभी होता जाता है?
- पिछले 20 सालों में दुनिया के हर घर में सुविधाएं क्यों लीकिन क्या कुछ बदलें?
- विश्व और सरकार के दर प्रयास के बाद भी कलास कम क्यों खाली?
- साधनों की विपुलता होने के बाद भी जगह और जालान कम क्यों?
- हमारे बच्चों के लिए संकुक करने के बाद भी हमारी कमी नहीं सुनने?
- उम्र बढ़ने के साथ पति-पत्नी का आधार में संवाद भी औपचारिक क्यों होता आ रहा है?
- आधुनिकता के चिकित्सा और वैक्सिनेशन के बावजूद बीमारियां क्या बढ़ रही हैं?
- दुनियां सारे आंतरराष्ट्रीय सम्मलेन और सम्मलेन के बाद भी कमील सॉलिंग कब?
- अपने के प्रश्न हमेशा रहेंगे? इतना क्या समाधान कैसे होगा! उसका क्रम क्या होगा?...

जीवन विद्या शिबिर की विधि

- संक्षिप्त में कहें तो यह कार्यशाला सर्वज्ञान संवेदन / संसृष्टि कुंठकाम / जलक संज्ञान सार्वभौम व्यवस्था के अर्थ में एक प्रस्ताव है, जो संवाद विधि से चलता है। और इस कार्यशाला को महत्वपूर्ण बात यह है कि हममें विधि जानेवाले प्रस्ताव को आगेकी सोचा-सोचा "साधना मही" है, किन्तु उसे प्रायोजनिक - सार्वभौमिक सार्वकालिक एवं तात्त्विक-तार्किक और व्यवहारिक मापदंडों के आधार पर जांचकर "जानना" है और जीना है।

Biotechnology Industry Bootcamp

The biotechnology industry has harnessed the power of the life sciences to create life saving advances in human health, increase the productivity of agriculture, and enable amazing innovations in other industries, such as biofuels.

Keck Graduate Institute (KGI) and Atmiya University are partnering to present a three-day boot camp designed to introduce students to biotechnology. The program will feature highly interactive sessions in which students will learn about the global life science industry, understand processes by which scientific advances are commercialized into companies, and explore career options in biotechnology.

Highlights

The boot camp is designed as a highly interactive, discussion-oriented event. Highlights of the program include:

- An overview of the biotechnology industry from both the perspective of the United States and India.
- An interactive boot camp event, in which small teams of students will investigate the discovery and commercialization of a major biomedical innovation within the biotechnology industry.
- An in-depth analysis of a business case study exploring how discoveries from universities are commercialized into biotechnology firms.

- A half-day bioentrepreneurship pitch competition, in which teams of students will develop a business pitch surrounding the commercialization of an innovation in regenerative medicine.
- An overview of career options within the biotechnology and pharmaceutical industries. A review of educational opportunities to develop a career in biotechnology offered by KGI at both its campus in California and through its partnership with the Biocon Academy in Bangalore.
