Student Induction Program Report

Objective of the Orientation Program:

The Student Induction Program (SIP) was designed to help new students transition smoothly into university life, connect with faculty and peers, and develop essential skills. The program aimed to instill a sense of responsibility, ethical values, and provide guidance on university resources and expectations. The activities were structured to support the students' academic, personal, and social development.

Atmiya University has arranged **online** "Students Induction Program" for the newly admitted students of in various faculty. Students, Parents, Dignitaries of University, HODs, Committee members and faculties were present in the program.

The SIP is a unique and fully faculty mentored induction program which aims to provide training to the new students to help them in the transition from school to university, to improve their respective skills and proficiency, and to appreciate the significance of management societal connect.

Orientation day was started with Prayer as per our Indian Tradition and spiritualism which was followed by video speech of "Param Pujya Tyag Vallabh Swamiji" with his blessings. After that welcome address was delivered by Dr. K. D. Ladva sir. Then students were introduced to Atmiya University with AU documentary.

HOD informed general rules of University and introduction of faculty members.

We encourage all newly admitted students to actively participate in this program as it will facilitate a smooth transition from school to college life, enhance your skills, and foster a deeper understanding of societal management.
