Gender Equality Policy

ATMIYA UNIVERSITY

(Established under the Gujarat Private University Act 11, 2018)

Yogidham Gurukul, Kalawad Road, Rajkot - 360005, Gujarat (INDIA)

Gender Equality Policy

Atmiya University is committed to fostering an inclusive, respectful, and equitable environment that ensures gender equality in all its operations and interactions. This policy aligns with **SDG 5 (Gender Equality)**, **SDG 10 (Reduced Inequalities)** and it is inline with Gender Equality Act 2020. It reflects the university's dedication to upholding the principles of fairness, respect, and opportunity for all genders.

Objectives

1. To ensure a safe, secure, and inclusive environment free from discrimination and harassment.
2. To promote equal opportunities in education, employment, leadership, and decision-making roles.
3. To encourage gender-sensitive practices and break barriers to achieving gender equity.
4. To empower individuals through awareness, capacity-building, and mentorship initiatives.
5. To integrate gender equality into the university's policies, curriculum, research, and outreach programs.

Scope

This policy applies to all stakeholders of Atmiya University.

Key Policy Provisions

1. **Equal Opportunity in Recruitment and Promotion**
 - o Recruitment and promotion processes are gender-neutral, based solely on qualifications and competencies.
 - o Leadership roles are open to all genders.
2. **Safe and Secure Campus**
 - o Formation / Updating of Statutory bodies like the **Internal Compliance Committee, Grievance Redressal Cell, and Equal Opportunity Cell** to ensure safety and inclusivity.
 - o Zero-tolerance approach to harassment, abuse, and discrimination.

3. Infrastructure and Facilities

- A dedicated working women's hostel for safe and comfortable accommodation.
- Girls' common rooms equipped with attached bathrooms, vending machines, and recreational facilities.
- Secure workspaces with CCTV surveillance, well-ventilated offices, and accessible amenities.
- A **Day Care Centre** with caregivers supports work-life balance for staff and faculty.

4. Workplace Benefits

- Maternity leave and childcare facilities to support female employees.
- Equal access to professional development opportunities and recognition for contributions.

5. Education and Awareness

- Workshops and seminars on gender sensitivity, government schemes for women, and skill development.
- Integration of gender studies and human values in the curriculum.
- Campaigns and programs to foster awareness of menstrual hygiene, health, and wellness.

6. Mentorship and Empowerment

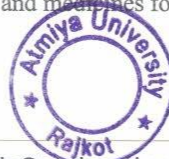

- Initiatives like the **Empowerment of Girls (EoG)** program to develop leadership and service ideals.
- Counselling programs such as **Jeevan Vidya sessions** to nurture emotional resilience and psychological well-being.

7. Gender-Specific Initiatives

- Facility of NCC Girls Wings.
- **Gender Champion Cell** promotes gender sensitivity and equal rights through campus-wide programs.

8. Health and Wellness

- Regular health check-up camps, anemia screening, and cervical cancer awareness programs.
- Subsidized vaccinations and medicines for stakeholders.

Atmiya University

Rajkot

ATMIYA UNIVERSITY

(Established under the Gujarat Private University Act 11, 2018)

Yogidham Gurukul, Kalawad Road, Rajkot - 360005, Gujarat (INDIA)

9. Recognition and Priority Admission

- Special Considerations for admissions for single girl children in postgraduate programs.

10. Monitoring and Evaluation

- The university will regularly review and update the policy to ensure its effectiveness.
- Gender audits will assess the implementation and impact of gender equality measures.

Implementation and Accountability

The policy is implemented under the guidance of the **Anti-Discrimination Committee**, which oversees compliance and addresses concerns related to gender inequality. Regular training sessions and awareness programs are conducted to sensitize all stakeholders about the importance of gender equity.

Conclusion

Atmiya University's Gender Equality Policy is a testament to its commitment to fostering a culture of respect, equity, and inclusion. By empowering individuals and removing systemic barriers, the university aims to inspire positive change and nurture a community where everyone can thrive irrespective of their gender.

Day Care Centre

ATMIYA UNIVERSITY

(Established under the Gujarat Private University Act II, 2018)

Yogidham Gurukul, Kalawad Road, Rajkot - 360005, Gujarat (INDIA)

Day Care Centre Report

Atmiya University has a “Day Care Centre” for the wards of its faculty and staff members as University is committed to provide a safe, supportive and stimulating environment. The centre incepted in 2018 to support work-life balance for its faculty and staff members. This initiative was aimed at assisting employees who are parents by offering a secure and welcoming space for their children during working hours. The university’s emphasis on family welfare and employee satisfaction led to the creation of this facility.

Purpose:

The main objective of the Day Care Centre is to provide faculty and staff members with peace of mind while they focus on their professional responsibilities. It is also a key part of the university's broader approach to inclusivity, gender equity, and promoting a healthy work-life balance.

Services and Facilities:

- Age-appropriate Care:** The Day Care Centre is designed to cater to children from infants up to the age of 08 years, with age-specific care plans, activities, and routines.
- Well-Trained Staff:** The Centre is staffed with experienced caregivers and child development specialists who ensure that the children receive quality care, early learning, guidance and emotional support.
- Safety and Hygiene:** The safety of the children is of paramount importance. The Centre is equipped with child-proofing features, and staffs’ adheres to strict hygiene and safety protocols. This promotes physical well-being and instils good habits.
- Learning and Play:** Recreational & Educational activities are tailored to the developmental stage of each child. Infants engage in sensory exploration, while toddlers and preschoolers participate in activities promoting cognitive, social, and motor skills. *Examples* include storytelling, music, art & craft, and simple puzzles.
- Nutritional Care:** The children are provided with nutritious meals, snacks, naps and play time during the day, ensuring that they are well-nourished and managed.
- Flexible Hours:** The Centre operates during university working hours, with some flexibility to accommodate the schedules of faculty and staff.

ATMIYA UNIVERSITY

(Established under the Gujarat Private University Act 11, 2013)

Yogdham Gurukul, Kalawad Road, Rajkot - 360005, Gujarat (INDIA)

7. **Parental Access:** Parents are encouraged to visit the Centre during breaks to meet and get regular updates about their ward. There is also an open communication line for parents to monitor their child's progress and well-being.

Impact on Faculty and Staff:

1. **Improved Work-Life Balance:** By offering this service, Atmiya University helps its employees manage their professional and personal responsibilities more effectively by spending time with their child during breaks.
2. **Increased Productivity:** Employees are less likely to be distracted by concerns about their child's care or take unplanned leaves, leading to higher focus and consistent productivity at workplace.
3. **Employee Retention and Satisfaction:** The Day Care Centre has been an essential factor in attracting and retaining employees, especially working parents. It demonstrates the university's commitment to supporting its staff's personal lives.
4. **Financial Relief:** One-site day care is more affordable as it's subsidized by the employer; it reduces the financial burden of child care.
5. **Gender Inclusivity:** It promotes gender inclusivity, especially for female employees, who often face challenges in balancing work and childcare responsibilities.

Conclusion:

The Day Care Centre at Atmiya University is a successful initiative that exemplifies the university's commitment to employee welfare by fostering a holistic approach to child development. Since its inception in 2018, it has helped more than 30 faculty and staff members till 2024 to balance their personal and professional lives more effectively. The Centre has proven to be a key element of Atmiya University's efforts to attract skilled professionals, foster a family-friendly and ensure nurturing environment more specifically for aspirant females.

Future Plans:

The university plans to continue improving the Day Care Centre by expanding its offerings, increasing awareness among staff about its availability, and ensuring that the highest standards of care and safety are maintained.

Camera Surveillance Features:

Atmiya University's CCTV system is equipped with state-of-the-art features, ensuring robust security and monitoring across campus. Below are the key features:

- Night Vision:** Cameras are equipped with night vision to provide clear footage even in low-light environments, ensuring round-the-clock visibility.
- IP Cameras:** Internet Protocol (IP) cameras enable high-definition video capture and data transmission, enhancing image quality and network efficiency.
- 360° Rotational Cameras:** Certain cameras have 360-degree rotational capabilities, allowing wide-area coverage and eliminating blind spots in critical locations.

4. **Real-Time Monitoring:** Surveillance footage from all cameras is available in real-time for the campus security team, facilitating immediate response to any incidents.
5. **24/7 Surveillance:** Continuous, non-stop monitoring across all facilities provides a secure environment at all hours, ensuring the safety of students, staff, and visitors.
6. **Remote Access:** Authorized personnel have the ability to access CCTV footage remotely, allowing immediate viewing and response in case of emergencies or security incidents.
7. **HD Quality Cameras:** High-definition cameras deliver sharp, clear images, allowing for detailed monitoring and precise review of footage.
8. **Data Storage:** Recorded footage is securely stored and archived for a designated period, allowing for future reference, incident review, and routine security audits.

Empowerment of Girls (EoG) Programs

ATMIYA UNIVERSITY

(Established under the Gujarat Private University Act 11, 2018)

Yogidham Gurukul, Kalawad Road, Rajkot - 360005, Gujarat (INDIA)

Report on Empowerment of Girls (EoG) Program

The Empowerment of Girls (EoG) program is a transformative three-day workshop designed for female students, initiated by the Atmiya University. This workshop aims to empower girls between the ages of 15 and 25 by providing them the necessary skills to face the complex social challenges of the 21st century. This program seeks to facilitate a comprehensive understanding of their roles and responsibilities, enabling them to lead fulfilling and successful lives. The EoG Program is structured as a **certificate course**, offering a variety of learning opportunities to develop both personal and social skills.

Objectives of the EoG Program:

1. **Self-Awareness and Social Environment:** Foster awareness about oneself and the societal context, helping participants understand how their development and their environment mutually influence one another.
2. **Critical Thinking and Decision-Making:** Cultivate critical thinking skills, enabling participants to analyze situations carefully and make informed choices and decisions in their lives.
3. **Personal Wellness and Safety:** Encourage girls to take responsibility for their own health, well-being and safety, empowering them to protect themselves in various situations.

The Need for EoG: A Response to Societal Change

The 21st century has ushered in a period of rapid technological advancement and profound societal transformations. While these changes offer numerous benefits, they also introduce complex social challenges that demand new skills and resilience. The **EoG program** is designed to equip girls with the tools to face these challenges head-on, developing the inner strength and confidence necessary to navigate a rapidly changing world.

Why EoG at Our Campus?

Atmiya University is committed not only to the academic success of its students but also to their overall well-being and happiness. With over **50% of our campus population being girls**, we recognize the importance of empowering them to face the challenges that come with this era of transition. The EoG program serves as a pivotal initiative to raise awareness

among female students about the societal challenges they may encounter, and provides the tools needed to overcome them.

Overview of EoG Program

The Empowerment of Girls to Face the Social Challenges of the 21st Century program was initiated by Bhartiya Jain Sangathana (BJS), Pune, in 2007. The program has proven to be incredibly effective, having a significant positive impact on its participants. Crafted by a team of renowned intellectuals, the program covers essential modules, including:

- Me & My Family Relationships,
- Friends & Their Influence,
- Self-Esteem & Self-Defense,
- Impact of Media & Technology,
- Marriage & its Preparedness,
- Parenting for Parents of Girl Students

EOG Empowers Girls by:

- Building a healthy mindset and strong self-esteem.
- Enhancing resilience to manage external risk factors.
- Strengthening family relationships as the primary support system.

Evidence of Success

The success of the EOG program is demonstrated by its impactful outcomes, which reflect significant positive changes in the lives of participants and their families. Some key indicators of success include:

- Increased self-awareness and a focus on maintaining self-esteem.
- A deeper understanding of the importance of family as a core support system.
- Enhanced communication skills for fostering healthy relationships with family, friends, and peers.
- Improved decision-making abilities, helping participants make better choices regarding personal safety, friendships, and life partners.

Moreover, this 3-Day workshop / Training Programs is a blend of fun and learning for the participants at the end of which parents were called in the parenting skill session in which

they expressed the views that such training are vital in today's times and needs to be imparted frequently. Parents also realized they were lucky to put their daughters in such a place which taught such things apart from academics. Parents also put forth their concern many mothers agreed to the fact that father don't give quality time to their family even after office hours and they agreed to be their friends and spend more time with their daughters.

Over 50 Training Programs have been conducted, positively impacting around 1600 girls. Additional program details can be found on our website: <http://library.atmiya.net/eog>.

The program's influence has also reached beyond the core group of participants through train the trainer initiatives. These initiatives trained female faculty members interested in becoming trainers of empowerment of girls program to deliver the EoG program and its activities, with additional training sessions held in 2014, 2016, 2018, and 2022 in various locations, including on-campus and in Pune and Jamnagar. There have also been sessions aimed at empowering couples, held for faculty and their families in 2015 and 2022.

The participants were very happy and suggested their friends to attend the EOG program. The parents were happy to have such kind of information about society and the current issues. They also suggest for practical sessions for parents during EOG program. The resounding appreciation and gratitude expressed by both parents and girls at the conclusion of each EOG workshop stands as compelling indicators of the program's success. These expressions underscore the transformative nature of this initiative and its invaluable contribution to our community.

Conclusion:

Our commitment to the Empowerment of Girls is a pivotal initiative that transcends the boundaries of our campus. Looking ahead, we are committed to expanding the program's reach to schools and colleges in the Rajkot area, further strengthening its impact within the community. Our goal is to equip teachers with the necessary tools and knowledge to implement similar empowerment programs within their own educational institutions, thereby amplifying the program's benefits on a broader scale.

In order to continuously improve and tailor our efforts to meet the evolving needs of girls, we also plan to conduct surveys to better understand their specific challenges, especially in the areas of **skill development** and **health**. This data will guide us in creating targeted interventions that are directly relevant to the girls' most pressing needs.

Women Empowerment Cell (WEC)

Note: AU/WEC/20230515

Date: 15/05/2023

Notification

Women Empowerment Cell of Atmiya University is established with the motto of “**Empower Her, Empower the Future**”. The cell aims to empower female students and staff, enhance their understanding of issues related to women and to make the University campus a safe place for girls and women and to address the practical issues related to the welfare and equal opportunities for women faculty member, staff and students. Aiming at intellectual and social upliftment of the female students, the cell stands for facilitating women’s empowerment through workshops, guest lectures, seminars, awareness programs and other welfare activities.

Sr. No.	Faculty Member Name	Designation & Dept.	Role
1	Dr. Sheetal Tank	University Librarian Library and Learning Centre	Co-ordinator
2	Dr. Meghashree Dadich	Associate Professor, Dept. Management, FOBC	Member
3	Ms. Bhumika Zalavadiya	Lecturer-SG, Dept of Comp. Engg., SoDS, FoET	Member
4	Dr. Samixa Patel	Associate Professor, School of Pharmacy, FoHS	Member
5	Dr. Shivangi Oza	Assistant Professor - SS, FoHSS	Member

7	Ms. Nehal Dave	Assistant Professor-SS, Dept of Computer Application, FoS	Member
8	Dr. Alpa Joshi	Associate Professor, Dept. of Commerce, FoBC	Member
9	Ms. Vandana Chovatia	Management Representative	Member

The Committee will primarily look in following matters.

- Identification of strong leadership, change-makers among women and girls and building their capacity.
- To promote a culture of respect and equality for female gender.
- To organize awareness programs on gender sensitization.
- The provision of opportunities and programs for girls and women to be financially, mentally and emotionally empowered to promote their growth as individuals in their own right.
- To conduct seminars and workshop to impart knowledge of opportunities and tools available and train the women.

Page 1 of 2

- Arranging seminars to create awareness on the economic, social and legal rights of women.
- Organizing different activities to make women aware of their health, finance, entrepreneurial opportunities, sports, self-defense etc.
- Conducting various competitions to encourage their artistic talents for creative thinking
- To highlight the importance of spirituality, health, hygiene and safety
- Celebration of International Women's Day on March 8th, every year
- To inculcate entrepreneurial attitude among young girls, scientists at the earliest so that they can be "job providers" rather than "job seekers".
- To encourage taking up "Research projects" related to Women issues and empowerment of women.
- Any other related tasks, as assigned from time-to-time.

The committee will be functioning from the immediate effect. The tenure of the committee will be for three years or further notification, whichever is earlier. The committee will meet at least twice in a year and will submit half yearly report on related activities to the Registrar office.

Above is based on the approval of Hon. Vice Chancellor vide Note: AU/HR/VC/20230506 dated 6/5/2022.
