● On 18<sup>th</sup> September, 2023 a Book talk was held on the book “**Build Don’t Talk**” by the renowned author – **Raj Shamani**. It was facilitated by **Ms. Mansi Hirani**, an Alumni student.

●

School taught us specific subjects, like maths and history.

But we weren't taught:

How to sell

Or how to build relationships

Or how to negotiate

Or how to take care of our mental health

Or how to network

Or how to deal with personal finance

These most important situations we face as adults were never discussed with us when we were students. We weren't taught these skills in school, and this makes all the success stories we hear about seem out of reach; it makes us feel dumb. We aren't dumb, we just don't know how to work the system.

Your school taught you how to run in the race; it didn't teach you how to win. And that's what this book is for. To help you win the race. Packed with useful advice gleaned from his own journey as an entrepreneur and content creator, this book by Raj Shamani is a must-read.

On 10<sup>th</sup> September, a Book talk was held on the book “**Timirpanthi**” by the renowned author – **Dhruv Bhatt**. Mrs. Monika Samarth, our Alumni and Former faculty of IT engineering facilitated it.

The Book is a travelogue written in novel format. More than the places, people and their emotions attract the author. This is a story of nomadic tribes who survive on stealing. For them, it is not a crime but an art inherited from their ancestors. It is also a story of tribal youth's struggle to give up this profession and enter the mainstream.

The book talk was delivered in Gujarati most artistically. It has created a curiosity in the audience to read the book and was well received by all which was evident in the feedback given. Very rich in the Language and use of indigenous words makes it more interesting. It shows the quality of research the author has done on these tribes.

## *Saturday Book Talk at Your Library*

Title of Activity	“Saturday Book Talk”
Date	27/08/2022
Venue	Library and Learning Centre
Facilitated by	Ms. Ameer Laheru
Total Participants	30+
Details of Participants	Students & Faculties of Atmiya University
Coordinators of the event	Team Library, Library and Learning Centre, Atmiya University.

On 27th August, a Book talk was held on the book “**DATH**” by author–**SADHGURU**. It was facilitated by **Ms. Ameer Laheru** student of FoHSS.

About the Book: Death is a taboo in most societies in the world. But what if we have got this completely wrong? What if death was not the catastrophe it is made out to be but an essential aspect of life, rife with spiritual possibilities for transcendence? For the first time, someone is saying just that.

In this unique treatise-like exposition, Sadhguru dwells extensively upon his inner experience as he expounds on the more profound aspects of death that are rarely spoken about. From a practical standpoint, he elaborates on what preparations one can make for one's death, how best we can assist someone who is dying and how we can continue to support their journey even after death.

Whether a believer or not, a devotee or an agnostic, an accomplished seeker or a simpleton, this is truly a book for all those who shall die!

On 10th April, a Book talk was held on the book “**IKIGAI**” by author– **Garcia Hector and Francesc Miralles** . It was facilitated by Speaker **Shalu Agrawal & Ayushi Banerjee & Gurleen Kaur Chadha,**

About the Book: According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world’s longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you’re good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It’s the reason we get up in the morning. It’s also the reason many Japanese never really retire (in fact there’s no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they’ve found a real purpose in life—the happiness of always being busy.

In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world’s Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and their best-kept

secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn't want to find happiness every day?

This book takes you through the fascinating journey of a seventeen year old who had to sacrifice his entry into the prestigious Indian Institute of Technology because his father did not have money to pay his fees, and who ultimately came up in life to head a global Information Technology company. NRN Murthy had no money, no family backing, but just a quiet gritty determination, and faith in what he believed was the future of business. The one constant factor throughout his life journey has been the adherence to the values he imbibed from his family, which he has personally and professionally lived

Dear All,

Namaste!

This Wednesday we bring to you the most awaited 7<sup>th</sup> Book Talk

**“Asura: tale of the vanquished”**

- **Anand Neelakantan**

The epic tale of victory and defeat.. The story of the Ramayana had been told innumerable times. The enthralling story of Rama, the incarnation of God, who slew Ravana, the evil demon of darkness, is known to every Indian. And in the pages of history, as always, it is the version told by the victors that live on. The voice of the vanquished remains lost in silence.

But what if Ravana and his people had a different story to tell? The story of the Ravanayana has never been told. Asura is the epic tale of the vanquished Asura people,

a story that has been cherished by the oppressed castes of India for 3000 years. Until now, no Asura has dared to tell the tale. But perhaps the time has come for the dead and the defeated to speak.

About the Book (As per Author view): ભગવાન ક્યાં છે? શું તેના દર્શન થઈ શકે? આવા પ્રશ્નો માનવ માત્રના પ્રશ્નો છે. જ્યારે માનવ શ્રીમદ્ ભાગવતના સંપર્કમાં આવે છે ત્યારે આવા તમામ પ્રશ્નોનો ઉત્તર મળી જાય છે. માટે જ તો ભાગવતને ભગવાન કહેવામાં આવે છે.

ભાગવત કથાકાર શ્રી જીગ્નેશદાદા ની ભાગવત કથાઓનું સંકલન આ પુસ્તકમાં છે.

આજે માનવ માનવ વચ્ચેના સંબંધો દ્રઢ કરવાની આવશ્યકતા ઉભી થઈ છે. સંબંધ એટલે સમર્પણ એ વાતની સમજ આપણને સૌને તાજી કરાવતાં ભાગવતના પ્રસંગો અહીં ટાંક્યા છે. ઈશ્વર ખૂબ દયાળૂ છે પણ આપણે તેની દયાને પાત્ર કઈ રીતે થઈ શકીએ તે જાણી શકશે. યુવાનથી લઈને વયસ્કો સુધીના કોઈ પણને આકર્ષવાની શક્તિ આ પુસ્તક ધરાવે છે.

શ્રી રામ અને શ્રી કૃષ્ણએ માનવ સ્વરૂપે જન્મીને આપણા સૌ માટે જે ઉત્તમ સંદેશ આપ્યો છે તે અહીં સમજાવ્યો છે. ભક્તિ, શ્રદ્ધા, સમર્પણ અને સંકલ્પથી મુક્તિ, શાંતિ, સુખ અને સંતોષ કઈ રીતે મળે તેનો માર્ગ અહીં પ્રશસ્ત કરાયો છે. ઈશ્વરના વરદાનથી સ્વર્ગની પ્રાપ્તિ થઈ શકે પણ આ પુસ્તક વાંચનથી પરિવારને પ્રેમ મય અને ઘરને જ સ્વર્ગ બનાવી શકાય છે.
